A written proposal has been developed as a basis for discussion and has been distributed through the Registration Packets provided to all members of the Annual Conference. The Reverend H. Hood spoke against the Recommendation and the Reverend Theodore H. spoke for the Recommendation. The Recommendation provided that at the end of six (6) years the Waccamaw and Asbury Hills Boards would be merged to create a South Carolina Annual Conference Board of Camps and Retreats. On vote the Recommendation was approved.

BOARD MEETING TIMES—Mr. Coble presented the Committee's third Recommendation which called on all Conference Boards and Agencies to schedule Sunday Board meetings as a way of increasing the degree of inclusiveness and member participation. The Reverend H. Sam Johnson made a motion to amend the Recommendation to read "Saturday" rather than "Sunday," and the amendment was approved on vote. On vote the Recommendation was approved as amended. Mr. Coble concluded the Committee's report with a motion for approval of the entire Report as it had been amended and the Coble motion was approved on vote.

REPORT OF THE COMMITTEE ON STANDING RULES—The Rev. F. Bundy, Jr., Chairman of the Committee on Standing Rules, was recognized for the report. Mr. Bynum lead the Conference through a step-by-step procedure of considering the changes proposed by the Committee. The following actions were taken on vote: (1) SR 2 was editorially changed to reflect the correct name of the Asbury Hills United Methodist Camp (Asbury Hills); (2) SR 2b was amended to include among the members of the Waccamaw Retreat Center Board of Directors, as an ex-officio member without vote, a member of the Standing Rules in order to create a Board of Directors for the Waccamaw Retreat Center. The Reverend Debra Quilling offered an amendment to the new Rule as proposed in order to make the member named from the Belin Board of Directors an ex-officio without vote. The amendment was approved on vote, after discussion. The new Rule 3 was approved on vote; (4) Old Standing Rules 3 through 18 were numbered 4 through 19 to accommodate the addition of the new SR 3; (5) Old Standing Rule 9 was amended to increase the number of ministers serving on the Board of the Ordained Ministry from 24 to 30; (6) SR 20, the old SR 19, was amended to delete the provision for the Conference Board of Missions to nominate as members of Global Ministries; this change was necessitated by amendments in the Constitution of the College which eliminated this provision; (7) SR 68 was amended by the addition of a subparagraph "h," providing for the creation of a District Committee on Nominations, as proposed by the Conference Committee on Structure; (8) SR 72 was

amended by the addition of the Chairperson and Secretary of the Conference on Structure as members *ex-officio* of the Conference Committee on Standing Rules. RECOMMENDATIONS FROM STANDING RULES—Mr. Bynum conducted the Report of the Committee on Standing Rules by citing two recommendations intended to improve attendance of the laity, especially youth and ethnic minorities, at Board and Agency meetings throughout the year (through weekend meetings) and at the Annual Conference Session (by inclusion of a weekend in the schedule). The Recommendations were received as information. On vote the Committee's Report was approved as amended.

REPORT OF THE COMMITTEE ON NOMINATIONS—The Reverend Mr. Watson, Chairman, was recognized for the Report of the Committee on Nominations. Mr. Watson called on the Reverend Michael Cox, Secretary of the Committee, to present the Report. Mr. Cox introduced the Report by reminding the members of the Conference that the Report was being presented for reference only, in accordance with Standing Rule 102, and a vote was scheduled for later in the Conference Session. The Report of the Committee was reviewed and questions concerning the report were answered by the Committee. When it was noted that a nominee for the Commission on Christian Unity and Interreligious Concerns, Carl Evans, was a clergyman, a question was raised concerning Mr. Evans replacing a Lay Member of the Commission. Mrs. William H. Wesson, Bishop Clark ruled that although Mr. Evans was not a member of this Annual Conference, he was nevertheless a clergyman and therefore not eligible to fill a Lay vacancy on the Commission. The name of Louis Wallace was offered to replace that of Mr. Evans. See the Report of the Committee on Nominations in Section VIII of this JOURNAL for the names of persons nominated to fill vacancies on Boards and Agencies.

SECOND DAY—MONDAY AFTERNOON May 31, 1982

Bishop Clark presented nominations to fill vacancies on the Board of the Ordained Ministries naming the Reverends William R. Kinnett, Debra Quilling and John P. Bishop. He noted that the name of Frieda M. Morris (Deaconess) should be deleted from the listing of Diaconal Ministers since she has transferred out of the Conference. The name of David Hall was added to the listing of Ministers of Christian Education. On vote the transfers out of the Conference for Patricia M. Evans and Freida Morris were approved. On behalf of the United Methodist Publishing House, Mrs. Littlejohn presented to Bishop Clark a check for \$15,320.43, a portion of the Publishing House earnings of the previous year which had been designated for the benefit of the South Carolina Conference Pensions Program. Bishop Clark accepted the check with a note of appreciation on behalf of the Conference.

Mr. Buie described the special service rendered the Annual Conference by Mr. Newman in his capacity as "Recorder" for Conference Sessions and other special events. Mr. Buie, successor to Mr. Newman, asked Bishop Clark to make a gift of a tape recording to Mr. Newman. Bishop Clark presented to Mr. Newman a Wofford College tape recording that it was an appropriate gift for a Furman University graduate who had spent most of his time "on his feet" in recent years tape recording Annual Conference Sessions. Mr. Newman responded with words of appreciation.

ROBINSON MOTION—Bishop Clark recognized Spencer Robinson (Hopewell Church, Chester) for the purpose of making a motion. Mr. Robinson made the motion that in the discussion of Conference Business that all debate be limited to three (3) speeches for and three (3) speeches against the proposal, with a limit of three (3) minutes per speech. On vote the motion passed.

REPORT OF THE COUNCIL ON FINANCE AND ADMINISTRATION—The Reverend Thomas N. Brittain was presented for the report. Mr. Brittain reminded the Conference that the Report was being presented for reference only and would be voted on at a later time in the Session. Mr. Brittain introduced the Dr. Charles A. Graves, Secretary of the Council, who presented the details of the Report. It was reported that the Council for the 1983 budget was to limit the increases overall to 10%; the total represents an increase of 10.3% over the previous year. Dr. Graves presented the details of Reports I through VI, and he and members of the Council answered questions posed by the Conference. The Reverend Bundy Bynum reminded the Conference of the Standing Rule requirements that proposed amendments to the Report would have to be made early enough to allow sufficient time for consideration by the Council. Several members of the Conference indicated their intention of offering amendments to the Report. The Reverend Farrell Cox stated his intention to offer an amendment to limit the 1983 budget increase to 5% over the 1982 budget. Dr. C. J. Lupo, Jr., indicated his intention to introduce a substitute for Report

IV, B, 12 (a proposal for reserving time for a Columbia College capital funds campaign which would require dates for any proposed Capital Funds Campaign to be specified before approval is given by the Conference. The Reverend James Medley indicated his intention to introduce a motion to limit the increase in the salary of the District Superintendents set forth in Report III, A., to an increase of not more than 5%. The Reverend Charles Johnson indicated his intention to offer a motion to amend Report III, A., to request that the Council on Finance and Administration develop a proposal to fund the construction of the Orangeburg Wesley Foundation Student Center Building with the Board of Higher Education and Campus Ministry assuming the leadership, rather than asking the Board of Directors of the Orangeburg Wesley Foundation to assume this responsibility alone.

REPORT OF THE TRUSTEES OF THE UNITED METHODIST CENTER—The Reverend Barbee O. Parsons, Chairman of the Board of Trustees, was recognized for his report. Mr. Parsons reviewed the use of funds in constructing the new United Methodist Center. Mr. Parsons presented a request for additional funds in the amount of \$7,000.00 for use in furnishing meeting rooms and in landscaping the grounds. Building Committee Chairman Thomas N. Brittain reported that the new facility should be ready for occupancy around October 1. He stated that "change orders" had been limited to an expense of \$2,824.00 and that actual cost overruns had been limited to \$277.87. Expenses of the Building Committee for meetings had been less than \$400.00. He concluded his report by stating that the Building Committee saw a need for spending approximately \$30,000.00 to conclude the project, which sum would cover the price for landscaping and furnishings (\$7,000.00), the cost of "change orders" (\$2,824.00), a small cost overrun (\$277.87). He noted that \$20,000.00 of the amount needed had previously been approved but there was no provision for indicating the source of the funds. Mr. Brittain offered the motion that the sum of \$30,101.87 be approved for the United Methodist Center project, and that it be paid from the Conference Permanent Reserve Fund. On vote the motion was approved.

REPORT OF THE TRUSTEES OF THE ADVOCATE—The Reverend Van Thomas, Chairman of the Board of Trustees of THE SOUTH CAROLINA UNITED METHODIST ADVOCATE, was recognized for the Report of THE ADVOCATE Trustees. Mr. Thomas reviewed the background of the sale of the former Methodist Center and the related loan made interest-free to the Trustees of the new United Methodist Center. He noted that the \$350,000.00 loaned for the construction of the new Center would produce significant savings for the Annual Conference (approximately \$354,000 if interest was calculated at 16%, the prevailing rate at the time the loan was made, but this would represent a significant loss to THE ADVOCATE because invested funds would be reduced over the 10 years of the loan pay back. Mr. Thomas brought the Recommendation of the Trustees of THE ADVOCATE that the asking of \$60,000.00 in Conference funds (\$50,000.00 for newspaper operations and \$10,000.00 for the Conference News Service) be approved rather than the amount of \$50,000.00 budgeted by the Council on Finance and Administration. Following Mr. Thomas' initial report, questions from the Conference floor were answered by Mr. Thomas.

Discussion of the Report of THE ADVOCATE ended with a motion by Mitchell Houston which called for the Bishop to appoint an 11-member committee to study the matter of making THE ADVOCATE solely amenable to the Annual Conference, with a report to be made at the 1983 Session. PENSIONS REPORT NO. 1—Mr. Murphy made a motion to adopt Report No. 1 of the Board of Pensions, setting the Conference annuity rate and approving a resolution regarding housing for Retired Members of the Conference. A motion was offered by the Reverend DeArmond Canady to amend the Report by setting the annuity rate at \$160.00 per service year, rather than \$168.00 as offered by the Report. Considerable discussion ensued and the hour for recess was reached before a vote could be taken.

We also recommend that the present laws be strictly enforced for all persons without regard to social or economic standing." James Harrison, Jr. (Trenholm Road Church, Columbia) offered an amendment to the substitute amendment to add the words "... and more meaningful alcohol treatment alternatives ..." following the words "... legislate harsher laws, ..." BOARD OF CHURCH AND SOCIETY REPORT CONTINUED—The consideration of the recommendations in the Report of the Board of Church and Society was continued with discussion of the brown lung disease issue. Discussion of the Ted Walter substitute motion to delete Recommendation 7 to the Board for further study, rather than to delete Recommendation 7, was resumed. A count vote was taken and the Walter motion was lost 383 to 446. The Conference called for the original motion to delete Recommendation 7 from the Report. A motion statement was offered by the Board. On vote, the Conference approved Recommendation 7 as part of the Report. The Report of the Board of Church and Society, as amended, was approved as a whole.

ALSTON WILKES SOCIETY OBSERVANCE—On vote of the Conference, December 1, 1982, was approved as a date on which to observe the work of the Alston Wilkes Society.

MOTION TO ADOPT THE REPORT OF THE COUNCIL—Chairperson Clelia B. B. B. offered a motion to approve the Report of the Conference Council on Ministries, as amended, as a whole. The motion was held in abeyance to permit a point of inquiry.

INQUIRY BY ALLAN R. BROOME—Dr. Allan R. Broome, former Conference Secretary, raised a point of order concerning the Report of the Council on Ministries. Dr. Broome made the following statement: "This point of order is raised as a question of law with the provisions of Paragraph 2612 of the 1980 *Book of Discipline*. The point concerns the recommendations of the Council on Ministries as printed on pages

51, 52, and 65 of the Pre-Conference Report and adopted by the Annual Conference of the Council on Ministries, in making these recommendations to the Annual Conference, and is the Annual Conference, in receiving and adopting them, in conflict with the opposition to the following: Paragraph 710 Introductory Statement on Budget, Paragraph 710.3; Paragraph 710.3(2); Paragraph 715.2(b); Decision 400 of the Judicial Council?"

RESPONSE TO INQUIRY Bishop Clark responded to Dr. Broome's inquiry, stating that presentation of the Budget is the responsibility of the Council on Finance and Administration, per Paragraph 710 of *The Discipline*. He noted further that the Council on Ministries presents budget proposals to the Council on Finance and Administration for the purpose of helping to formulate the overall Conference Budget. Bishop Clark noted that the intent of the law is clear and that it would appear that any misunderstanding of the procedure being followed perhaps indicated a need for a better explanation of words.

BROOME RESPONSE—Dr. Broome responded to Bishop Clark's observation, stating that Judicial Council Decision 400 set forth the principle that the Council on Ministries presents only program recommendations and Benevolence Budgets for consideration of CF&A. He stated that all Budgets must be presented to the Council on Finance and Administration without consultation. Dr. Broome concluded his comments by stating that the Council on Finance and Administration must present the total budget amount, including the Benevolence Budget, and that the presentation to indicate the amount and percentage of the Budget going to each item. This was the point under consideration in the matter addressed by Judicial Council Decision 400.

BISHOP'S RULING—Harry Kent spoke against the Broome inquiry, after which Bishop Clark stated that he would give the inquiry further study and make a ruling at a later time in the Conference.

HENDRIX STATEMENT—Chairperson Clelia Hendrix responded to Dr. Broome's inquiry by noting that all Council on Ministries programs and budgets are "proposed" and that the budget item related to programs is presented to the Council on Finance and Administration, and later to the Conference, so that information concerning program costs is shared with all who need to know that information.

COUNCIL REPORT ADOPTED—Chairperson Hendrix again moved the adoption of the Report of the Council on Ministries, as amended. On vote the entire Report was adopted. Mrs. Hendrix asked that the Conference recognize the Reverend Roy Clemmons who had written the script for the "specialized ministries" drama. He was recognized with applause.

RECESS—Bishop Clark announced a brief Recess. The Business Session continued at 10:45 AM.

ADDITION TO COMMISSION REPORT—Mrs. Thelma Ford (Epworth Church, Charleston) requested that an addition be made to the Report of the Commission on Status and Role of Women. The addition was a request for the support of the Conference for a legislative effort to increase fees for marriage licenses with the funds generated by the increase being designated for the emergency assistance to victims of domestic violence. On vote the proposal was approved.

METHODIST FOUNDATION—Dr. W. Harry Chandler, Executive Director of the South Carolina United Methodist Foundation, spoke briefly on the history and purpose of the Foundation and urged its support by all South Carolina United Methodist Partners in, and beneficiaries of. The Foundation are the four Conference-related Colleges, and the three Conference-related Homes.

CONTINUATION OF ADVOCATE REPORT—The Reverend Van Thomas, Chairman of THE ADVOCATE Trustees, was presented for the Report. Mr. Thomas reviewed the Recommendations made by the Trustees of THE ADVOCATE. The Reverend John Curry, Jr., offered an amendment to Recommendation 2, suggesting that the \$10,000 requested for the Conference News Service be reduced to \$7,000. Mr. Thomas responded with the Board's rationale in asking for the larger amount. The amendment was lost. On vote the original Recommendation was also lost. On vote the original Recommendation 3 (to delete the "line item" subscription plan) and Recommendation 4 (urging Conference endorsement of THE ADVOCATE and encouraging increased subscriptions to the paper) were approved. Chairman Thomas made a closing statement expressing the appreciation of THE ADVOCATE for the support of the Conference. On vote, the Report, as amended, was approved as a whole.

WOODY MOTION—Dr. C. LeGrande Moody, Jr. spoke to affirm the work of THE ADVOCATE and offered a motion that the Conference show its support by approving a resolution plan whereby subscribers would pay for a full year of service, but that the paper be allowed to publish only every two weeks instead of weekly. On vote the motion was approved. The Report of THE ADVOCATE was then approved, as amended, as a whole.

RECESS—A brief Recess was taken following the Report of THE ADVOCATE.

BISHOP'S RESPONSE TO BROOME INQUIRY—Following the Recess, Bishop Clark responded to the Allan R. Broome inquiry regarding the Council on Ministries budgeting procedures. Bishop Clark reviewed the content of the references cited by Broome noting that: (1) Paragraph 710.3(a) clearly states that the Council on Finance and Administration shall recommend to the Annual Conference for its action the total amount for the Conference Benevolence Budget, and that, Paragraph 710.1 states that the Council on Finance and Administration shall determine the total of the Conference Budget and distribute it to the Conference agencies, and that Paragraph 710.2 states that it is the responsibility of the Conference Council on Ministries to recommend amounts to each agency.

BISHOP'S RULING—Bishop Clark stated "It is my ruling that it is the responsibility of the Council on Finance and Administration to establish the total of the Conference Benevolence Budget and the total of the Conference Council on Ministries Budget, but it is not the responsibility of the Council on Finance and Administration to determine how the total is to be used." Bishop Clark concluded that the procedure being followed was in order.

RESOLUTION REQUEST FROM 1981 SESSION—For the record Bishop Clark stated that during the 1981 Annual Conference Session he had reviewed the matter of a resolution requested by the Reverend Charles Johnson. The Request centered around a matter of parsonage property which had developed when a Charge was divided. He stated upon further study of the matter he had determined that there was no basis for bringing the matter to the Judicial Council which had already spoken to the matter. How such matters should be resolved and that *The Discipline* was explicit in its provisions. On further discussion with Mr. Johnson, Mr. Johnson concurred in the ruling.

REPORT OF THE COMMITTEE ON RESOLUTIONS AND APPEALS—The Reverend F. Bundy Bynum, Jr. offered a motion to suspend Standing Rule 71 in order that the Conference might proceed with hearing the Report of the Committee on Resolutions and Appeals. On vote the Rule was suspended.

RESOLUTION ON ABORTION—The Reverend Gene Couch, Chairman of the Committee on Resolutions and Appeals, reviewed the first resolution which dealt with a matter of abortion. The Committee recommended non-concurrence and on vote the Conference sustained the Committee's recommendation. The proposed Resolution had been introduced by Chapin United Methodist Church.

RESOLUTION ON PRAYER IN SCHOOLS—Mr. Couch reviewed a second Resolution introduced by Chapin Church on the subject of a constitutional amendment to allow prayer in public schools. The committee recommended non-concurrence and on vote the Conference approved the Committee's recommendation. A second Resolution on the same subject was also presented and on vote the Committee's recommendation of non-concurrence was also supported.

RESOLUTION ON CHILD ABUSE—The Conference voted approval, on recommendation of the Committee on Resolutions and Appeals, of a Resolution offered by the Reverend Larry R. Parker:

Recognizing that the abuse of minor children occurs either by physical abuse, or neglect, or both, and that such abuse is contrary to Christian teaching and principles, and; Recognizing that it is of equal concern to provide compassionate and informed care for dealing with the life stresses of those children who are abused or neglected, and; Recognizing that there is a need to become better informed of the causes, implications, and treatments for both abused children and abusing parent, and; Recognizing that The United Methodist Church, as Christ's Church, has a sacred duty to be the instrument of the Gospel in matters which threaten the integrity, and cohesion of the family;

It is therefore recommended that each local church through its Work Area, Education, Council on Ministries, and Administrative Board, conduct a special program in the causes, implications, and treatments of abused children and abusing parents, and that such a program utilize resource persons from the fields of social services, family behavior, and law enforcement.

The purpose of such an emphasis would be education, understanding, and provision of a basis for a more informed ministry of the church to the victims, abusers, and abuser, in the love of Christ."

RESOLUTION ON EL SALVADOR—A Resolution offered by the Reverend M. Reese on the subject of El Salvador, was reviewed by Mr. Couch. On vote the Committee had recommended non-concurrence. After lengthy discussion the Conference voted and declined to support the Committee's recommendation, thereby approving a Resolution which states:

"Whereas, as followers of the prince of peace, we condemn all acts of terror, violence and repression against God's people anywhere; and,

Whereas we deplore the continuing violence which is occurring in El Salvador by terrorists of the political left and right; and,

Whereas our government continues to support the government of El Salvador with massive military and economic aid; and,

Whereas the church in El Salvador is under persecution because of its faithfulness to the gospel,

Be it therefore resolved that the S. C. Annual Conference go on record to:

Urge prayers and acts of solidarity with the persecuted church in El Salvador, especially contributions to UMCOR for the growing refugee population of El Salvador.

Support efforts to end all US military aid to El Salvador, including all groups and parties operating therein.

Encourage a Congressional resolution calling upon all other governments, outside groups to terminate all military aid to El Salvador with the request that the UN establish a system to monitor the situation.

Implore United Methodists to become better acquainted with the people, history, and struggle for peace and justice and the life and witness of the church in El Salvador and other countries in this turbulent region of our world.

RESOLUTION ON FEDERAL ABORTION LEGISLATION—Mr. Couch reviewed a Resolution on the subject of Federal legislation that has been proposed regarding abortion. The Committee on Resolutions and Appeals voted to recommend non-concurrence. In discussion which followed, privilege of the floor was granted members of the Commission on Status and Role of Women, makers of the Conference resolution. They spoke against the non-concurrence motion. On vote the Conference did not support the Committee's recommendation of non-concurrence and approved the Resolution which states:

"Whereas Bill 158 as introduced into the U. S. Congress by Senator Orrin G. Hatch (R-Utah) seeks to give Congress and the States joint authority to regulate or prohibit abortions; and

Whereas this bill neither satisfies the pro-abortionists nor the anti-abortionists groups but seeks to settle the matter of abortion in a simplistic manner by requiring only a simple majority rather than a two thirds vote of each house,

Be it resolved that the South Carolina Conference of The United Methodist Church opposes this bill."

RESOLUTION ON FAMILY PROTECTION ACT—Mr. Couch reviewed a Resolution on the proposed Federal legislation known as "the Family Protection Act," introduced by the Commission on Status and Role of Women, reporting that the Committee on Resolutions and Appeals had voted non-concurrence. On vote the Conference supported the Committee's recommendation and rejected the Resolution.

PROPOSALS FOR FUTURE RESOLUTIONS—The Reverend Dan Bradley reported on the various Resolutions and other Appeals to be considered by the Annual Conference. He might be scheduled in the future as "An Order of the Day." Lay Member Sam H. Chapin (Chapin United Methodist Church) stated that it would be helpful to make Resolutions if the meeting time and location of the Committee on Resolutions and Appeals could be made known. No action was taken by the Conference, but by

agreed that these suggestions would be placed before the Committee on the Conference as it plans future Conference Sessions.

PERSONAL PRIVILEGE—The Reverend Joe Nicholson rose to a point of personal privilege and moved that the Conference send its greetings to Mr. Joe Parker (of South Carolina), a member of the Committee on Resolutions and Appeals, who is quite ill and unable to attend the 1982 Conference Session. The motion was approved by common consent.

CABINET MOTIONS TO DISCONTINUE CERTAIN CHURCHES—Dr. M. L. Meadors, Jr., Secretary of the Cabinet, was recognized for the purpose of introducing Resolutions to discontinue from the active roll of the Conference certain local churches that have been abandoned or no longer function actively. Superintendents of those Districts these Churches are located presented the Resolutions. The Reverend Roy Stockman, Superintendent of the Charleston District, offered a Resolution for discontinuance of St. Paul Church on the St. Paul Grove-Hall Charge. On vote of the Conference the Resolution was approved. The Reverend Max H. Christopher reported that the Superintendents state the location of the Churches to be discontinued and property records might be properly maintained.

OTHER RESOLUTIONS—Other Resolutions for discontinuance approved on vote of the Conference were: Wesley United Methodist Church, Duke Street, Georgetown (on motion of Marion District Superintendent William R. Kinnette); Elim United Methodist Church (on motion of Florence District Superintendent George Watson); Sardis United Methodist Church of the Branchville Charge (on motion of Orangeburg District Superintendent E. Wannamaker Hardin). A Resolution to discontinue a Church in the Beaufort District was held for later action to insure the accuracy of information on that Church.

DISTRICT AND CHARGE LINE CHANGES—Dr. Meadors continued his report on the information of the Conference certain changes in District and Charge Lines that will be in effect for the 1982-83 Conference Year. (Information on all District and Charge Line Changes, including the discontinuance of certain Churches, is found in this JOURNAL in Section VI, Part I, Question 16.)

DISTRICT BOARDS AND COMMITTEES—Dr. Meadors reported the nominations for the District Superintendents for persons to serve on District Boards of Church and Location, District Boards of Trustees and District Committees on the General Ministry. The persons nominated were elected without the reading of the lists.

RECESS—Following announcements by the Conference Secretary, the Conference went into recess for lunch.

FOURTH DAY—WEDNESDAY AFTERNOON

June 2, 1982

CALL TO ORDER—Bishop Roy C. Clark called the Conference to order and welcomed the Reverend Robert B. Clyburn for the prayer of Invocation.

CONFERENCE BUDGET—Bishop Clark recognized Dr. Charles A. Graves, Secretary of the Council on Finance and Administration, for the completion of the Council's report and the adoption of the 1983 Conference Budget. Report No. 2 (allocation of the Conference Fund) was presented first. A motion to amend the report to increase the amount of THE ADVOCATE from \$50,000 to \$70,000 was offered by Dr. Eben Taylor. Bishop Clark ruled the motion out of order as a result of previous Conference action regarding the Report of the Trustees of THE ADVOCATE. The Conference sustained Bishop Clark's ruling and on vote approved Report No. 2 as presented.

SUPERINTENDENTS' COMPENSATION—Dr. Graves presented Report No. 3 on the proposed compensation of the District Superintendents in 1983. Reverend James D. Medley offered an amendment to substitute a new proposal for the compensation of the Superintendents, the effect of which would have been to set the District Superintendents' compensation at a total of \$30,200 (including travel) rather than the \$40,000 proposed by the Council. Bishop Clark called on Dr. C. J. Lupo, Jr. to take the floor in order that the Bishop might address the Conference and offer a rationale for the Council's proposal, which proposal had originated as a recommendation of the Bishop. After considerable discussion and an exchange of questions and answers the Conference voted to approve the Report as set forth by the Council.

REPORT NO. 1 CONSIDERED—Dr. Graves presented Report No. 1, on distribution to the Churches. A motion by the Reverend Farrell Cox proposed a 5% increase for the 1983 Conference Budget. In discussion which followed, an amendment by substitution for the Cox amendment was proposed by Mr. Harry Kent (Asbury Memorial Church, Charleston) stated: "I move that Bishop Clark appoint a committee to study the relationship of the Conference budget and net total giving. The duty of the Committee would be to examine the practicability of limiting the Conference budget by limiting the percentage of apportionment versus total net giving. The committee should have 15 members, no more than 5 of whom should be from agencies participating in the Conference budget. Funding should come from the Conference Fund. The final report of the committee should be filed no later than January 1, 1983, so that Conference agencies could generate 2 budgets — one in accord with the report (in case the report passed at Conference) and one in accord with the agency's present needs." Considerable discussion followed the Kent motion, and motion to table the Kent proposal was lost on vote. On vote of the Conference the Kent motion was approved, thereby replacing the Cox amendment. On vote of the conference the Kent motion, as amended, was approved on vote of the Conference.

REPORT NO. 4 CONSIDERED—Dr. Graves presented Report No. 4, on special days, designated offerings and other recommendations. Dr. Ralph Mire, President of Columbia College, spoke to the Conference and withdrew item 12 of the report, thereby deleting a request that Columbia College be considered the next Conference institution scheduled for a Conference-approved financial campaign. The Reverend Talmage Skinner made an editorial correction in the report to note that the agency promoting the special fund-raising effort for the Orangeburg Wesley Foundation building is the Board of Higher Education and Campus Ministry. He spoke to the report for this project and urged support.

CAPITAL CAMPAIGNS MOTION—Dr. C. J. Lupo, Jr. offered a motion to amend Report 4 by adding a Paragraph 12 in Section B, replacing the Columbia College capital campaigns proposal with the words: "We recommend that no priority approval for a conference-wide capital funds campaign be given without a proposed date for such campaign. We further recommend that no such dates and priorities be set more than three years in advance." On a count vote the Lupo proposal was lost, 290 to 312.

CONTINUING EDUCATION BUDGET—The Reverend H. Levy Rogers, Chairman of the Board of the Ordained Ministry Committee on Continuing Education, made a motion to amend Item 5 of Report 4, by increasing the continuing education budget from \$300.00 to \$400.00. On vote the Rogers proposal was approved.

SUPPORT OF ORANGEBURG WESLEY FOUNDATION PROJECT—A motion by Dr. James A. Nates, to extend the privilege of the floor to Mr. E. A. R. Montague, member of the Board of Directors of the Orangeburg Wesley Foundation, was approved. The Reverend Larry McCutcheon, Director at Orangeburg, expressed appreciation of the Orangeburg Board, for Conference support of the building and drive.

Dr. Graves explained the make-up and use of the proposed funds, and on vote of the Conference the report was adopted.

COUNCIL REPORT AS A WHOLE—On motion of Dr. Graves, the Conference approved the Report of the Council on Finance and Administration, as amended as a whole.

MOTION REGARDING RESOLUTIONS—The Reverend Joseph Pridgen, Chairman of the Committee on Resolutions, presented a motion regarding the handling of Resolutions at future Sessions of the Conference. His motion stated: "I move that the Committee on Resolutions prepare and present necessary recommendations for changes in Standing Rules to require all resolutions available to members of the South Carolina Annual Conference in printed format, to be their arrival at each Annual Conference. This should be accomplished as expeditiously as possible." On vote the Pridgen motion was approved.

MOTION ON DISTRICT SUPERINTENDENTS' SALARIES—A motion was offered by the Reverend Mike Vandiver which would have had the effect of setting salaries for District Superintendents "in line with local Church pastors' salaries." A motion to table the Vandiver proposal was made and on vote of the Conference the Vandiver proposal was tabled.

ANGELUS CHURCH RESOLUTION—District Superintendent Howard T. Risher of Hartsville District presented a Resolution for the discontinuance of the Angelus Methodist Church of the Jefferson Charge. The Resolution was approved on vote of the Conference.

REPORT NO. 2—The Commission's recommendations on the Equitable Salary Commission was presented in Report No. 2. Item N of the report, having to do with the continuing education, was amended by the deletion of a specific dollar amount, leaving the amount to be determined simply by a percentage method: "The Commission shall provide the difference between what the Local Charge pays and the amount recommended by the Commission." On vote of the Conference, Report No. 2, as amended, was approved as a whole.

MOTION ON PASTORS' SALARIES—A motion by the Reverend James Gosnell to increase pastors' salaries by 11% in 1983 was defeated on vote.

REPORT OF THE TRUSTEES OF THE ANNUAL CONFERENCE—The Reverend James Fowke, Secretary, presented the Report of the Annual Conference Trustees. He offered a Resolution for the consideration of the Conference:

Figure 10 is a line graph titled "Percentage of total population by age group, 1970-1990s". The x-axis is labeled "Age group" and ranges from 0 to 75+ in increments of 5. The y-axis is labeled "Percentage of total population" and ranges from 0 to 100 in increments of 10. There are four data series representing different decades: 1970s (solid line with circles), 1980s (dashed line with squares), 1990s (dotted line with triangles), and 2000s (dash-dot line with diamonds). The 1970s series starts at ~15% for age 0, peaks at ~25% for age 15, and then generally declines to ~10% for age 75+. The 1980s series follows a similar pattern but with slightly lower percentages in the 15-45 range and higher percentages in the 65+ range. The 1990s series shows a more pronounced increase in the 65+ age group, reaching ~28%. The 2000s series is not fully plotted but shows a sharp increase in the 65+ age group to ~35%.

Rules 137 through 142 renumber as rules 134 through 139.

Recommendations:

We concur with the Committee on Annual Conference Structure that every effort should be made to hold meetings of boards, committees, commissions, agencies, etc. on weekends in order to increase attendance of our laity, especially our youth and ethnic minorities. (The Committee on Standing Rules will develop an instrument to be sent to every board, agency, council, committee and commission of the Annual Conference in order to monitor meeting schedules and attendance. It will report its findings to the 1983 Annual Conference together with any proposed rules thought necessary.)

For the same reasons, we further recommend to the Bishop that every effort be made to hold Annual Conference over the weekend, beginning on Thursday evening or sooner if necessary and concluding on Sunday with a worship service. This would:

1. Allow lay persons to attend the entire conference with fewer working days lost.
2. Allow ministers who are moving to have only one Sunday in the pulpit after Annual Conference before moving.
3. Give our lay speakers, who are at present underemployed, the opportunity to fill every pulpit in our conference on the Sunday of Annual Conference. This would affirm our confidence in the laity of our Annual Conference.

TRUSTEES OF THE ANNUAL CONFERENCE

The Board of Trustees of the South Carolina Conference met three times during the year. At these meetings, the body sought to fulfill with diligence the responsibilities assigned to it in the *Book of Discipline*.

A complete accounting of the fiscal transactions and holdings of this Board is available in the office of the Conference Treasurer.

The goals of the Trustees for the 1982 church year will include among others:

1. The identification of all funds held by the Board for publication in the 1982 report to the Annual Conference.
2. A diligent search to locate all abandoned church properties within the bounds of the conference and a listing of the same.

Spencer Robinson, Chairperson
Board of Trustees
South Carolina Conference

TRUSTEES OF THE BELIN PROPERTY

The Belin Property Trustees have spent 1981 as a year to check out assumptions of the past and set new goals for the future. This has been a very painful and time consuming process. A new Constitution and Bylaws has evolved for organization and a purpose was adopted. During the year we also participated in several missional projects which we felt kept faith with the "spirit" of our benefactors will.

The provisions of the Will are, that the property named herein is to remain as my Estate forever, and only the proceeds or profits arising from the same, to be appropriated for the benefit of Missions, and the Waccamaw Neck Mission in particular. That is to say the support of the last named mission is first to be provided for in cooperation with the contributions made in such case by the friends of said Mission.

We helped the Brookgreen Charge secure a lot for their new parsonage by participating with them in the legal process and paying for the fees and the land. We lent the Belin Church monies, at a favorable rate of interest, to pay for a seawall in their church and parsonage. We also assisted a family step by step through the process of getting water when their well was contaminated with surface seepage. A donation of \$250.00 was given to the area Rescue Squad to help purchase new equipment. Start up monies (\$2,434.67) were given to a committee of the Conference Council on Ministries to investigate, plan and begin an Annual Conference retreat in the area.

The Trustees of the James L. Belin Property hold in trust 83.1 acres more or less in Georgetown County and manage funds from the income of that trust. The following is a summary of that management from January 1, 1981 to December 31, 1981.

TRUSTEES OF THE UNITED METHODIST CENTER

The construction of the United Methodist Center is a result of a cooperative effort on behalf of the officers and agencies of the Annual Conference. Our Board of Trustees met following the Annual Conference session in 1981.

We discovered that a considerable amount of time and effort had already gone into the building of the new conference center. The location for the new center had already been determined. The land had been purchased. Arrangements had been made to purchase adjoining property which would be needed for parking. The Building Committee had been elected. The services of an architect had been secured. The agencies of the Annual Conference had been contacted and their needs for space determined. The architect had prepared the drawings in response to the needs of the agencies of the Annual Conference and the preparatory work for letting the contract had been done.

As soon as the Board of Trustees was organized, it was necessary to confirm the action that had already been done and proceed to establish the Board in terms of the laws of the State of S. C.

Financing the construction of the building became the next order of business. As a result of the excellent cooperation of the Board of Trustees of the United Methodist Advocate, arrangements were made to secure funds for the completion of the project.

Groundbreaking ceremony for the center was held on Sunday, Nov. 22 with excellent participation by the officials, the boards and the agencies.

There are numerous persons who deserve recognition and the Board acknowledges the unselfishness of the efforts of those persons. Our special thanks to Rev. Ted E. Morton, Jr., chairperson Board of Trustees of the United Methodist Advocate; Mr. Maryneal Jones, editor of the Advocate; our Bishop, Roy C. Clark; Rev. Thomas N. Brittain, chairman of the Building Committee; Rev. Harry R. Mayes, who did so much of the initial groundwork for the new center; and Mr. Rudolph C. Barnes, the Annual Conference Chancellor who has provided excellent legal counsel for our Board of Trustees.

ADDENDUM NO. 1 TRUSTEES OF THE UNITED METHODIST CENTER

Building Committee of the United Methodist Center

The Building of the United Methodist Center has progressed very nicely. We should be ready for occupancy sometime in October. As I have worked with the Building Committee and the Center's Board of Trustees, it has been a very pleasant experience.

First We have had few change orders. We tried to work with each agency housed in the Center during our formation stages. The change orders have totaled \$2,824.00.

Second The actual overrun of total costs for the building is \$3,101.87. This means we actually overran the total costs of available funds by \$277.87.

Third \$20,000 was approved last year for the building, but direction as to where the Trustees would get this money was not given.

Fourth We need to decide on this \$20,000 plus the \$3,101.87 over-run. As Chairperson of the Building Committee, charged with responsibility of completion of this Methodist Center, I recommend that the Conference make these funds available from the Permanent Reserve Fund.

THE COMMITTEE ON THE ANNUAL CONFERENCE

The Committee on the Annual Conference met on October 14, 1981, to review the results of its planning for the 1981 Conference Session and to make plans for the 1982 Session. Across the past several years this Committee has seen the scope of its work increase and the individual members of the Committee have sought to be good stewards of the trust imposed in them by the Annual Conference.

A careful analysis of the "evaluation form" distributed at the 1981 Conference was completed, and a serious attempt has been made to translate helpful suggestions and ideas into actual plan. For example, we are attempting this year to use the worship hour for as much of the Conference's work as possible. It is the feeling of the committee that an atmosphere of worship can contribute to our overall task of "being in the Father's business" and of catching a vision of what the Church must do in the years ahead. Insofar as possible, we want to turn from dwelling in the past and look to what we must become in the future.

We have planned some changes in some of the special services. For example, the evening worship will be devoted entirely to the Service of Holy Communion; we have placed the Conference Memorial Service in the context of a special "Celebration of Ministry" in which we receive new members, recognize those retiring, announce present appointments, and remember those who have died in the faith. There is a continuum in human life and ministry and we want to affirm it!

We have planned the Ordination Service for the Memorial Auditorium, again in order to provide a more spacious setting. We urge every member of the Conference; and especially from throughout the Spartanburg Area, to fill the auditorium as we share in this special and historic service that marks the entry of ministerial candidates as Deacons and Elders of the Church. We have planned the Service of Consecration for the Annual Ministers in a way that we trust will highlight the specialized ministries of the Church.

Following on the superb beginning made last year when Dr. John Wesley Curry returned the "Historical Address" with his "No Balconies in Heaven," our program will emphasize our heritage as Dr. A. V. Huff, Jr. reminds us of "The Beginning of Methodism in South Carolina—The People's Church."

We believe that we are making some progress in moving our Annual Conference away from the mundane to the meaningful, from a sense of dealing only with the details to the excitement of sounding a triumphant note. We want to refurbish both the year and the events of the Annual Conference Session, and we seek your prayerful support, your suggestions, and your cooperation in this undertaking.

THE COMMITTEE ON THE ANNUAL CONFERENCE

RECOMMENDATIONS

Your Committee on the Annual Conference has discussed at some length the location of the site for our Annual Conference Sessions. Spartanburg has been the site of the Sessions continuously since 1972, and Spartanburg was the expressed preference of the majority of those who completed the survey instrument distributed at the 1981 Session. We will continue to give this matter study and will be prepared at the 1983 Session to bring a recommendation for the years beyond 1984. In the meanwhile, we make these recommendations for 1983 and 1984:

1. The Committee on the Annual Conference has received an invitation from Main Street United Methodist Church, Columbia, to hold the 1983 Session of the South Carolina Conference in Columbia. The Conference Sessions would be held in Columbia Memorial Auditorium, which has recently been renovated and refurbished; Main Street Church would serve as Host Church. The Committee recommends the acceptance of this invitation. (Editor's note: The Conference voted to return to Spartanburg for 1983.)

2. The Committee has received an invitation from Central United Methodist Church and Wofford College, Spartanburg, to hold the 1984 Conference Session in Spartanburg, with the Church and the College serving as Hosts. We recommend the invitation be accepted.

TRUSTEES OF THE SOUTH CAROLINA UNITED METHODIST ADVOCATE

REPORT NO. 1

The closing months of 1981 and the first half of 1982 have been a time of significant change in the life of your Conference newspaper, THE SOUTH CAROLINA UNITED METHODIST ADVOCATE. As 1981 ended, THE ADVOCATE installed new "Composographic" type-setting equipment to give it the capability of preparing camera-ready copy. After several months of training on the new equipment, the Staff of THE ADVOCATE was ready by the first of the year to begin producing camera-ready copy for the first time. Having contracted with a new printer (Bruner Publishing Company of Columbia), THE ADVOCATE rolled from the presses in January 1982 with timely news content, a new look typographically, and a computerized mailing list that offered for the first time many of the sort select capabilities needed for modern newspaper circulation. All of that was good news!

Bad news came close on the heels of the good news and the excitement that had been experienced by the Staff, the Trustees, and THE ADVOCATE's readership. In January 1982 THE ADVOCATE (along with all other publications that mail under Second Class privileges) was notified by the Postal Service that the cost of mailing the paper would be increasing immediately by some 153%! The budgeted expense for mailing THE ADVOCATE 46 times per year had increased overnight from \$38,000 to \$58,000. The Congress voted in late December to eliminate a planned 16 year phased-in decrease in Second Class postal subsidies; postal charges increased dramatically from the 11th year subsidized level to the full-cost, no-subsidy level that had been planned for the 16th year of the transition period. The immediate cash-flow problem produced by the unanticipated increase in the postage bill was met through the use of investment income, forestalling the need to increase subscription charges or to reduce the publication schedule (as many papers had to do); however, the long-term problem of this increased cost must yet be faced.

The Trustees of THE ADVOCATE continue to affirm their faith in the viability of our Conference paper: South Carolina Methodism needs the Conference-wide communications news service which THE ADVOCATE alone can provide, and we are committed fully to meeting that need. We have a superb Staff in the persons of Maryneal Jones, Editor; Marianne Ashmore, Assistant Editor; Patricia Waller, Circulation Manager; Shirley Knowlton, Clerical Assistant; Typesetter; Annette Earles, Bookkeeper; and Hankerson, Courier. There is no Church publication anywhere with a finer team and service!

While we have made a good beginning in addressing some of the Conference paper's problems, none of us are so bold as to claim that we have solved all of the problems. THE ADVOCATE is a small weekly newspaper; usually it contains only eight (8) pages in "tabloid" format, but from time to time we can afford the increased expense of producing twelve (12) pages. Size limits the amount of news that can be published in the several categories of our readers' wide-ranging interests (local Church, Conference, regional, national and world news); it also limits the amount of advertising we can sell. Circulation (which is good, but still quite limited) fixes the income from subscriptions and income from advertising rates, and this in turn limits the size of the paper. A vicious cycle for any publication that wants both to serve and to survive!

We have shared this information with you because we believe that it is important for you to know the kind of "behind-the-scenes" concerns that your ADVOCATE Trustees have. We sincerely believe that our Conference needs THE ADVOCATE and there is no doubt in our minds about THE ADVOCATE needing the support of the Conference as readers, as contributors, and for financial undergirding. Please read and care the remaining part of our Report.

REPORT NO. 2

ADVOCATE FINANCES

Copies of our Report of Audit (prepared by Derrick, Stubbs and Smith, Certified CPAs), for the Fiscal Year Ended December 31, 1981, have been filed with the Council on Finance and Administration. This Report is also on file in the offices of THE ADVOCATE for any of our United Methodist constituency to examine. THE ADVOCATE closed 1981 with income exceeding expenses, as a result of a good return on invested funds.

In the 1982 Fiscal Year, and as we look ahead to 1983, however, THE ADVOCATE is faced with an operating deficit. The 1982 Operating Budget forecasts income of \$241,000 and expenses of \$261,000, a deficit of \$20,000. This deficit is due to the

the aforementioned sharp increase in postage charges, and the anticipated loss of investment income that results from the \$350,000 reduction of the investments of THE ADVOCATE as \$350,000 in assets is turned over to the Conference for a 10-year, interest-free loan for construction costs related to the new United Methodist Center.

To address the present deficit and future anticipated financial needs of THE ADVOCATE, the Trustees have asked the Council on Finance and Administration to provide a subsidy for THE ADVOCATE in the amount of \$60,000 for 1983; details are given in the "Recommendations" which follow. We believe that our requests are reasonable when you compare what other Annual Conferences do in this regard for the remaining independent (that is, non-UNITED METHODIST REPORTER) Conference newspapers. Please note this:

Conference	Circulation	Type Paper	1982 Conference Subsidy
South Carolina	22,300	Weekly; no Conference news service provided	100% of \$46,000
Georgia	20,000	Bi-weekly; half-tab size; news service	100% of \$50,000
Mississippi	19,600	Bi-weekly; no Conference news service provided	100% of \$32,781
Alabama	10,000	Weekly; issued as a CCOM publication	\$ 90,000
South Carolina	25,000	Weekly; Conference news service provided	Approximately 82% of the budgeted asking is paid; \$ 35,000 is budgeted for 1982 ADVOCATE operational subsidy and \$ 7,000 is budgeted to pay for Conference news service costs.

any way that you wish to measure it, your SOUTH CAROLINA UNITED METHODIST ADVOCATE is providing greater outreach with less subsidy than any of the other Conference ADVOCATES.

Many of our readers perhaps do not realize that THE ADVOCATE'S subscription rates fall far short of paying the cost of producing the paper. Subscription charges range from \$4.50 per year for the All-Family Plan to \$6.00 per year for an Individual subscription, with production expenses of approximately \$220,000 for the 25,000 copies. The true cost of each subscription is almost \$9.00. Thus, if our 1983 request to the Council on Finance and Administration is approved, it would provide a little over \$1.00 per subscription as a subsidy if it were paid in full (and we do not anticipate that it would be paid in full).

At the moment, ADVOCATE Trustees are endeavoring to "hold the line" on the subscription schedule of charges. We do not know how long we can continue to do so, but it is our desire to keep the costs of the paper at an affordable level for our subscribers and for those Churches which opt for the All-Family and Church subscription plans. We have asked the Council on Finance and Administration to "line item" the "line item" approach to funding subscriptions. As has been noted in the past, THE ADVOCATE some time ago, the "line item" seemed highly desirable as a way of sending THE ADVOCATE to every United Methodist family in South Carolina. But it simply did not work out as it was originally conceived: there was no "line item" entering the "line item" in the Conference budget as an identifiable item, and it was determined to make it an "optional" matter with each local Church; the effort served to confuse the issue, and the "line item" never blossomed as an item of effort on the part of the Conference and the local Churches. In addition, there was some concern expressed for the "ballooning" effect on the Conference Budget of the "line item" in an ever-growing budget.

Years have demonstrated that not including the "line item" as an identifiable item in the Conference Budget has produced circulatory frustration for THE ADVOCATE in the understanding on the part of many pastors and congregations. The "line item" did serve the purpose of giving THE ADVOCATE a wider exposure than it otherwise have enjoyed, so we cannot say that the attempt has completely failed. However, we have concluded that everyone's best interest will be served by

recognizing that an "optional option" like the "line item" can no longer be viewed as a productive approach to ADVOCATE funding and circulation problems.

RESPECTFULLY SUBMITTED,

VAN B. THOMAS, JR., Chairman
WILEY B. COOPER, Secretary

REPORT NO. 3

RECOMMENDATIONS

1. The Board of Trustees of THE ADVOCATE has requested the Council on Finance and Administration to delete the "line item" mechanism of subscription funding as an optional way for local Churches to subscribe for their members, with the understanding that THE ADVOCATE will honor all subscriptions presently in force under this plan, and that no new subscriptions are to be entered through the "line item" device. We, the Conference to support this request.

2. We recommend (and respectfully request) that the Conference give its endorsement to THE ADVOCATE as our official Conference newspaper, urging each pastor, each local Church and each United Methodist to become a regular reader by subscribing individually or through the All-Family or Church Leaders subscription plans.

RESPECTFULLY SUBMITTED,

VAN B. THOMAS, JR., Chairman
WILEY B. COOPER, Secretary

CHRISTIAN ACTION COUNCIL REPORT, 1981-1982

1. The Christian Action Council is now encouraging Methodist and other churches in South Carolina to look forward to 1983 as its **Fiftieth Anniversary** year.

In that year the Council intends to develop numerous ways in which the member denominations can together celebrate its one-half century of work as a part of the Christian enterprise in this state. It is anticipated that it will be an occasion for memory and gratitude because of its past, a time for hard thinking about its present work with the churches and for the "common good," and the opportunity to think and hope and plan for its future contributions.

2. Since the 1950's, it is appropriate to remember, the Council has developed in significant ways—both in response to racial and other social changes in its environment and especially in response to the clarification of its own identity as a movement of and for Christ and churches in South Carolina.

Based on two special "planning for the future" reports in the past fifteen years, the Council is now very clear about...

—its **mission**: to be a movement sensitizing the churches and society to the spirit of Christ, and to serve the churches of the state as an instrument to encourage and enable (a) a sense of Oneness and Cooperation in their relationships with each other, and (b) a responsible and constructive witness in the arena of public affairs, as well as being a "model" for such ecumenism and social concern;

—its **foundation**: as based in the Judaic-Christian history of our common Faith, with its strong affirmation of love and responsibility for "neighbor";

—its **method** as a "source" of information and ideas to denominations and organizations, an "enabler" in their implementations, and an "actor" in the public sphere to interpret and support their fulfillment in needed changes, especially those related to the quality-of-life in the state;

—its **support**—which must come primarily from the judicatories and churches in leadership and in funds.

Historically, in South Carolina, it is generally recognized that the churches have been "strong" in establishing educational and welfare institutions and making certain contributions to society. However, the denominations have been "very weak" in the fundamental marks of the Church—namely, their "love for one another" and their "concern for neighbor." The Christian Action Council stands in these gaps. It is therefore, essential for the life of the Church in South Carolina that this agency (and with similar purposes) be supported and strengthened that the churches may be helped to become a more "faithful witness" to Jesus Christ.

A number of especially significant conferences and programs have been held since the 1981 session of this Conference. A list of them, and comments about them, follows:

Christian Action Workshop: on October 3 representatives from some eight denominations met, heard two addresses by Dr. Carl F. W. Ficken of the Lutheran Theological Southern Seminary, and discussed ways in which more effective cooperation by church groups could be developed for education awareness on public issues. This same topic was emphasized in the "Network for Christian Influence" workshop at the Legislative Seminar (see below) and some important "next steps" were recommended.

Annual Meeting: for the first time the annual session (Dec. 10) was held in a Black church setting (Trinity U. Methodist Church and S. C. State College) in Orangeburg. Topics related to education, both Public Schools and the Desegregation Report and impact on higher education, provided the program emphasis for the day.

Nuclear Seminar: on January 11 over 80 participants met in Aiken to consider the "Clear Presence in South Carolina," a special seminar co-sponsored by the Conference Board of Church & Society. The program included a tour and discussions at the Savannah River Plant, critique of Nuclear Energy by Dr. John Ruoff of the Palmetto College and of Nuclear Weapons and War by Dr. Albert Blackwell of Furman University, and the dinner address by Congressman Butler Derrick which especially focused on the Nuclear-Waste Concern of South Carolina. The planning was initiated and chaired by Rev. John Culp of Aiken.

Young Pastors' Seminar: an ecumenical group of six South Carolina "young pastors," including four U. Methodists, participated in this program (with eleven from other states) at Lake Junaluska (Feb. 1-4) under Dr. Mark Rouch's leadership. The Methodist pastors were John Hipp, Michael Bruce, John Holler, and David Nichols.

Legislative Seminar: "Church and State: Allies in Meeting Human Needs" was the theme for this annual citizenship conference. Pastor Charles Easley (Mt. Tabor, West Columbia) chaired the planning that resulted in a program called especially "practical and helpful" by the more than 100 who attended.

Intercollegiate Seminar on Legislation and Government: this annual program brought college students and faculty to Columbia to visit and talk with legislators and church leaders about current legislative and political issues, and to discuss ways in which churches can relate to public issues in responsible and constructive ways.

The two addresses by Dr. Carl Ficken (which focus on the Church's nature and social involvement) and the one by Dr. Albert Blackwell (re: Nuclear Weapons and War) have been reproduced as "Christian Action Addresses," as will be Dr. Carl Ficken's address at the Intercollegiate Seminar on "Creationism: a Case-Study in Church-State Relations."

Several conferences are planned before the next conference and are listed below. Several others are in process of being planned, including the third "Women-in-the-Church" Conference and several 50th Anniversary Events:

Annual Meeting: Columbia, Dec. 9

Young Pastors' Seminar: Lake Junaluska, Jan. 30-Feb. 3, 1983 (probable)

Legislative Seminar: Trinity Cathedral, Columbia, Feb. 8, 1983

Intercollegiate Seminar on Legislation and Government, Columbia, early April

As anticipated is a special day-long event on "Orientation for Ministry in South Carolina." New communication media have been started this year. One is the bi-monthly newsletter to Council members and the denominational leadership, edited by Coordinator Zack Weston of the Division of Promotion and Publications. The other is the **WOMEN'S** Continuing Education Opportunities for Clergy in S.C. This is a project of the Division of Continuing Education, and is being edited by Rev. George S. Duffie, Executive Minister. I would here express by special appreciation to the Council and Mrs. Woollen and Mrs. Ballentine, its leaders and many United Methodist pastors for their work and support while I was hospitalized and recuperating from a heart attack last summer. I am pleased to be on "this side of Jordan" and to be doing quite satisfactorily. The prayers and messages and evidences of support have been a real experience of joy.

As the Council approaches its 50th Anniversary, we again recognize and express appreciation to South Carolina Methodists for their part in organizing and supporting this organization. This will no doubt be emphasized in the brief history which Dr. R. S. Spears (a former president of the Council) is preparing.

We especially request that the Conference, its leaders and pastors and members, give thought and energy and ideas to making the Council's Golden Anniversary year significant one for the Christian mission and enterprise in South Carolina.

The United Methodist denominational representative on the Council's Executive Board is Rev. Lemuel C. Carter. Also serving on that Board are Rev. Frank J. Griffin, Jr., a vice president; Rev. Gene Norris, coordinator of the Citizenship & Public Affairs Division; Wiley Cooper, coordinator of the Finance Division; and Rev. Diane Mosier, coordinator of the Program Development Division.

Others serving on the House of Delegates include Rev. Porter Anderson, Rev. D. Britt, Rev. Melvin E. Calvert, Rev. Dr. Ralph A. Cannon, Bishop Roy C. Clark, Rev. Raymond T. Gibson, Rev. Jane D. Hall, Rev. Dr. James Hunter, III, Rhett Jackson, Rev. Charles L. Johnson, Rev. I. D. Newman and Mrs. Carol Watson.

THE SOUTH CAROLINA UNITED METHODIST FOUNDATION

The South Carolina United Methodist Foundation was established in 1979 by seven South Carolina United Methodist institutions: Epworth Children's Home, Child College, Columbia College, Spartanburg Methodist College, Wofford College, Greenville Methodist Home, The Methodist Home (Orangeburg). It has been funded by these institutions and not by the Annual Conference. By the end of this year we expect the Foundation to become self-sustaining. Distributions to the member institutions will begin as soon as possible thereafter. Only the income from invested funds will be disbursed.

Baptist and Presbyterian Foundations, as well as Methodist Foundations in other Conferences, have demonstrated their ability to receive gifts and bequests and to use significant income through investments. Our Investments Committee is made up of professionals with vast experience. We are very fortunate in this. Our ability to distribute earnings will obviously depend upon our rate of growth and development.

In addition to providing an instrument for earned income, the Foundation provides United Methodists of South Carolina a vehicle through which we may contribute to the needs of children, youth, and older adults—children who are the victims of circumstances beyond their control; youth who need the educational opportunities provided by our four colleges; and older adults who need the care of our two homes for the elderly. Many Methodists do not appreciate the importance of our institutions. We have outstanding institutions. They serve vital needs and they represent the Church in the service to the world.

Now in our third year, we are pleased to see response to the Foundation accounts as more South Carolina United Methodists learn about it. A year ago we reported twenty-five known bequests and assets of \$220,000. The number of bequests has continued to grow steadily and our assets have passed \$500,000. This includes real estate. We are working toward our first \$1,000,000. A dedicated Board of Trustees continues to give outstanding service, as do our Foundation Associates.

Our major thrust is to encourage deferred giving through bequests written into Wills, both to the seven member institutions in the Foundation and to individual institutions. There are of course other ways to make a deferred gift.

Thousands of United Methodists in South Carolina do not have a Will or have one that is woefully out of date. Everyone should have a Will that represents one's wishes of today. We encourage all of our people who love the church and care about its institutions to consider a bequest to the Foundation, as well as bequests to individual institutions.

There are also those persons who can contribute during their lifetime. Such persons are more valuable than a deferred gift to the Foundation and have tax advantages for the donor. Charitable gifts earn tax deductions. And there is no capital gain tax on appreciated assets.

We have these convictions:

1. Our institutions have proven themselves worthy of our best support.
2. These institutions have real financial needs, among them the urgent need for more adequate endowment. Each institution has its own list of needs.
3. The Foundation is a viable vehicle with great potential for helping meet these needs.

- | | |
|------------------------------|--|
| Salary..... | \$ 28,000.00 |
| Social Security..... | \$ 1,599.00 |
| Ave. in-district travel..... | \$ 2,200.00 (From District Administration) |
| Insurance..... | \$ 600.00 |
| Total..... | \$ 32,399.00 |
- This compares with 1982 as follows:
- | | |
|------------------------------|--|
| Salary..... | \$ 25,218.00 |
| Social Security..... | \$ 1,515.00 |
| Ave. in-district travel..... | \$ 2,000.00 (From District Administration) |
| Total..... | \$ 28,733.00 |
- B. The Council on Finance and Administration of the South Carolina Annual Conference, The United Methodist Church, hereby designates up to 15% of the (\$4,200.00) of the district superintendent's salary for the year 1983 as allocated for parsonage utilities and maintenance, not including maid service and such expenses as paid by the district. Effective July 1, 1982 \$600.00 of the annual salary of the District Superintendent is designated for payment of insurance premium.
- C. Each District Board of Trustees shall elect a treasurer from the elected trustees of said district. The treasurer of the Board of Trustees shall administer all funds of the District Parsonage, writing all vouchers only for parsonage payments and for insurance and furnishings and not to include any utility payments. The treasurer shall also be responsible for the payment of the District Superintendent's salary. The expenses of an incoming district superintendent may also be paid from the District Parsonage Fund, not to include more than \$50 packing expenses. The treasurer shall report to his board all receipts and expenditures of the District Parsonage Fund.
- D. Below are the percentages of average net funds that each church is asked to contribute to its respective District Parsonage Fund:

District	Percentage	Amount to be raised for 1983	Approved for 1982
Anderson.....	0.3117 %	\$ 6,000.00	\$6,000

Anders.....	0.3280 %	\$ 6,000.00	\$5,500.00

Travel In-District.....	\$ 3,000.00
Out-of-District Expense.....	\$ 3,500.00
District Program.....	\$ 4,400.00
Insurance & Pensions.....	\$ 3,954.80
Continuing Education.....	\$ 300.00
Total.....	\$26,154.80

Recognizing that different conditions exist in the several districts, the District Committee on District Superintendency may adjust the above figures within the total district budget, but in no case may the total district expenditures for any one district exceed \$26,154.80 from the District Administration Fund.

The unused portion of the Continuing Education allowance may be carried forward from year to year during a district superintendent's tenure, but is cancelled in full when a district superintendent leaves the superintendency. It does not carry forward to the new district superintendent. However, by application to CF&A in advance of leaving the superintendency, the district superintendent may within a reasonable length of time use the unused portion of his Continuing Education allowance to take training which would assist him in his return to the parish ministry.

REPORT NO. IV

Call attention to the "Special Days" designated by the Book of Discipline and recommend that they be observed with appropriate special offerings and that the following special observances be a part of the program of each local church:

- Epworth Children's Home
- Mother's Day - free-will offering - May 8, 1983
- Work Day - free-will offering - September 18, 1983
- Church School offering first Sunday each month
- Golden Cross - free-will offering - May 1, 1983
- Missions in South Carolina - December 11, 1983
- Alaska Advancement Fund - 50¢ per member per year

Offer the following special recommendations:

- We recommend that the District Superintendents and the District Boards of Parsonage be allowed to make adjustments in the apportioned salary items (Episcopal Fund, District Superintendents' Salary Fund, Equitable Salary Fund, Pension Fund and Conference Insurance Fund) and in World Service and Conference Benevolences. However, no change in the district totals may be made.
- All boards, commissions and committees receiving funds from the conference treasurer shall submit with each voucher adequate supporting data.
- Boards, agencies and conference institutions which are allowed to withdraw lump sums from the conference treasury shall submit an annual audit by a certified public accountant to the Council on Finance and Administration.
- It is the recommendation of the Council on Finance and Administration that all boards, commissions and agencies of the conference pay a standard rate of 20¢ a mile when a representative travels on church business. In order to encourage car pooling, we recommend that if a car contains two persons traveling on church business that the mileage rate be increased to 25¢, that if the car contains three persons traveling on church business the rate be 28¢ and that if the car contains four or more persons all traveling on church business the rate be 30¢ per mile. We recommend that other expenses of travel on church

- business be paid; however, that the maximum paid to such a person for meals shall be \$2.50 for breakfast, \$3.50 for lunch and \$4.50 for the evening meal.
5. We recommend that all churches pay an amount equal to one-half of the Social Security cost of the pastor or pastors of the charge; and that the church place in its budget an amount of at least \$400 per year to be used by the pastor as a continuing education fund, and that if the full amount is not used in a given year the unused portion be allowed to accrue during the tenure of that pastor, but not the Wesley to accrue for the benefit of a subsequent pastor.
 6. The balance held by each board, commission or committee or agency of the books of the conference treasurer shall be carried forward from one year to the next and this amount shall be taken into consideration in the subsequent budget request.
 7. We recommend that "average net funds" as used in the calculation of apportionments shall mean for each church the four year average of net funds for the years 1978, 1979, 1980 and 1981. When a church has declined for two years in "net funds" the term "average net funds" shall mean the average of the last two years only.
 8. The calculation of "net funds" for the current year (1982) shall be as in previous years lines 35, 36 and 38 through 42 of Table II, plus the giving of the church to the funds for which the church is given a specified apportionment or assignment.
 9. We recommend that all apportionments be made directly to the churches using as a basis "average net funds" as described above.
 10. The Board of Higher Education and Campus Ministry requests permission to conduct a limited capital funds drive to raise \$225,000 to build an appropriate building to house Foundation activities in Orangeburg. This would involve solicitations from churches, individuals and other sources, but no assessments or goals for the churches would be set. This campaign would begin in 1982. Council on Finance and Administration recommends approval.
 11. Asbury Hills United Methodist Camp wishes to establish a Development Fund for capital improvements. The funding of this proposed account will be accomplished by a capital funds drive or solicitation from the local churches. Council on Finance and Administration recommends approval.
 12. No requests shall be made for the service of the Conference Chancellor except by the Episcopal office.

REPORT NO. V

We recommend that:

1. Each local church or charge assume responsibility for the expenses of its clerical and lay members, consecrated lay workers and deaconesses to the session of Annual Conference.
2. The District Administration Fund be responsible for the expenses of the District Superintendent to the Annual Conference.
3. A per diem of \$20.00 be paid from the Conference Expense Fund to all retired members in attendance at the Annual Conference and who are not serving a charge.
4. A per diem of \$20.00 be paid from the Conference Expense Fund to each ministerial student who is a full time seminary student, and to such other ministerial candidate who may be required to appear at the seat of the conference and who are not serving a pastoral charge.
5. Conference boards, commissions and institutions, as appropriate, should provide for the expenses of their representatives at Annual Conference.
6. The District Administration Fund should be responsible for the expenses of Elder and Young Adult members from the various districts.
7. The Conference Board of Laity assume responsibility for the expenses of District Lay Leaders and Conference United Methodist Women assume responsibility for the expenses of the District Presidents of the United Methodist Women to the session of Annual Conference.

REPORT NO. VI

To implement the resolution approved by the 1981 Annual Conference (page 11 Annual Conference Journal for 1981) concerning the proposed 100% funding of the Conference Council on Ministries program boards and agencies, representatives of the Conference Council on Ministries and the Conference Council on Finance and Administration worked out the following plan.

Establish a Permanent Reserve Fund. (All funds in the Contingency Reserve Fund January 15, 1982, will become a part of this fund. Also due to this fund: Loan and interest from Bishop Clark and loan and interest payments from Conference Treasurer's office, \$99,731.10 and \$44,721.98, respectively.)

Establish a Contingency Fund

Take from the Permanent Reserve Fund \$100,000 to establish a working balance.

All interest from this account plus interest from the Permanent Reserve Fund will be credited to the Contingency Fund on a monthly basis.

Funds from the Administration Fund apportionment for the Contingency Fund will be credited as received.

Funds will be paid to the Conference Council on Ministries and program boards and agencies as needed from Contingency Fund to the limit of availability.

No board or agency shall receive from conference funds more than 100% of the amount budgeted.

On January 15, if Contingency Fund exceeds \$100,000, the overage will be deposited in the Permanent Reserve and become a part of the principal, which shall not be disturbed without approval of the Annual Conference.

THE BOARD OF PENSIONS REPORT NUMBER ONE

(A) The Board of Pensions requests that the South Carolina Annual Conference fix \$168.00 per service year as the rate for annuity payments to retired ministers, which shall include approved supply time prior to admission into full connection. In the case of Special Conference Claimants, the rate shall be 100% of the rate for full conference members. The Board requests that the annuity rate for a spouse be 75% of the minister's salary.

- (1) based on ten years if the approved service years of the spouse are fewer
- (2) for the approved service years of the spouse if the total of approved service is less than fifteen but more than ten years.
- (3) for the minister's total years of service if the service years of the spouse are more than fifteen years.

(B) The Board of Pensions requests that an appropriation be made that will give the Board of Pensions (Pension Fund) \$2,925,313.09 for the program of the South Carolina Annual Conference for the fiscal year ending December 31, 1983, and that the sum be apportioned to the charges of the South Carolina Annual Conference on the basis established in continuing resolutions.

(C) RESOLUTION RELATING TO RENTAL HOUSING ALLOWANCES FOR RETIRED MINISTERS OF THE SOUTH CAROLINA ANNUAL CONFERENCE

WHEREAS, the religious denomination known as The United Methodist Church has and functions through Ministers of the Gospel who are duly ordained or licensed, and

WHEREAS, the practice of The United Methodist Church is to provide a parsonage or a rental allowance as part of the gross compensation for each of its active ordained or licensed ministers; and

WHEREAS, pensions paid to retired ordained or licensed ministers of The United Methodist Church are considered as deferred compensation and are paid to said retired ordained or licensed ministers in consideration of previous, active service; and

WHEREAS, the Internal Revenue Service has recognized that the South Carolina Annual Conference is the appropriate organization to designate a housing allowance for retired ordained or licensed ministers who are members of this Conference;

NOW THEREFORE BE IT RESOLVED:

1. An amount equal to 100% of the pension payments received during the year shall be and is hereby designated as a rental housing allowance for each retired ordained or licensed minister of The United Methodist Church who is a member of the South Carolina Annual Conference at the time of his retirement;
2. The pension payment to which this rental housing allowance applies shall be the pension payment resulting from all service of such retired ordained or licensed minister from all employment by any local church, Annual Conference, institution of The United Methodist Church or of any former denomination, which is now a part of The United Methodist Church, or from any other employment in which the minister was employed to perform services related to the ministry and in which he was elected to make contributions to the pension funds of The United Methodist Church for such retired minister's pension.

The rental housing allowance which may be excluded from a minister's gross income shall be limited to the lesser of (1) the amount of the rental housing allowance designated by the minister's employer or other appropriate body, (2) the amount actually expended by the minister to provide his or her housing, or (3) the legally-determined fair rental value of the parsonage or other housing provided. As specified in Rev. Rul. 71-280, 1971-2 CB 181, "the only amount that will qualify for exclusion under section 107(2) of the Code is the 'rental allowance' is an amount equal to the fair rental value of the home, including furnishings and appurtenances such as a garage, plus the cost of utilities."

We hereby approve any recognized institution of our denomination to which a minister of the South Carolina Annual Conference may be given an Episcopal appointment, or the State of South Carolina, as an institution to which ministers so appointed may receive pension credit, provided that the minister pay his or her annual assessments in an amount equal to 16.4 percent of the Denominational Average Compensation for the year funded, if the institution fails to make such payment.

The institution, organization or district to which a minister is appointed with permanent status pay to the South Carolina Annual Conference Board of Pensions an amount of sixteen and four-tenths percent (16.4%) of the Denominational Average Compensation determined by the General Board of Pensions for the year 1983. Such amount shall be made for each minister so appointed and paid monthly in equal installments during the year 1983 or in advance for monthly crediting in equal installments from deposits made in the Deposit Account of the South Carolina Annual Conference with the General Board of Pensions by the treasurer of the South Carolina Annual Conference. In the event that monthly credits to the minister in his appointment's Church Account exceed the funds deposited for the minister in his appointment, and the Deposit Account is overdrawn, in interest charge made at the prevailing rate of interest credited to the STIRA investment program shall be paid. The interest payment is due the following month with interest charges on a daily basis on the institutional account of the minister in special appointment is current. The salary of the Board of Pensions shall be the same as that of the South Carolina Annual Conference.

It is requested that the Annual Conference approve the distribution which the Board of Pensions has made to claimants during the year as set forth in detail in our report.

Ministers with episcopal appointment shall report non-ministerial activity to the Board of Pensions prior to December 31, 1982, in order to receive proper annuity service. The form shall be provided by the Board of Pensions.

Respectfully submitted,

Richard F. Murphy, Chairman
Joe H. Sowell, Secretary

REPORT NO. 3

MAJOR MEDICAL INSURANCE BENEFITS

The major medical plan of the Conference Insurance Program provides benefits for reasonable and customary charges incurred by the insured, or a covered dependent, for receiving hospital services, treatments and supplies ordered by a physician. After a \$100 annual deductible, the plan provides for payment of 80% of the first \$2,000.00 of expenses and 100% of all other eligible expenses over \$2,000.00 up to an annual maximum.

Coverage for retired participants is reduced to a lifetime maximum of \$100,000.00 for insured and each eligible dependent.

Other details of the major medical expense plan are contained in the guidebook, "Your Group Insurance Plan".

REPORT NO. 4

MEDICARE BENEFITS

Medicare is a Federal health insurance plan, administered under the Social Security Act, for the benefit of persons 65 years of age or older. The Medicare Program consists of two parts: (a) hospital insurance, designed to pay for physicians' services and related services. Under terms of the Medicare Program, hospital insurance (Part A) is provided for all persons under the plan. The medical insurance (Part B) is an optional insurance for which the insured pays a stated monthly premium.

The Conference Insurance Program is so designed that it provides certain benefits for persons at the point where Medicare coverage terminates, and in addition, makes provision for some benefits not covered by Medicare at all. Therefore, it is required that all persons and or dependent spouses aged 65 or older shall enroll in Medicare Part A and Part B, and, in any event, benefits for enrolling and eligible dependents who have attained age 65 shall be computed as though the enrolling or eligible dependent were enrolled in Medicare Part A and Part B.

As much as the insurance coverage for normally retired ministers and their dependents who have attained age 65 is provided for them by the Conference Insurance Plan, all persons who are or who could be covered by Medicare Part B shall have their benefits computed by the Benefit Reduction method; that is, the insured or dependent age 65 or over should be positive that any hospital he/she incurs which participates in the Medicare program. Our plan does not pay benefits for hospital care or could be paid by Medicare.

For retired enrolling and their eligible dependents as well as participating enrolling and their eligible dependents who have attained age 65 shall have their benefits calculated by the Benefit Reduction approach with the same deductible(s) and the same co-insurance as those enrolling under age 65. This assumes

that the active age 65 and over enrollant and dependent shall be enrolled in Medicare Part A and Part B immediately upon reaching the age of eligibility.
A handbook explaining the provisions of Medicare is available from any district office of the Social Security Administration.

REPORT NO. 5

ADMINISTRATIVE PROCEDURES

Billing: The Office of Ministerial Affairs sends a quarterly statement to everyone enrolled in the Conference Insurance Program. Statements are mailed in January, April, July and October. Although statements are mailed quarterly, payments for premiums may be made on monthly basis. Bank drafts may be used in making premium payments, if desired.

Cancellation of Coverage: It is imperative that each participant in the Conference Insurance Program keep his premium payments current. The Commission on Insurance has instructed the Administrator of Ministerial Affairs to cancel the insurance coverage of any participant who does not pay his premium by the end of the quarter for which he has been billed.

Ministers Serving Special Appointment: For the purpose of proper cost analysis it is required that all Conference Boards and Agencies, served by ministers and others eligible for insurance, pay for the "institutional share" of the insured's premium. The "institutional share" for ministers serving churches is paid through the Commission on Finance and Administration appropriation directed to the Conference Insurance Program. This provision shall apply to the District Superintendents, those serving Methodist colleges and other Methodist institutions and agencies operating under Boards of Trustees, should they elect coverage under the Conference Insurance Program. In every case the full cost of coverage must be paid by the insured, his employer or through the combined payments of the insured and his employer.

Premium Payments: Premium payments shall be made in accordance with the instructions printed on the quarterly "Statement of Account".

Application for Insurance Coverage: Eligibility for enrollment begins with recognition as a probationary member, full-time employment as a lay pastor or student, lay pastor, or as a transfer from another Annual Conference, and so noted in report of the Board of the Ordained Ministry. Enrollment at any other time classes an applicant as a "late entrant". Applications for enrollment in the Conference Insurance Program are available from the Administrator of Ministerial Affairs. If not completed and in the hands of the Administrator within 31 days from the date of eligibility, the applicant will be classed as a "late entrant". It will then be necessary for a health statement to be furnished, and in most instances, a physical examination will be required at the expense of the insured.

Claims Procedure: The cost of medical care continues to rise, therefore, the Office of Ministerial Affairs and The Prudential Insurance Company of America audit every claim with great care. Conference Insurance Program participants can render valuable assistance in the claims process by:

- (1) making certain that they have received all the services for which they are requesting payment.
- (2) supplying the documentation required to validate their claim.
- (3) refraining from asking reimbursement for services clearly excluded under the terms of the insurance program.

Claims must be submitted at least quarterly, but not more often than once a year. The Commission on Insurance is charged with oversight of the group insurance program of the South Carolina Annual Conference, the benefits of which program are outlined in the reports of the Commission submitted to and approved by the Annual Conference. The budget of the Commission on Insurance is approved by the Annual Conference and the Commission is authorized to negotiate and contract with carriers to maintain the level of benefits approved by the Annual Conference for the enrolled participants as defined by the Annual Conference.

REPORT NO. 6

COVERAGE FOR CONFERENCE LAY EMPLOYEES

The Commission on Insurance receives from time to time requests from conference boards and agencies for insurance coverage for lay employees. Accordingly, the Commission has adopted the following policy in this connection:

Conference insurance coverage is available to all employees of the United Methodist Church directly related to the South Carolina Annual Conference and working within the boundaries of the Annual Conference, including diaconal ministers fulfilling the requirements of Paragraphs 302-315 of the 1980 BOOK OF DISCIPLINE and recommended by the Committee on Diaconal Ministry of the South Carolina Annual Conference, provided the insured and the agency concerned bear their full share of the cost of the insurance.

Coverage under the major medical insurance shall be the same as for all other employees covered, and all provisions governing eligibility for the Conference Insurance Program shall apply.

The Insurance Coverage for eligible Conference Lay Employees shall be as follows beginning January 1, 1981:

Under age 60:	\$ 15,000.00
Age 60 but less than age 65:	\$ 13,000.00
Age 65 but less than age 70:	\$ 13,000.00 reduced by 8% at each birthday until the 70th.
Age 70 and over:	\$ 4,000.00 (additional term)
Age 65 and over for those retiring after June 1, 1975:	\$ 5,000.00 (additional term)

REPORT NO. 7

COORDINATION OF BENEFITS

The purpose of health care insurance is to help meet actual expenses. In line with this purpose, the Conference Insurance Program contains a non-profit provision which coordinates our plan with other plans under which an individual is covered so that the total benefits available will not exceed 100% of the allowable expenses. Under this plan, if a dependent, employed spouse is covered by another group plan, application for benefits should first be made under the employee's own policy, then application should be made to the Conference Insurance Program for any additional benefits that may be due.

Adherence to this policy is essential if we are to maintain good benefits under our program at a reasonable cost. A detailed explanation of the "coordination" provision is found in "Your Group Insurance Plan".

REPORT NO. 8

In accordance with Conference Standing Rule 67, the Executive Committee of Ministerial Affairs nominates Delos Corderman as administrator of ministerial affairs. The Commission on Group Insurance elects Delos Corderman as administrator of the Office of Ministerial Affairs with responsibility for administration of the South Carolina Annual Conference Group Insurance Program.

COMMISSION ON GROUP LIFE & HEALTH INSURANCE

The Commission on Insurance makes the following recommendation for the action of the 1982 South Carolina Annual Conference.

That the Council on Finance and Administration apportion to the churches the following amounts for the Conference Insurance Program to be used as follows:

\$ 51,058.37	for administration of the program
\$498,941.63	for the Conference's share of the cost of the insurance program in providing coverage for eligible enrollants of the S. C. Conference

That enrollant premium payments for the period beginning January 1, 1983, through December 31, 1983 be set as follows:

- Categories 1 - 5 of Report Number 1 shall be \$50.00 monthly.
- Premiums for retired ministers 65 and over be fully paid by the Annual Conference except in cases where the spouse is under age 65; in which instance the premium shall be \$25.00 monthly.
- Premiums for the surviving under age 65 spouse will be \$25.00 monthly.
- Premiums for the actuarially retired member under age 65 with dependent shall be \$25.00 monthly.

3. Participants in the Conference Insurance Program shall pay their premiums monthly in advance. All coverage shall be subject to cancellation if payments are not made prior to the end of the quarter for which the insured is billed.

4. Every participant in the Conference Insurance Program shall become familiar with the provisions of the program as outlined in the guidebook, YOUR GROUP INSURANCE PLAN, copies of which are available from the Office of Ministerial Affairs, P. O. Box 11284, Columbia, South Carolina 29211.

THE COMMISSION ON EQUITABLE SALARIES

REPORT NO. 1

Report No. 1 of the Commission on Equitable Salaries is informational in nature. It is intended to create an awareness that the South Carolina Conference, through the commission, extends salary support to churches other than "minimum" salary churches. This conference is providing mission and ministry for the support of pastors who are in

1. Missional Situations

- New Congregations
- Restructured Charge Lines
- Engulfed situations

2. Minimum salary appointments

3. Ethnic Minority Discipleship program (ends in 1984)

4. Cooperative Ministries

The following is a summary of the number of churches receiving support in each of the foregoing categories and the totals granted for each in 1982:

Missional Situations	8 churches	\$ 39,190.00
Minimum Salary	56 Churches charges	167,028.98
Ethnic Minority Discipleship Program	7 charges	3,800.00
Cooperative Ministries	17 ministers	2,404.00
Travel Grants	88	<u>\$212,422.98</u>

Appreciation is expressed to those churches who have raised their local salary support and are not making a request for additional funds from the South Carolina Conference.

Pastors holding every conference relationship (except retired) are eligible for equitable salary support. Receiving funds in 1982 are:

Local pastor	4
Student pastor	11
Probationary	12
Full connection	32
Associate member	5
Total	<u>64</u>

Who are not eligible for equitable salary support?

- Retired supplies
- Part time local pastors
- Pastors on leave of absence
- Associate or assistant pastors
- Pastors not living within the bounds of his/her parish or who are not giving full time service to that charge, except:
 - students pursuing ministerial credentials
 - pastors serving charges that provide no parsonage

COMMISSION ON EQUITABLE SALARIES RECOMMENDATIONS

REPORT NO. 2

Whereas, the DISCIPLINE of 1980, paragraph 935, provides for fixing an Equitable Salary System by the Annual Conference, therefore be it resolved: That the South Carolina Annual Conference fix an equitable salaries system according to the following schedule to become effective on January 1, 1983 and continue until changed by this Annual Conference. Salary changes have been based upon Seventy-two percent (72%) of the average salary for Effective Members of Annual Conference. Other categories are based upon a percentage of the effective ministers calculated figure.

The Commission on Equitable Salaries looking to the future of South Carolina Methodism recommends the following salary scale which will enable all churches to easily ascertain the Equitable Salaries schedule:

- The total equitable compensation for Effective Members of the Annual Conference will be \$14,650.
- The total equitable compensation for Probationary Members - (FULL TIME) - will be \$13,200.
- The total equitable compensation for Probationary Members - (NOT FULL TIME) - will be \$11,000.
- The total equitable compensation for Associate Members will be \$13,200.
- The total equitable compensation for Local Pastors - (FULL TIME) - will be \$11,700.
- The total equitable compensation for Student Local Pastors will be \$10,250.

Social Security
A local charge will be allowed to designate part of the salary compensation as social security. This amount shall not exceed 4.675% of the salary paid by the local charge.

The amount thus designated by the local charge will not be counted in an equitable salary application.

C. Longevity Merit Income

A pastor who has served ably for fifteen (15) or more years in full time service, ten (10) of which have been in the South Carolina Conference, shall receive \$750.00 above the minimum base.

D. The District Superintendent shall recommend the adjusted amounts which must be approved by the Commission on Equitable Salaries before payment can be made. A student pastor is any person who is enrolled in an accredited college or seminary for a degree.

This recommendation from the District Superintendent shall be accompanied by a form provided by the Equitable Salaries Commission and completed by the pastor, the Pastor-Parish Relations Committee and the District Superintendent indicating income from all sources, (any payment by a Local Church toward a minister's Social Security liability up to 50% of that liability will be excluded as income.)

E. Be it resolved that the Annual Conference through its Equitable Salaries Fund shall not pay in excess of thirty-five percent (35%) of the above amounts. The local churches shall be encouraged to pay the other sixty-five percent (65%), but this resolution will not hinder the Board of Missions and Church Extension or other agencies of the church from making appropriations from its discretionary funds. Exception to this resolution will be allowed under the following conditions:

- (a) The church must meet all the requirements of the Equitable Salaries Commission.
- (b) The Administrative Board of the said church must declare in writing to the District Superintendent that the above requirement having been met, it cannot pay the sixty-five percent (65%).
- (c) The District Superintendent and the Cabinet must recommend this exception unanimously.
- (d) **TO BE GRANTED AN EXCEPTION, ALL ABOVE REQUIREMENTS MUST BE MET.**
- (e) Equitable Salaries Funds shall be disbursed monthly, and shall be given only to the pastor involved.

F. Cooperative Parish Ministries

Directors or Coordinators of Cooperative Parish ministries which have been approved by the Board of Missions, and application made by the District Superintendent to the Commission on Equitable Salaries by January 1 preceding the appointment in the year of the same year may be eligible for funds not to exceed \$7,000.00. No pastor shall be eligible to receive funds unless the charge he/she serves agrees in writing to release him/her or these added duties; and no equitable salary grant will be made to a pastor making more than \$17,000. Assistance will decrease by twenty-five percent (25%) each year over four (4) years of the initial request.

G. Missional Situations

Missional situations are when areas—rural, inner city, transitional or engulfed neighborhoods, or areas where new churches are organized, demand an effective ministry but are not capable of providing such ministries without Equitable Salary assistance. To be eligible for assistance the appropriate committee of the Board of Missions must verify that it is indeed a missional situation. Assistance will decrease by twenty-five percent (25%) each year over four (4) years of the initial request with an annual review.

EQUITABLE SALARIES FOR NEWLY SET-UP WORK

Notes:

1. In all cases where a new work is being considered, the District Superintendents shall notify the Commission on Equitable Salaries by January 1 preceding the Annual Conference session that the work is to be effected; providing the projected cost to the Equitable Salary Commission.
2. This schedule applies to pastors who are on trial or in full control and who have had a minimum of four (4) full years of service prior to this appointment.

1st Year:

Note: First full year of church's organization. The Equitable Salary grant will be according to the pastor's category. Special Note: The District Superintendent may apply to the Church Extension Section of the Board of

Missions for a salary that is more in keeping with the amount received by this pastor in his previous appointment.

1st Year: The grant depends on amount received first year. At the beginning of the second year, the newly established church must assume one-fourth of the pastor's salary.

2nd Year: The grant for the third year depends on amount received second year. At the beginning of the third year, the newly established church must assume one-half of the pastor's salary.

3rd Year: The grant for the fourth year depends upon the amount received the third year. At the beginning of the fourth year, the newly established church must assume three-fourths of the pastor's salary.

1. Except where the administrators of this salary schedule feel an extreme case of hardship exists, no salary funds will be granted to a church after the fourth full year.
2. A "new Church" may be interpreted to mean an "engulfed" situation or a relocation project if it is determined to be a church extension responsibility by the Church Extension Section of the Board of Missions. The District Superintendent must provide a substantiating statement from the Conference Board of Missions that the engulfed situation is in reality an engulfed situation.
3. The local church shares of this salary schedule is interpreted to mean - all sources of income from the local church.
4. These figures are minimum and any amount of funds from any source in any guise added to these figures will be subtracted from the Conference support given.
5. In all cases where a newly set-up work is attached to an existing charge, these become charge figures.

If the Bishop and Cabinet find it necessary to make an appointment requiring Equitable compensation supplement beyond the regular schedule, it may be granted upon Cabinet request for a term not to exceed three years in any given situation, and Equitable Salaries shall not pay in excess of thirty-five percent (35%) of total compensation in any instance.

The Equitable Salaries Commission recommends that the balance of the \$60,000 of the Equitable Salaries reserve be designated for salary supplement for Ethnic Minority Local Church Empowerment be extended; that the monies be disbursed over a period ending December 31, 1984, and that no local church or charge receive more than \$800 in any one year, and then only if this amount is matched dollar for dollar, and that the pastors receiving said supplement be in the effective relationship and resident of the church or charge served.

The Commission on Equitable Salaries requests that the South Carolina Conference designate fifteen percent (15%) (or actual expenses) of monies funded by this Commission as parsonage allowance. This request is made to satisfy the requirements of the Internal Revenue Service.

The Commission on Equitable Salaries recommends that two hundred thousand dollars (\$200,000.00) of the funds in the Equitable Salaries account be designated as "reserve", and that it be reported accordingly, as a "reserve". The funds held in "reserve" will be invested.

Travel Grant: The Commission on Equitable Salaries requests that \$25,000 be designated for travel grants to equitable salary recipients. Grants will be made to pastors serving appointments with heavy travel on a formula developed by the Equitable Salary Commission.

The Commission on Equitable Salaries recommends that the equitable salaries for effective members of the Conference (under 15 years) be indexed to the average salary package which includes salary, amount designated for utilities, travel, and amount designated for Social Security of all effective members of the Conference during 1982; and we recommend that it be indexed at seventy-two percent (72%) of the Annual Conference salary of the preceding year and that the resulting number be rounded to the nearest \$50.00.

Continuing Education

The Commission shall provide the difference between what the local charge pays and seventy percent (70%) of the Conference recommendation.

We view our primary task as enabling the local churches to understand and become involved in missional outreach. To carry out this task, we have designed and offered the churches a suggested procedure that will help them to:

- A. Understand the Biblical Basis for mission.
- B. Identify mission opportunities from a local and global perspective; and
- C. Find ways to respond to missional needs

A significant portion of our time is spent working with local chairpersons and interpreting the Outreach program of our church.

We have provided consultative services to many of our churches and leadership in most of the districts in the Conference. We see this grass root participation as essential to the growth of our conference being involved in missional outreach.

We have worked with the Columbia, Greenville and Hartsville Districts, as well as the Union Cluster of the Spartanburg District in sponsoring Mission Saturation Events.

Finally, the Outreach Section of the CCOM is available to assist you in developing your understanding of our missional involvement.

THE BOARD OF CHURCH AND SOCIETY

1. **Peace with Justice:** An October, 1981, meeting of interested church leaders was held to address one of the quadrennial emphases of our denomination, "Peace with Justice". The purpose of the meeting included developing models local churches may use to engage in peacemaking. Out of this meeting a Peace with Justice Conference was planned. The conference was held in February, 1982, with teams from local churches attending. The participants considered available resources, developed a network of trained and informed leaders, and shared ideas for local church action. The hope of the Board of Church and Society is that all churches will determine a program, study or model that would be appropriate to the needs of this congregation.
2. **Native Americans:** The Board of Church and Society recommended support of legislation to give state recognition to three Indian tribes: Pee Dee, Santee and Edisto Natchez Kusso. A letter was written to the Military, Municipal, Medical and Public Affairs Committees expressing the intention of the board to participate in the renewal of national responsibility to Native Americans.
3. **Life Issues Seminars:** Following the pilot Life Issues Seminars held in Greenville last year, three additional events were held in Florence, Columbia and Charleston. Physicians, lawyers, clergy and laity explored issues related to Life Issues — Endings and Beginnings. Continuing Education units were available for the Columbia seminar, through the University of South Carolina.
4. **Equal Rights Amendment:** The board continued monitoring efforts toward ratification of the Equal Rights Amendment and worked with People of Faith, the United Methodist Task Force, and the United Methodist Women for the ERA.
5. **Voting Rights Act:** The board contacted the state's six representatives in Washington and Senators Hollings and Thurmond to urge their support of a strong Voting Rights Act.
6. **Alcohol and Drug Use/Abuse:** The board established a supportive relationship with the South Carolina Committee on Pastoral Care in Alcohol and Drug Use/Abuse. Meetings of the committee are attended by a representative of the board.
7. **Support Ministries:** Support ministries have been funded through the Christian Action Council and the Alston Wilkes Society. A legislative newsletter and legislative luncheon were also provided by contract funds.
8. **Copies of the Social Principles of the United Methodist Church** have been made available to local church members through distribution at Annual Conference and several Job Function Workshops.

The full membership of the South Carolina Board of Church and Society continues to work "to relate the Gospel of Jesus Christ to the members of the church and to the persons and structures of the communities and the world in which they live." Discipline — Para. 1203.

Lemuel Corydon Carter
Vice-Chairperson

THE BOARD OF CHURCH AND SOCIETY RECOMMENDATIONS

1. Because the Gospel makes it clear that Jesus regarded women and men as being of equal worth and because the United Methodist Church in its Social Principles affirms

men and men to be "equal in every aspect of their common life", and because current attitudes toward women in the United States are discriminatory, based on stereotyped ideas of a woman's abilities and proper roles in society, rather than on her actual potential and rights as an individual", the South Carolina Annual Conference supports the creation of a Joint Committee and or Sub-committee of the Literary Committee in the General Assembly to study and propose revisions to equal laws, policies and practices in regard to women.

Because justice for all and the right for all people to participate in the political process are principles espoused by United Methodists as Christian citizens and because reapportionment is a necessary procedure in the democratic system (a procedure which should prevent minorities from being disenfranchised), the South Carolina Annual Conference calls upon the South Carolina General Assembly to change the present method of reapportionment — to wit, before 1990, to set up an independent, non-partisan reapportionment commission, following strict anti-gerrymandering standards.

Because God's will for each individual and the entire human family is "Shalom", a state of wholeness, health, harmony with all of creation, and total well-being, as expressed through God's word in the prophets, the psalmist, Jesus Christ and the apostles; because our work as Christians is mandated by Jesus' teaching to be peacemakers and to feed the hungry, clothe the naked, minister to the stranger, and care for those who are sick and in prison; because the search for new weapons systems must be halted through comprehensive international agreements Be it resolved that the congregations of the South Carolina Annual Conference work to alleviate suffering that is caused by escalated arms race, hunger, unemployment, poverty, and despair, through support of mission specials and other programs of the church; that the South Carolina Annual Conference support the United Nations Special Session on Disarmament (June 7-July 9) with calls to prayer, fasting, and special services of worship by local churches; that the South Carolina Annual Conference urge the United States' support of the United Nations Special Session on Disarmament by sending a letter to the President and Congressional representatives, urging the President to appear before the United Nations at the Special Session to affirm our government's commitment to work for bilateral disarmament agreements; because the United Methodist Church of South Carolina recognizes the need of safe disposal of nuclear waste; because there is great risk involved in transportation of nuclear wastes over long distances; because there is a sizeable amount of such waste stored by South Carolina industries; and because we are against the State of South Carolina being the disposal site for the nuclear waste of the entire nation or world Be it resolved that the members of the South Carolina Annual Conference contact their Congressional representatives to vote for a long term plan which lets each state be responsible for the disposal of its nuclear waste.

Because of the fact that the Haitian refugees are fleeing their country which is ruled with poverty and a government rule of tyranny; because their future is bleak as they face indefinite detention in the U.S.; because there appears to be a double standard toward the Haitians and specific other refugees of the Western Hemisphere; because our government to adopt a policy toward the refugees from Haiti, El Salvador and other Third World countries that does not differ from treatment presently accorded Cubans, Southeast Asians and Eastern European refugees. The board requests that this support be communicated to the Congressional leadership of South Carolina.

Because laws pertaining to arrests on drunken driving charges should be uniformly enforced, without regard to social or economic standing; and because the number of South Carolina highway fatalities needs to be reduced; we recommend that the South Carolina General Assembly ensure that present laws are uniformly enforced for all persons.

Because the South Carolina Conference recognizes the need to support the work of the South Carolina Brown Lung Association and the need to communicate that need to South Carolinians; we recommend that the South Carolina General Assembly pass legislation presently proposed by the South Carolina Brown Lung Association concerning the rights of textile workers who are the victims of this disease.

THE BOARD OF EDUCATION

The primary focus of the Board of Education is in training persons to teach and in the educational program of the local church. The training involves helping persons understand the age level with which they work, developing teaching skills,

learning how to effectively use curriculum resources and becoming involved in the outreach ministry of the church school to increase attendance and enrollment.

Many local leaders of children, youth and adults have been trained through Christian Workers Schools. Others have participated in Lab Schools at Lake Junaluska. A three-phase program of leader development was conducted during the year. School persons who were preparing to become instructors in Christian Workers Schools participated in three weekends of instruction. Certificates were presented upon completion of the three weekends of instruction. This year a program was initiated to develop plans and the course of instruction. These consultants are available to go to local churches and help assess the needs and set goals to develop an educational program in the local church.

Members of the Board of Education have worked faithfully at the task this year. Our offerings to the local church have expanded. The success of our work this year has been due in large part to the very effective leadership of Mr. Fletcher Carter, our staff person related to the Board of Education. The Board continues to serve the churches of South Carolina in their attempt to provide the very best in Christian Education for all children, youth and adults.

THE BOARD OF HEALTH AND WELFARE

As a serving arm of South Carolina United Methodism, the Board of Health and Welfare Ministries has faithfully attempted to provide the helping and healing ministries requested by our Annual Conference. This has been a ministry shared with numerous local congregations across our state. Through their generous support of our Golden Cross, retired ministers' homes, and institutional homes programs, literally hundreds of United Methodists have had their lives touched in significant ways during 1981-82.

During this past year, almost \$16,000.00 has been contributed to Golden Cross. This has enabled the chairperson of this committee, the Reverend George Riser, to provide nursing scholarships in the amount of \$500.00 each and thirteen emergency medical aid grants amounting to over \$4800.00. In addition almost \$10,000.00 will be available for necessary repairs to residences used, rent free, by retired ministers; their widowing spouses; or missionaries. While this is quite a laudable accomplishment, this year's 12% lower than the funds raised in 1980. We would encourage all local churches to actively promote the Golden Cross program so that even more persons may be assisted in the year ahead.

Of the five private dwellings available for retirement homes in South Carolina, four are presently being occupied by ministerial families, while a seminary student is occupying a temporary basis, in a fourth residence. A fifth home, if not soon requested for occupancy, will be sold. Funds received will be used in purchasing an apartment, as a retirement residence, at the Methodist Home: Orangeburg or the Greenwood Methodist Home. One such apartment, for this purpose, is already available at each of these homes. According to the Reverend Clyde Hendrix, chairperson of the retired ministers' committee, extensive maintenance work needs to be undertaken on the homes; local committees, in the various locales where the houses are located, are providing the information on the priority items.

As parent board of the Methodist Home: Orangeburg; the Greenwood Methodist Home; and Epworth Children's Home, we commend the ministries being undertaken at these facilities. Under the very capable leadership of the Reverend James Morton, Jr., and Mr. Charles Hutchins, and their staffs, the persons assigned to have experienced deep Christian care and concern. We take very seriously the task of nominating persons for the Boards of Trust for these Methodist facilities, and the Reverend George Owens, and his committee, have worked diligently to find the best persons available to fill these positions.

In terms of specific programs for 1982, our board, under the leadership of Mrs. Ann Marlowe, program chairperson, will develop a survey for local churches to express needs of persons with handicapping conditions. This will enable us to formulate future programs to minister more effectively to these special people. The Reverend Lee Cothran will structure a disaster response team program throughout our state to react quickly in the event of emergency situations such as hurricanes, floods, or tornadoes.

With the increasing number of federal budget cuts, governmental leaders have urged the Church to take upon herself additional health care and welfare services. Presently, the year before us holds special challenges for the Board of Health and Welfare Ministries. With the assistance of South Carolina United Methodists, we look

forward to the creation of innovative, creative ministries to address contemporary life-affecting issues. This is your conference board; we solicit your continued prayers and support in the days ahead.

Board of Health and Welfare Ministries

EPWORTH CHILDREN'S HOME

Epworth Children's Home is in its 86th year of Christian child care and family services. We are delighted that we can make an encouraging report about the work which the Annual Conference is so vitally interested.

During the year great progress has been made in making Epworth truly a reality-oriented, therapeutic, redemptive community. Evidence of the success of this program can be seen in the fact that many youngsters and families have experienced that people do care. As a result of this caring, change has come about in the lives of those for whom Epworth takes responsibility.

Nineteen eighty-one was one of Epworth's finest years. Approximately 277 children have been served through direct services (24-hour residential group care in 12 cottages, shelter care, foster boarding home care and support to former students who are involved in higher education). An additional 128 children have been assisted in some way through outreach programs, such as family counseling, referral services, short-term crisis intervention, and the Parent Infant Education Program and other mental retardation services. The lives of 405 children and 318 families were affected by the ministry of Epworth during the year.

Many of the children referred to Epworth are abused, neglected and have identified learning disabilities. They are in need of both short-term and long-term care. Providing services for children who have gone through a series of family breakdowns, substance abuse failures and adoption placement disruptions is a difficult task which requires professionally trained and skilled personnel who view their work as an extension of the Church's outreach ministry. Our staff has a keen sense of responsibility to be a part of the best the church can offer.

Services to mentally retarded persons and their families have been well accepted. Much work is done in the Parent Infant Education Project located in the College Park Church adjacent to Columbia College. Columbia College students, through their special Speech and Hearing Department, participate as volunteers and as a part of their practicum in this program. This program stands as a witness to the effectiveness of the cooperative agreement between Epworth Children's Home, a local church and Columbia College. During the year, 66 children and 148 family members were served through Epworth's Mental Retardation Services. Twelve children and 30 family members received regular contacts for the purpose of support and/or counseling. Twenty children and approximately 20 family members were assisted through information and referral to appropriate services. Nineteen eighty-one saw the development of an "Epworth Parents' organization (Epworth Parents of Handicapped Preschoolers), as well as the beginning of a special parent-to-parent support (Parents in Partnership).

Due to the tremendous response to the Down's Syndrome Conference in 1981, we are planning four regional meetings for 1982 and another statewide conference in the Spring of 1983. We are striving to reach every parent of a Down's Syndrome child in South Carolina and now have a mailing list of approximately 400 persons.

Epworth is currently planning to operate a two-week, therapeutic, residential program for mentally retarded school-aged children. The program will be located at Epworth Pines and will be the only residential camp program for retarded children in the Midlands region.

We have now increased the utility of the Shelter Care Program by making it possible for placements to be made at anytime during a 24-hour period when a placement is made—by pastor, lay person or agency—for a child who is at emotional or physical risk. Increasing numbers of referrals seem to indicate that we can expect more placements each year.

We continue to improve the effectiveness of the campus educational program and the relationship to the public school. This year has been probably our most successful school year.

We are always excited because you as members of the Church continue to support, which is vital to the Epworth ministry. Inflation is a culprit which affects the Church attempts and strains the most prudent administration. Continued support through Mother's Day, Work Day and First Sunday offerings continue to be a significant part of the financial undergirding of Epworth. Epworth is still committed

to providing for as many children and as much service as the Church and its supporters can fund.

Each year many groups visit the beautiful Epworth campus, enjoy a meal and tour the facility. We realize that the more Methodist people know about the Epworth ministry, the more excited they will be about what we are doing to relieve the hurts of people who really need our help. Thank you for helping us to share love and concern.

REPORT OF GREENWOOD METHODIST HOME

It is a pleasure to present to the South Carolina Conference this fourteenth annual report on the special ministries to the aging which it helps to provide through the Greenwood Methodist Home. We hope you will give our report, and those of our other health and welfare agencies, a careful reading.

We would like to cast our report briefly in two directions: retrospect and prospect. Let us look first at the year now behind us.

During 1981 our Nursing Center, the Home's skilled care facility, served a total of 102 persons. The capacity of the facility is 102 persons, therefore, we had a total of 39 persons admitted for the first time. Our "Waiting List" currently records the names of 10 persons who have indicated a need for admission or who anticipate a need for admission in the near future. The "wait" is a commentary on the longevity of those we serve, some of whom were admitted when the Nursing Center opened its doors in May, 1967. And we believe it is a commentary on the quality of care the Home affords to those whom it is privileged to minister.

Our "Aldersgate Court" apartments in the "Heritage Hills" Residential Community served 18 persons in its 12 apartment units, all of whom are the original donor residents of the building. We take great pride in these venturesome "pioneers" who helped the Home to launch its retirement services program, and we believe that each of our residents takes great pride in the lovely home they have helped to provide.

Our outreach ministries touched the lives of countless persons during the year. In cooperation with the Greenwood County Council on Aging's "Meals-on-Wheels" program, we served 120 persons during the year with a meal at the noon hour, Monday through Friday each week. A total of 16,444 meals were served, helping the recipients maintain themselves in their own homes. Our 63 American Red Cross Volunteers expended 4,643 hours of service to our Nursing Center patients, helping to bring the world a bit closer to the Home's long-term care patients who are confined by physical and physical disabilities. We touched many other persons who came to the Home for help, who called or wrote for information, and who invited us to visit in their homes and churches to talk about the ministry to older persons.

Long-term care is a costly care, but you helped to meet the needs of a number of persons through the very generous response you made to the "Support Fund" asking. In 1981 we served 25 individuals with financial aid requirements in the Nursing Center; the cost of this care was \$64,201.10. Our patient census for the year included 67 persons who were served through the Medicaid program.

What are the prospects for the year ahead? In the health care area we expect to see continued demand for the kind of nursing care our Nursing Center can provide. But we expect to see significant changes in the way much of that care is provided. For example, the Federal government will likely continue its efforts to reduce the rate of growth in the Medicare and Medicaid programs; as a result, the States will be reducing the rate of growth in services rendered; and many persons will find that it is more difficult to claim benefits under the government-sponsored programs. All of our Homes need the undergirding of the Church in order to minister effectively to those in need.

In the residential services area, we expect to add one new apartment building, "Aldersgate Court," which has been designed to provide 18 apartments (10 with two-bedroom floorplans, 8 with one-bedroom floorplans). A May/June construction start is planned, with a completion occupancy date in the Spring of 1983.

The Home has received a \$200,000 grant from The Self Foundation of Greenwood County in constructing a congregate housing/central activities facility. Plans call for combining the housing component with 48 rooms (private rooms with private baths) for 48 persons; the activities center will house a kitchen, dining room and social space. As the permit and needs direct, the building can be expanded to house ultimately a total

of approximately 150 persons. The first phase of construction will cost an estimated \$1 million, which means that construction cannot start until funds have been raised. It is not anticipated that this building can be started before 1984 or 1985, though the need for it is such that it could be filled tomorrow if it were available!

Let us conclude this report by expressing our sincere gratitude for your part in this special ministry. The response of our Churches to the "Support Fund" asking has been magnificent, and we encourage every local Church to do all that it can to pay this part in full. Without your help, the Homes have no way of being charitable ministries of the Church! We are grateful for your visits; if you have not personally visited The Methodist Home at Orangeburg, or Epworth Children's Home in Columbia, or the Greenwood Methodist Home in Greenwood, you owe it to yourself to visit each Home! You will find a source of satisfaction, yes, pride, in what your Church is doing in these specialized ministries that help to place the Church's arm of compassion around those in need!

REPORT OF THE METHODIST HOME, ORANGEBURG

In this, my final report to our Conference as Executive Director of The Methodist Home, Orangeburg, I want to express appreciation to those who have been my colleagues in ministry in this appointment. A host of people have combined their skills, energies, and means to improve the services of the Home.

First, I would commend to you the Board of Trustees. For the last several years the body has grappled with a series of problems. In that setting, the Board members have taken seriously the magnitude of their task and have worked hard toward the solution of the problems. Their major contribution has probably been the returning of the Home to a firmer financial position. In this area the Trustees have invested funds sufficient to retire the Home's indebtedness, begun an Endowment Fund which currently has a modest balance, and held the cost of operations below the rate of inflation over the several years. With all this, the financial condition still needs much improvement in our attempt to keep service fees low we constantly operate at the edge of a deficit.

The Trustees have also returned the Home to its original purpose: a retirement home with medical services reserved for residents needing those services. Three years ago 61% of our residents were in the medical areas. Of the 341 persons on campus, 36% are in medical areas. This conversion has been gradual and by attrition.

The Trustees have developed a new administrative structure for a more efficient and efficient operation. The prime feature of this structure was the naming of four new department heads. These persons would assume responsibility for specific service areas of the Home. Time will probably prove this to be one of the finest decisions made by the present Board.

Next, a strong word of appreciation needs to be spoken for those who work at The Methodist Home. The Home has 166 full-time and 14 part-time employees. In the analysis, if effective service is to be provided our residents it will be provided by these employees. Emphasis has been placed not only on the quality of work done but also on the spirit in which it is done. Many of our employees feel that their work is a ministry and they take justifiable pride in the services they provide. We try to impress on one another the value of each other's work and its contribution to what we should all seek to accomplish.

Let's talk, too, about our residents and their role in a meaningful ministry at The Methodist Home. Please remember that the majority of our residents have come to spend their retirement years. Ours is in a true sense a community; a small town. It is therefore imperative that residents relate well to each other, to employees, and to the community at large if we are to be a Christian home. As anywhere, our residents have varying levels of ability and willingness to relate meaningfully to others. What a pleasure in the fact that there is a high level of community spirit here and we owe it to our residents who make this a good place to live.

Further, the Churches and people of our Conference have proven themselves to be staunch allies of our Home. The line item in the Conference Budget has been given support and individuals have been very generous with their gifts. Our people recognize that in real ways Epworth Children's Home, the Greenwood Methodist Home and The Methodist Home, Orangeburg are involved in vital ministry. It is to the credit of the Church and her people that they have helped bring these homes into being and that they continue to provide a portion of their support.

Finally, the Board of Trustees is pleased that the Rev. Ernest Heape has accepted its offer to serve as the Home's Executive Director. A tremendous task awaits him and he will need the cooperation, prayers, and assistance of us all.

We have a grand institution in The Methodist Home, Orangeburg. May God inspire and help assure her health through the years.

THE BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

This is the second report to you from our Board as a new quadrennial Board of the Conference. Your Board has been able this past year to achieve a number of milestones. Our accomplishments are due for the most part on your support and endorsement of the Board's goals for the quadrennium. The Board of Higher Education and Campus Ministry on behalf of itself, its colleges, the Wesley Foundations, and the students will benefit from your support thank you.

Recognizing that the '80's will be crisis years for our church institutions, your Board has established a student registry of high school seniors, juniors, and sophomores. All our colleges receive the names and addresses of these prospective students. The Conference has 1,008 churches. At the annual Charge Conference the local chairperson (or Nurture Chairperson) of higher education reports the names and addresses of the students. Our district superintendents mail these reports to us. With the use of Spartanburg Methodist College's computer, we in turn supply the colleges with the names. The response from the colleges and churches has been great! Each year the master listing of students is up-dated. Between now and 1986, there will be a listing of high school graduates in South Carolina of thirteen per cent (13%). Our student registry will greatly assist our colleges in recruitment.

Your Board has, with your help, been able to turn things around concerning the Conference's support of Methodist Student Day. The Southeastern Jurisdiction came from third place to first in 1981 in total receipts for Student Day. Along with Florida and the Virginia Conferences our Conference made historic records. The South Carolina Conference doubled its 1980 offering! From \$6,529.95 to an all time record of \$13,512.11. At Conference our Board will present three \$500.00 scholarships from the ten per cent (10%) we will receive from the Student Day Offering. One church alone in the Conference gave \$500.00.

With the drastic cuts in public funds, (loans, grants, and scholarships), our colleges will be faced with hard times. Your support of the Student Day Offering and observance of Student Day can lift up before our people the serious crisis our schools are in. Student Day materials will be mailed to the churches directly from Nashville as was in 1981.

Our Conference in the '80's will need to zero in on full acceptance and payment of its Senior College Fund. We need our colleges more than ever, so that the Church can provide a balance in a secular society. Our schools are one way to meet this challenge. The Senior College Fund enables our institutions to offer quality and value oriented education. It is only with your support that our schools are able to compete with the supported schools.

It is with the Senior College Fund that we are able to help students by keeping their operating costs down. Our institutions need to be supported and renewed as they seek to serve the church community and society. Our colleges provide meaningful education experiences for its students through its faculty and staff who serve as catalysts in the learning experience. Your Senior College Fund in 1981 was \$536,104.85 (\$507,200 in 1980) and was disbursed thus: Columbia College, \$217,122.47; Wofford, \$217,122.47; Claflin, \$101,859.91.

Every effort must be put forth on the part of the colleges and the churches to support each other. There must be co-ordination and co-operation among our institutions between the colleges and churches. This must be evidenced between all concerned.

Our colleges must put every effort to serve the Conference in providing new facilities and co-operative programs, but leadership. Our colleges fail unless they have new and effective leadership both lay and clerical to meet the needs of the church. Indeed the future of the church may depend upon such co-operation and co-ordination between our colleges and our conference. The new Christian education degree starting at Columbia College is an example of such co-operation and co-ordination.

The spirit of co-ordination and co-operation must "filter down" to the local church as well. Mutuality of support and understanding can have major beneficial consequences

all who are involved. The colleges can provide their resources and expertise in local church programming. And the church can do much in the area of student recruitment, developing positive attitudes toward our schools and in seeing that the support both colleges and for students is made available.

Our Conference has invested in 1981 \$141,284.46 in providing full-time and part-time campus ministers across the state. We have a talented and able staff. Your Board is appreciative of the fine work they are doing. Risher Bradham at Winthrop, George Lee at University of South Carolina, Larry McCutcheon at Claflin State, and Billy Lee at Clemson are a credit to our church! We have part-time ministers serving the Citadel University, College of Charleston, The Citadel, Baptist College, Furman, and Lander. The last two are new additions. More and more the requests for campus ministries come to us. Your acceptance of this item in your local church budget is crucial. We cannot meet these needs without your help.

In closing may I lift up the need of our churches to support the Black College Fund. In 1981 we gave \$84,394.99 (1980 - \$78,859.17). Let's remember our own Claflin College benefits from this fund as do eleven other colleges.

Our institutions will need to be supported and renewed as they seek to serve the church. Methodism has every ethnic group represented. The church colleges are needed more than ever to provide leadership training and development to the ethnic minority communities within Methodism.

The Conference has a great investment in its schools. What better way can we as a church serve the future than by providing a Christian higher education?

A special word of appreciation to the Conference Council on Ministries staff: Mickey Lee, Doris Chambers, and Mildred Oseng for their able service to our Board.

On the following pages you will find the reports of our colleges. Read them with

CLAFLIN COLLEGE

Words of appreciation are expressed to Bishop Roy C. Clark, the ministers and members of the South Carolina Conference for the support given to Claflin College during the conference year. We are proud of our church-relatedness and solicit your continued support for the cause of Christian higher education.

Several events have dominated the academic year of 1981-82, some negative, but in general they were positive. The crisis we are confronting is due largely to the cutback in federal funds. With a small endowment, Claflin College must rely heavily on tuition and fees which comprise a major portion of our current budget. The federal funds available for student's tuition and fees come in three major categories:

1. Basic Equal Opportunity Grant (Pell Grant)
2. National Direct Student Loan (NDSL)
3. Federal Work-Study Aid

There has been a drastic cutback in all categories of federal funding. Those related to academic programs as well as student assistance. We agree with those who say difficult days lie ahead. Your support is needed now like no other time in our history.

The Institutional Self-Study

Eighteen months prior to December 7, 1981, we began the Institutional Self-Study. This is a requirement of our Regional Accrediting Agency, the Southern Association of Colleges and Schools. Strict discipline was exacted upon us. We were required to respond to standards, quantitatively and qualitatively. I am happy to report to the membership of the conference that the accreditation of the College was reaffirmed with commendation from the Committee on Standards.

Endowment

As indicated in previous reports, the endowment of Claflin College is far from being adequate. I am happy to report that we have been able to qualify for participation in the "Person Endowment Plan" a program under the auspices of the United Negro College Fund. This membership will greatly increase the market value of our holdings and the degree of stability to the institution.

The Development Program

We have completed the greater portion of phase one of our long-range planning program which divided into two sections, Phase One and Phase Two.

In addition to the continuous improvement of the Physical Plant the curriculum will be upgraded, new disciplines will be offered to provide our students with wider options.

THE REPORT OF THE PRESIDENT OF COLUMBIA COLLEGE

This report is submitted on behalf of Columbia College to the 1982 Session of the South Carolina Conference with appreciation for the continuing interest and support of the United Methodists of South Carolina.

I am pleased to report that Columbia College began the 1981-82 Academic Year with the highest enrollment in her history. Dormitories were filled with the majority of the Freshmen in a three to a room situation. December Commencement and normal attrition have, for the most part, eliminated crowded conditions during second semester. Projected enrollment figures indicate that the College probably will not experience similar crowded conditions during the 1982-83 Academic Year.

Several new academic programs have been initiated. The major in Christian Education is now in place and is envisioned as a means of serving the needs of the local church for trained leadership in church school, youth work, and other forms of Christian Education.

The Women's Evening College is a successful program. Since its beginning in January, 1981, this program has continued to grow and has exceeded original projections. In addition to the degrees in Business Administration and Public Affairs, the Evening College is now offering a third degree in Health Services. This latter program was specifically designed for three year diploma nurses who are interested in obtaining a Bachelor of Arts degree.

The new Master's programs in Education and Music have also been well-received. The success of these programs has encouraged the College to add one additional graduate program — a Master's in English. The success of these programs, we believe, reflects a superior total undergraduate program at Columbia College. The quality of the undergraduate program was verified by the Southern Association of Colleges and Schools at its December, 1981 meeting when the review committee presented its final report on the Columbia College Self-Study and reviewed the Columbia College accreditation with strong commendation of her academic program.

It is also good to report that gifts and grants have increased over last year. The local churches are to be commended for their support of the Senior College Fund. While gifts and grants have increased over the past years, Columbia College faces the need to insure a more stable financial future. To this end, the Board of Trustees early in the year authorized a major capital campaign — the \$6.5 million New Horizons Capital Campaign. This campaign is designed specifically to strengthen the current, inadequate endowment, with approximately 70% of the \$6.5 million going to this purpose. There has been encouraging initial response to the New Horizons Capital Campaign and we anticipate the successful completion of the Campaign.

Even with the many positive events and activities at Columbia College as we ministers to the educational needs of young women, there are some serious concerns. The increasing competition for students from the public and private sectors makes it imperative that we seek more financial support in order to provide more financial assistance to our students. This basic need for more student financial assistance has been complicated by the proposed Federal budget, which will impact negatively on Columbia College and on all other church-related colleges. These proposed cut-backs are of grave concern as they will bear on our ability to serve and minister to the needs of all students regardless of race or national origin.

Columbia College remains totally committed to the purposes that have been central to her life and mission since her founding by the Methodist Church in 1854.

Our purpose continues to be to minister to the educational needs of young women within a Christian context. Columbia College remains committed to the same close and mutually beneficial relationship between the Church and the College that has existed for more than 128 years.

REPORT OF THE PRESIDENT OF SPARTANBURG METHODIST COLLEGE

This is my sixth report to you as president of one of the missional agencies of the South Carolina Annual Conference. Spartanburg Methodist College is a fully accredited four-year college in the traditional measurement scale of higher educational institutions. The uniqueness of the college comes from its special purpose of service to the church and its relationship with the Conference Board of Missions and the Board of Christian Ministries. Hopefully in this report our parent church will sense the strength of the college and also its servanthood in the mission of the church.

This particular annual report covers a year when this college served stronger and more than in recent years. The basic statistics show the strength of the college's programs in 1981. While I report to you the strength of this year, I must also warn that the projections in 1981 indicate that the next five years will be very difficult for church-related colleges. Generally, your college has responded well to the challenges this year, but these challenges are mild when compared to some perilous conditions which are projected in the next few years.

In 1981 Spartanburg Methodist College unexpectedly had a 4.5% increase in enrollment. Basically, our academic programs are designed to serve between 1000 and 1100 students each semester. In the Fall 1981 Semester, 1104 students enrolled in the following programs:

Liberal Arts	687
Criminal Justice	69
Supervisory Management	63
Interpreters with the Deaf	45
Business Education	53
Early Childhood Education	31
Retail Merchandizing	54
Computer Science	45
Special Students	57
Total Students	1104

Before feeling too much elation over this increase in enrollment, United Methodists must be aware of two facts that will complicate the future. First, between now and 1990 the number of South Carolina high school graduates who will enter college will decrease 13%. Second, the proposed cuts in public funds for financial aid to students will reduce the ability of many low and middle income students to attend college. To meet these conditions churches are asked to help motivate its youth to attend United Methodist colleges. Also a college such as SMC which serves large numbers of students from low income families must rely more on the churches for financial resources to help support needy students in college.

A variety of types of strong people make up the SMC community and the college's programs are strengthened by the variety and diversity. There are sizeable numbers of students from every economic class, ethnic group, and age. Since many persons from disadvantaged backgrounds are served, the average family income of our students is lower than most colleges in South Carolina. On the other hand, the economical conditions which are among the lowest of the accredited independent colleges in South Carolina attracts many middle class students who want to attend a small church related college for two years as an option to a larger public college with similar fees. Such a variety of students helps create a dynamic learning environment.

During this academic year SMC has begun several new programs. Our admissions program was strengthened with media advertising and the creation of a High School Senior Recruiting Program. The new Industrial Chaplaincy Program trained 24 United Methodist ministers in the first class, and 8 are seeking certification and placement as Industrial Chaplains. During the winter semester the "Early Admit" program for high school seniors has a drastic increase in enrollment because of changes in federal security and veterans administration support to college students. Over 50 students enrolled in this program.

A Capital Fund Crusade which set a goal of \$500,000 each year has completed the year with \$2,040,000 contributed. During 1981 these gifts enabled the completion of Vera Davis Parsons Hall, a dormitory for 48 women who previously lived in trailers for a cost of \$510,000. Also the outdoor athletic facility was completely rebuilt for a cost of \$150,000. This facility includes a greatly improved Mooneyham Baseball Field and a new soccer field which the Board of Trustees named in memory of the late J. Nash. Also the Walker Classroom Building was renovated into a modern academic building. Although this crusade program operates completely outside the conference and church programs, many United Methodist individuals have contributed generously.

Continued strong support will be needed in the future since the Board of Trustees has set a goal of \$4,000,000 for the next six years to meet the capital needs of the college.

The gifts and grants for programs and operations keep the college viable and enable the type of special help persons from disadvantaged backgrounds need. In 1981 a total of \$603,173 in gifts and grants for programs and operations was given. Of this amount the churches of the South Carolina Conference contributed \$213,792 on an asking of \$311,795. This is a 5.5% increase over 1980. The college community is grateful the United Methodists understand that their financial and missional support keeps the college strong and ready when they call upon it for services.

During 1981 the economic conditions in the country weakened the ability of low income students to remain in college. Many of our students display more evidence of personal hardship than in recent years. Some students are not able to afford good warm clothes, the high cost of transportation and the inflationary increases in costs. Our priority is to help students stay in college. The college has responded by raising scholarship aid and increasing the college work study program for more students. We see the future as challenging years for poor persons who pursue their life's vision through education, and this college strives to develop new ways of providing opportunity for them.

REPORT OF THE PRESIDENT OF WOFFORD COLLEGE

The academic year 1981-82 has been a good one at Wofford College. We have had the strongest student body I remember at Wofford, and the students have been productive in their work.

We are most grateful to the South Carolina Annual Conference for the role it has played in making Wofford one of the very best liberal arts colleges in the country. The South Carolina Annual Conference has provided the College a strong Board of Trustees, and that Board has ensured that Wofford maintain its traditional strength and quality. The churches of the Conference have not only provided financial support, but they have continued to send their sons and daughters to Wofford.

Since our church-related colleges have had to pass on an increasing percentage of the cost of education to its students, it is important for the Conference to understand that financial aid is available for worthy and needy students. If there is one thing I would ask of the members of the Conference, it is to urge students not to eliminate Wofford as a choice of colleges for financial reasons until they have contacted the Financial Aid office at the College. We will continue to work to ensure that qualified United Methodist young people have an opportunity to attend Wofford if they desire.

We are grateful for the continuing relationship between Wofford and the Conference and trust that we will be mutually supportive in the year ahead.

The report of the major areas of College life are presented by Dean Dan B. Mauldin, Academic Affairs; Dean Michael J. Preston, Student Affairs; Dr. William Martin, Religious Life; Mr. Edward E. Greene, Finance; and Mr. Russell Picton, Development.

Academic Affairs

Two hundred thirty-three freshmen entered Wofford in the fall of 1981. Their average SAT score was slightly above the average score of freshmen in 1980. Twenty percent were women and five percent were black. The students seem capable, eager, and interesting.

The overall enrollment for the year was the equivalent of 957 full-time students, about 20 fewer than one year ago. This small decline in enrollment may not be noteworthy. It is mentioned here because we expect to be challenged to maintain a sufficient enrollment of qualified students through the next decade. The number of persons of the traditional college age is declining nationally and in South Carolina and neighboring states. The price difference between private and public schools is significant, and the financial aid necessary to bridge the price difference is becoming uncertain. Wofford's various constituents should be aware of the challenge.

It is our impression that there exists great interest among students in attending Wofford. We have received more applications this year than last. We have received enthusiastic and positive responses from parents and students to our open houses, weekends, the scholars programs, and to receptions held across the state. We must work together to hold costs and to provide assistance to able and deserving students who wish to attend Wofford. Financial assistance for students is the most critical need of the College.

The Wofford faculty has been strengthened. Dr. George Martin (Ph.D., University of Georgia), a graduate of Wofford, has returned to be chairman of the Department of History. He comes to Wofford from a distinguished teaching career at the University of Georgia. Dr. Martin succeeds Dr. Harris Chewning, who retired last May. Dr. Jim Proctor was appointed associate professor of economics. Dr. Proctor (Ph.D., Clemson University) is also a Wofford graduate. He returns to us from Francis Marion College. Philip Keenan joined the faculty as assistant professor of accounting. He holds an M.A. from the University of Michigan. Dr. Jeanne Carriere and Dr. Clarence Abercrombie returned from post graduate study. Dr. Abercrombie assumed responsibility for the program in geology and geography formerly taught by Dr. John Harrington. Dr. Harrington retired last May. Ms. Sharee Allen (Ph.D. candidate, Vanderbilt University) joined the foreign language department for one year as instructor. Ms. Allen Smith, a graduate of Davidson College, and Ms. Roberta Hurley, a graduate of Wofford, joined our admissions staff. There were also several newcomers in ROTC.

Dr. Vivian Fisher completed a video-tape on the life and work of D. H. Lawrence. His work is truly excellent. Dr. Fisher has been granted leave for the spring and summer of 1982 to prepare tapes on other writers. The leave is provided through the grant to the College from the Mellon Foundation. Dr. Fisher's replacement in the English department for the spring is Mrs. Laura Claridge, a candidate for the Ph.D. at the University of Maryland and a resident of Spartanburg.

The concentration of study in computer science is in place. It will provide strong preparation for use of computers and for graduate study in computer science. The concentration in finance in the economics department is beginning to take form. It will attract students interested in business.

A committee of trustees, faculty, and administrators worked through the summer to assess our strengths and weaknesses for the decade. This study has set in motion a continuing reappraisal of programs to insure that Wofford's academic program remains relevant, needed, efficient, and of high quality during what may be a difficult period for institutions of higher education.

The summer program for gifted children was successful again in 1981. Dr. Richard Johnson, director of the program, expects to conduct the camp again in three sessions through ninth graders in the summer of 1982.

A new and rewarding experience for Wofford in 1981 was our first participation in the Elderhostel program. Approximately 30 senior citizens lived on the campus for one week in June and were taught by three Wofford faculty members. We hope that this program will become a permanent part of our summer schedule.

Student Affairs

Interest in the area traditionally covered by the office of Student Affairs continues to grow with renewed interest shown by most students in extra curricular activities. Students remain more aware and concerned about all aspects of their college experience, resulting in a healthy and positive mood on campus.

Wofford continues to have problems providing adequate housing, especially for the first semester. Again this year, we were forced to house some students in a local motel for the first semester.

We have now been in the Campus Life Building for a year, and the use of this building has been as we expected. The arena and theatre areas have been a great success. With additional programming other areas of the building will be used to a maximum. We are in a position to enlarge the whole scope of campus life with the increased use of our new facility.

Religious Life

Wofford continues to develop and enhance its relation to the United Methodist Church and its commitment to the identification and investigation of our Judeo-Christian heritage as an integral part of college life and Liberal Arts learning. This commitment, reflected both in the teaching of values and in the concern for persons and the quality of life, is expressed in various ways at the College.

On campus, expressions of Christian faith and concern are evinced through human orientation, Sunday worship services, activities of the Campus Christian Association and the Religious Life Council, Bible study groups, Sunday evening worship, and denominational groups which are supervised by Adjunct Chaplains—these denominational ministers who work with students. The Pre-Ministry Society provides students who have interest in a career in ministry by providing programs and by providing a placement service of those who wish to work part-time in area churches.

In the Office of Campus Ministry, personal counseling services have been expanded and new programs have been initiated. These programs include a "hunger awareness" week in which 400 students gave up a meal to raise money for OXFAM; a women's group which emphasizes awareness of women's issues; and promotion of Fine Arts Recognition Focus Week, which incorporated performances, lectures, and special events into a series of activities focused on the theme "Comedy as Revelation."

Explicit attention to the relation between the College and the Church is reflected in various programs, such as the Lay School of Christian Studies, MYF Day, and participation in the churches' observance of Student Day, the development of classes which meet the continuing education requirements for United Methodist ministers, and collaboration with the Spartanburg District in the development of a supervised program for student-pastors.

In its on-going commitment to Christian values in Liberal Arts education and service to Methodism in South Carolina, Wofford is grateful to the churches for their support and for their assistance in identifying common needs to which ministry at Wofford may respond.

Finance

During the 1980-81 fiscal year ended August 31, 1981, the College operated with a balanced budget, ending the year with a small surplus of \$60,680 after transfers totaling \$58,000 to plant and other non-operating funds. Operating revenues totaled \$6,820,052, and operating expenses were \$6,701,372. It has been more than twenty years since the College has had to borrow funds for current operations; there have been only three small operating deficits in the last eleven years.

Unrestricted gifts for operations and investment income continue to be of great importance to the College. Operating revenues for 1980-81 included \$646,000 from gifts and grants and \$492,000 from investment income. This \$1,138,000 reduced the amount of operating costs which had to be generated from student tuition and fees. The gifts and grants total includes \$205,000 from South Carolina United Methodist churches during the College fiscal year. Everyone at Wofford has appreciated the growth in this much needed support in recent years.

In the current fiscal year, 1981-82, the operating budget is expected to finish the year "in the black." The Board of Trustees recently approved an operating budget for 1982-83, calling for expenditures of almost \$8 million. Inflation continues to be a serious problem. Although budgeted expenditures for 1982-83 are up 8.5%, most budgeted items were held at present levels. Most of the increase is due to modest salary and wage increases for our faculty and staff and the related costs of employee retirement and insurance programs. The food and utilities budgets were increased about 10% to cover expected increases in those categories. Utilities are budgeted at \$660,000, or more than \$675 per student!

The book value of Wofford's assets at August 31, 1981, was \$24.5 million. This included institutional property and equipment of more than \$14 million (the current replacement value is two to three times that amount) and endowment fund assets of \$5.8 million. The only College debt was \$2.6 million of bonds and mortgages payable on income-producing properties used as residence halls and food service facilities.

From a financial standpoint, Wofford's operations have been very successful during the 1970's and to the present time. Full enrollments, increasing amounts of student financial aid, realistic budgeting and tight fiscal management, and a relatively new physical plant because of new construction and renovations have all been helpful. Looking to the future, the situation will likely be much different. The pool of prospective students is shrinking because of birth rate declines beginning in the 1960's, and there are many uncertainties about student financial aid because of Federal budget cuts. Inflation continues to be a serious problem. The relative age of Wofford's facilities and equipment is ever-increasing, and repairs and replacements are costing more and more. Continued growth in the already-strong annual giving program and adequate capital funds for renovations, campus improvements and major repairs will be vital to the College's continued success.

Development

The Senior College Fund of the United Methodist Church again was a major factor in Wofford College's achieving the highest Annual Fund ever achieved. The Senior College Fund reached \$217,181—a new high, and total Annual Fund support amounted to \$758,981 from all sources, up from \$503,000 in four years.

The grand total of support from all sources for all purposes was \$1,465,525

Source	Donors	Amount
Alumni	2,594	\$ 493,389
Non-Alumni Trustees	7	3,565
Non-Alumni Parents	502	76,108
Friends	547	176,216
Non-Alumni Faculty Staff	56	11,295
Corporations	231	213,228
Foundations	24	274,533
U. M. Church	1	217,181
	3,962	\$1,465,525

Of the \$1,465,525 received, current operations restricted and unrestricted totaled \$240,937. Endowment was increased by \$234,821 and gifts to capital purposes, primarily in Campus Life Building pledge payments, totaled \$206,666.

Growing Annual Fund support is the most important financial need facing private higher education. Recognition of this by the churches supporting the Senior College has been a major factor in the steady growth pattern in gifts Wofford has experienced in recent years. Because of this support, Wofford has been able to operate in a strong fiscal position and continue to offer a strong academic program.

The College's only major financial shortcoming is the lack of an adequate endowment to help defray the full costs of education at Wofford. The College should have a minimum of \$20 million in endowment, whereas its endowment only slightly exceeds \$10,000,000. Every effort must be expended among United Methodists and other friends of the College to bridge this gap as soon as possible through bequests, deferred gifts and outright gifts for endowed scholarships, endowed faculty chairs and endowed funds for academic purposes. Only if endowment is increased substantially can the rapid increases in tuition and fees be slowed. This is Wofford's greatest challenge.

THE BOARD OF THE LAITY

Report of the Conference Lay Leader

We, the laity, would like to explain who we believe we are. We do not use Webster's words, "the people, as distinguished from the clergy." We do not use the common understanding, that is, the unauthorized amateur, a part-time Christian whose task is to help our overworked minister. Rather, we choose to use the biblical authority and think of ourselves as the Laos: the people of God, bishops, deacons, deaconesses, etc. Whatever the title, all of us — United Methodists and other communions around the world — all of us together are the Laos, the people of God. Though some are set apart for special functions, each of us is called to participate corporately in Christ's ministry in the world.

Our focus has been to raise the expectations of the laity of our Conference. We have worked to reorganize the effectiveness of the Conference Board of Laity, to help them visualize their role more clearly within the framework of the Church. The Board has become more inclusive. We recognize that we must be faithful and proficient in the assigned program areas of: lay speaking, leadership training, wills and special gifts, stewardship and finance. We believe we have responded in commitment and love to these areas.

We have worked with the District Boards of Laity in our Conference to help them be of greater service to the churches. There is much more to be done here. Progress is being made. The gifts of the laity are enormous if we can catch the vision.

Even at the risk of repetition, we affirm that we are striving to replace the word "laymen" with "laity." That is the proper and more inclusive, corporate description of the "fold" of laity: men, women, youth and children.

We continue to be faithfully working at our task of fostering the role of the laity in general and to serve as a linkage with United Methodist Women, United Methodist Youth and United Methodist Youth. We highly affirm these three (3) organizations and their purposes.

Your Conference Lay Leader has faithfully worked hard, has met all obligations to the office, participated in the functions and liaisons as necessary with other boards, agencies, church officials, organizations and the cabinet. We believe that faith and love works go together.

Program Highlights of 1981

Effective Stewardship Throughout the Conference: Effective Stewardship workshops were held in the Walterboro District at Walterboro on August 23 and Beaufort of August 30 and in the Marion District at Conway on September 20 and at Bennettsville on October 4. Seventy charges were represented in these district events.

Stewardship of the Family: The film entitled "Ministering to the Clergy Family" is available through the Conference Audio-Visuals Library.

The Education and Cultivation Committee is involved in interpreting to United Methodists in South Carolina, the programs, plans and policies of the General Board of Global Ministries and to promote world missional needs.

The Committees on Parish and Community Development, Specialized Ministries, Local Church Development and Hunger are promoting various training programs throughout the conference for the purpose of developing a spirit of missions in the churches.

The Church Extension Committee continues to make extensive on-the-site visits to churches requesting financial support from the Church Extension Partnership Fund. Through the New Church Fund four new churches have received financial assistance for building and land purchase. Through the Church Extension Committee the Board will continue to work with the Cabinet and the Conference Council of Ministries with the assistance of the Association For Christian Training and Seminary Ministries under the direction of Ted McEadler, "ACTS" of the Board of Global Ministries under the direction of Ted McEadler, making a ten year study of the Church Extension needs in the Conference.

Peden Gene Curry, Chairman

CHURCH EXTENSION COMMITTEE

The Church Extension Committee of the Board of Missions continues to be an Administrative Committee for the Church Extension Partnership in Mission. In addition, the committee acts as a liaison between the local church and the general church in securing loans and donations. The committee also has the responsibility of investigating applications for Ethnic Minority Local Church funds.

One of the added responsibilities of the Church Extension Committee is the administration of the New Church Fund. In 1981, we received a total of \$113,000 for the line item, New Church Fund. Grants were made to the following new churches:

Bluff Road, (Columbia District) \$20,000 for land purchase
Ashland, (Columbia District) \$30,000 for building
Disciples (Greenville District) \$20,000 for building

In 1982, the following churches will receive grants from the New Church Fund:
Covenant (Spartanburg District) \$10,000 for building
Disciples (Greenville District) \$30,000 for building

The following guidelines have been established for churches seeking assistance from the New Church Fund:

1. A new church should request assistance from the Church Extension Committee of the Board of Missions and the Southeastern Jurisdictional staff representative from the Board of Global Ministries when making initial building plans.
2. A new church application for a grant will be considered when the church has developed a sound financial plan and demonstrated commitment to church membership.
3. Building fund pledges sufficient to meet mortgage payments for a minimum of two years should be on hand.
4. Fifty percent of the cost of the new church should be on hand in cash, when the project is begun. The grant from the New Church Fund may be counted as 50 percent of the fifty percent. This applies to the first phase of the building, but churches are urged to secure a master plan before starting any construction.
5. The maximum grant from the New Church Fund shall be \$60,000 for a maximum of three years for church construction.
6. The timing of the use of Conference funds should be such that the maximum of the money is obtained with the least payment of interest.
7. Special care should be taken in making construction loans. Arrangements should be made to pick up the money as needed as the work proceeds, so that money is not paid on the total amount, and payment does not begin until the money has been picked up and work completed.
8. The selling of bonds is not acceptable as a sound financial plan.

The following procedures for organizing new congregations have been approved by the Board of Missions:

1. The location of a new church shall be selected only after a careful site study under the direction of the District Committee on Church Extension.

District Board of Church Location and Building. Regional ecumenical planning groups should be consulted. Supporting data from ACTS study must be considered. A survey is to be made, sufficient to determine the need and opportunities presented by that area. The Church should make community surveys, including consultation with industries, public utilities, schools and other community sources of information, whenever possible, to discover religious affiliations and future community trends for industry, population and schools.

2. The above study should reveal a potential congregation of 150 - 200 members in five years, adequate to achieve self supporting status.

A "Self Supporting Church" is a church with sufficient human and economic resources to provide:

- A. Fulltime pastoral leadership;
- B. Ministries in harmony with culture of the community in which the building is located;

C. An adequate program for all ages; and,

D. Payment in full of all conference apportionments and askings.

After five years those churches unable to achieve self supporting status will:

- A. Be placed on a charge; or
- B. Be encouraged to join another congregation.

4. The site for a new church shall normally consist of four or more acres. Within cities there must be provision for adequate off-street parking if acreage is not available. Careful consideration must be given relative to future developments and highway construction in the area. Similar care should be taken as to the availability of utilities and public services.

5. Sites may be purchased and held for future development when conditions warrant such procedure by the Church Extension Committee.

6. A church shall be constituted according to the Discipline of the United Methodist Church only when there are at least 75 charter members.

7. A temporary meeting place must be available before a church is organized. Cooperative use of existing buildings is strongly encouraged.

8. Where feasible a new congregation should have a sponsoring church and/or cluster of churches.

9. Congregations of non-English speaking persons will be limited to the availability of qualified leadership.

The following churches received financial aid from the Partnership Fund in 1981:

LENTEN CALL: Rock Hill Parish (Rock Hill District) \$5,000
Mt. Zion (Cheraw-Hartsville District) \$4,122.38
CONFERENCE CALL: St. Daniel's (Orangeburg District) \$9,579.42
ADVENT CALL: Pendleton Charge (Anderson District) \$4,242.80
Mt. Zion (Sumter-Hartsville District) \$4,242.97

EMERGENCY FUND: Edgefield (Greenwood District) \$1,000

The 1982 Lenten Call is now in progress and it will be distributed between Mt. Zion (Cheraw-Hartsville District), Bethel (Orangeburg District), St. John (Florence District), Sardis (Spartanburg District), Wesley (Spartanburg District) and Mt. Nebo (Walterboro District).

EDUCATION AND CULTIVATION COMMITTEE

In an effort to offer United Methodists in South Carolina an opportunity to share in the support of Mission outreach, the Committee has updated the "Travel with Missions" booklet. In the booklet missional opportunities are clearly defined in the following areas:

National Division, United Methodist Committee on Relief,
World Division, Special Programs (Africa and World Hunger),
Conference Advance Specials and District Mission Specials.

The "Travel with Missions" booklets have been mailed to all local church chairpersons of the Area on Missions and to all pastors in the conference. Six members of the Board of Missions have been trained for Job Function District Workshops.

The Committee urges all of the districts to consider scheduling a Mission Saturation Study or "A Pastor Staff Dialogue" during 1983 to provide each local church with an understanding of the mission program of the United Methodist Church.

The Committee is promoting the following mission training events:

July 2-4 The Southeastern Jurisdiction Volunteers In Mission Conference,
Lake Junaluska

July 5-9 The Southeastern Jurisdiction Conference on Christian Missions
Youth in Mission Conference, Lake Junaluska
July 29-August 1 South Carolina Conference School of Christian Missions
Columbia College

PARISH AND COMMUNITY DEVELOPMENT COMMITTEE

The Committee on Parish and Community Development works directly with the sub-committees, the Specialized Ministries Committee (Local, and, Foreign) and the Local Church Development Committee.

The local division of the Specialized Ministries Committee is chaired by Mrs. Anne Beazley and the Foreign division is chaired by Dr. Earl Goodman. The Local Church Development Committee is chaired by Mrs. Dorothy Eason. In this way the various facets of responsibility are brought into confluence.

Conference missional agencies have formed a Specialized Ministries Network within the purview of the Specialized Ministries Committee. Several agencies have been added since last report. Specialized Ministries is responsible for the Monday evening presentation to the Annual Conference and the promotion of "Specialized Ministries Day," December 12, 1982.

The Foreign division of the Specialized Ministries Committee has furthered the personalization of missions and established an intimate relationship with the United Methodist Volunteers in Missions. We continue to provide a closer relationship with UVMIM and the Conference Board of Missions.

Trained lay-clergy teams for local church development are underway in working with pilot local churches and others. Plans are underway with the Local Church Development Committee to work more specifically with churches in transitional communities. Your suggestions are appreciated as we seek to evaluate each missional phase.

John W. Curry, Jr.,
Chairman

LOCAL CHURCH DEVELOPMENT COMMITTEE

The purpose of this committee is to make each local church a mission station. At present time there are several teams of lay and clergy persons trained. The teams have worked with Socastee, Marion District; Cheraw Parish, Hartsville District; we will receive applications from the Dillon Parish, Epworth, Rock Hill and the Orangeburg Parish.

The process involves three visits to the local church by the helping team. The first meets with the leaders of the local church to find out what is going on in the church and the community which is served by the church. At this time, instruments are used for gathering in-depth information about the church and the community.

The team returns to the church for a day and a half (usually a week-end) for local leaders in analyzing the church and community information gathered during the first visit. This session is to assist church leaders to (1) draft a mission statement for their church (2) set goals for nurturing their members and reaching out to the community and (3) adopt specific programs to reach their goals.

The team returns to the church about six months later to check the progress of the church toward their goal. They also help in spotting problems and finding ways to solve them. This work needs to be expanded into the eastern and southern regions of our Conference. At the present time we are not getting much response for service.

Chairperson

HUNGER COMMITTEE

The purpose of the Hunger Committee of the Board of Missions is to develop and implement a Conference strategy for World Hunger. This strategy shall include:

- 1) Providing emergency relief in crisis situations within South Carolina.
- 2) Addressing root causes of hunger in South Carolina.
- 3) Telling the story of World Hunger, its causes, and avenues of response to the United Methodists of South Carolina.

In fiscal year 1981, the contribution for all Hunger causes were as follows:

UMCOR	\$57,174.55
One Great Hour of Sharing	22,644.02
World Hunger Special Program	55,689.32
Haiti Children's Lunch	8,324.69
Conference Hunger Fund	14,919.81

SPECIALIZED MINISTRIES—LOCAL, SUB COMMITTEE

Anne Beazley, Chairperson

The Specialized Ministries Committee is responsible for establishing guidelines for the Annual Conference Board of Missions, and recommending such to the Board for the missional organizations located within the Conference that provide services in behalf of the United Methodist Church.

The Committee continues to work with the Network of the Specialized Ministries Conference Council on Ministries in developing programs to bring the services of these agencies before the members of the Conference. It is the sincere hope of the Committee that the program on May 30, 1982 at Annual Conference and "South Carolina Mission" Sunday, December 12, 1982 will generate much needed interest in the agencies. Financial support from the Board of Missions has not kept up with the needs of the people the agencies serve. Only through additional support of the Board and churches will the agencies be able to continue and expand their work.

A study by the Committee has been initiated on the accountability and relationship of the missional agencies located within the Conference and the Conference Board of Missions.

Eleven agencies were recommended for funding in 1983 for a total of \$85,640.00:

APPLACHIAN DEVELOPMENT CONFERENCE: An ecumenical mission to meet human needs in Appalachia.
ANNETTSVILLE - CHERAW GROUP MINISTRIES: a cooperative ministry that provides pastoral care and leadership training for eleven small churches.
BETHLEHEM COMMUNITY CENTERS OF COLUMBIA AND OF SPARTANBURG: Providing early childhood education and spiritual, cultural, recreational, and social needs to their neighborhoods.

CELAN HAVEN MATHER ACADEMY: a high school meeting needs of youth through small classes, individualized and caring instruction.

COMMUNITY CARE, INC.: an interfaith organization that works in areas of health care, housing, and social services.

CRISIS MINISTRY, ANDERSON: provides a stable environment for emotional and spiritual growth for youth.

GREAT SPARTANBURG MINISTRIES: Chaplaincy ministry to those in institutional and crisis and transitional situations.

GREENVILLE URBAN MINISTRIES: responds to financial, educational and social needs of low income elderly and families.

GREENINGWORTH: a residence for women needing a secure place to live in a supportive community.

ISLAND MISSIONS: an interdenominational organization to administer to the spiritual and physical needs of the rural people of the Sea Islands.

SEKEHATCHIE SUMMER SERVICE: provides United Methodist high school students the opportunity to serve in mission through up-grading housing and providing social services.

SUMMER INVESTMENT PROGRAM: gives college students the chance to serve in mission field through service in United Methodist agencies.

UNITED METHODIST VOLUNTEERS IN MISSION: involves lay people and clergy in short term mission projects in South Carolina and overseas.

WELFARE FAMILY LIFE CENTER: family life skills and enriched living opportunities provided through educational and cultural programs.

THE UNITED METHODIST VOLUNTEERS IN MISSION COMMITTEE

The UVMIM Committee continues to involve United Methodists in volunteer missions projects in and beyond our conference. These projects, lasting one or more years, offer a variety of services including medical, dental, construction, evangelistic, educational and agricultural.

In 1981 volunteers served in Haiti and Costa Rica. Services included construction, ophthalmology, education, agriculture, drug repackaging and shipping, collection of glasses and recataloging for use in the ophthalmic program in Haiti. The school program received \$8,435.07 from individuals and churches and church groups. A member building team worked for 2 weeks in Costa Rica completing the first phase of a warehouse for the Alfalit program.

The fifth Salkehatchie Summer Service project is planned for the Walter District and the Orangeburg District in July.

Ophthalmologists will be serving in Jeremie Haiti from March through June. This will be the seventh year for this program under the direction of Dr. Hal H. Crossway.

A group will be leaving the last of March on a fact finding mission to Guyana to investigate possibilities for mission projects there.

Plans are underway to select a building team to build a parsonage for Paul and Sheila Rogers, missionaries in St. Vincent. The team will consist of 12 members and the conference is asked to raise \$7,000 as our share. This project is planned for September.

Once our conference committee commits itself to a project we must arrange to finance the total project, supplies and team expenses for team members. Individual congregations and groups within congregations are urged to share in these expenses. Advance Specials.

All projects are coordinated through the SEJ UMWIM and UMCOR

THE COMMISSION ON CHRISTIAN UNITY AND INTERRELIGIOUS CONCERNS

The goal of the Commission is to continually keep us reminded that we serve Christ no matter how many names we give to our service. As Dr. Robert H. Spain, Superintendent of the Nashville, Tennessee district stated August 20, 1981 at Scarritt College, "The Ecumenism for Christ's Holy Church is no longer an option." Though we've been in the United Methodist Church for more than 30 years it is still a new idea to us.

The work of the Commission is to be the advocate of efforts beginning at the local level to have churches of all denominations seeking ways to work together through services at Christmas, Easter, Fifth Sundays, through joint ministries such as our youth and grand strand ministries, the encouragement of ministerial groups to work toward common goals. This advocacy includes at the other side councils of churches at the national and world.

The third Ecumenical Breakfast at Annual Conference featured Dr. Carl Evans, President of U.S.C. and a member of the West Kansas Annual Conference speaking on Jewish understanding. The 1982 speaker is Emam Omar Shaheed of the American Muslim Mission. He heads the state organization and will share an overview of Muslim teachings.

The Commission will continue work through the American Muslim Mission and the South Carolina Congress of Christians and Jews to establish communications and understanding among these groups in our state.

A jurisdictional organization was set up in 1981 for training commission members in enlarging our own understanding of our work. The second workshop will be at Scarritt College in August 1982. We will work toward having a Lake Junaluska workshop in 1983.

Included with the pre-conference reports is a questionnaire to be completed by each Annual Conference member to share what is being done at local levels in Christian unity. This will be resubmitted in report form in the fall to serve as information and motivation for local churches.

THE COMMISSION ON RELIGION AND RACE

Racism is the belief that one's race is innately superior to all other races. Like most prejudices, racism is not something we arrive at by reasoned thought, but something we learn from our upbringing. Most often, it is expressed in hidden assumptions and attitudes rather than in conscious words and deeds. It has been a plague on both state and nation, an enemy of peace and of the unity which Christ seeks for the Church. We as individuals in the South Carolina Conference have come to recognize the racism as individuals. That does not mean we are terrible people. It simply means

that we know we are not totally free of a tragic history which ranked some people inferior on the basis of race. Such knowledge is a sign of growth toward racial inclusiveness in the conference. We celebrate this growth and pray that it shall continue.

In 1981 a conference-wide Consultation on Religion and Race was held at the Church in Orangeburg. Executive officers of conference institutions, boards, commissions, committees, and councils were in attendance along with teams from each district. Responding to the theme "The Continuing Journey", conference leaders identified steps in our journey toward racial inclusiveness. District teams formulated plans following up the consultation with activities in the district.

The commission has two major concerns as it looks to the future. First, we are concerned to keep the district teams active through 1983. Second, we are concerned to address the institutional racism in the conference.

An obvious expression of institutional racism is the limited number of Black persons in significant jobs with conference agencies and institutions. Epworth United Methodist Home is the only institution making significant progress in employing Black persons in professional and white collar positions. Others failed to respond to our inquiry, reported no significant progress, or reported a slip backward in the number of Blacks in these positions.

The commission shall continue its monitoring process throughout the quadrennium, reporting annually on the progress or lack of progress in the employment of Blacks.

Willis T. Goodwin,
Chairperson

THE COMMISSION ON THE STATUS & ROLE OF WOMEN

The Commission has been organized to carry out responsibilities and duties during the quadrennium as mandated by the Discipline. Generally, these fall into three groupings: Women's Advocacy; Research, Evaluation, and Monitoring; and Interpretation and Resourcing.

Program Highlights of 1981/82

Research, Evaluation and Monitoring: The Commission has developed a program for which each of the boards and agencies have been invited to a self-evaluation in terms of its opportunities for participation by women. A report of this evaluation will be given orally at the 1982 Annual Conference.

Barbara Boultinghouse,
Chairperson

Interpretation and Resourcing: The Commission on the Status & Role of Women has made some progress through our effort to interpret its goals using the *Advocate* as our source of communication. Articles appearing were:

"Our Own Worst Enemy", by Ann Howard, CCS&RW
"Women's Status Studied", by Thelma D. Ford, CCS&RW
"Women's Roles Affect All", by Maryneal Jones, Editor—*Advocate*
"Commission Seeks Female Leadership," by Geneva B. Williams, Chairperson

Commission on the Status & Role of Women
"Future - Family May Share Stable Intimacy", by Mary T. Kennerly, Ph.D.,
Chairperson, Commission on the Status & Role of Women

Resource material has been purchased and placed in the library at the Methodist Center. A list is available upon request.

Thelma D. Ford, Chairperson

Women's Advocacy: (a) Reformation Sunday — Pastors were encouraged to invite women in the pulpits on Reformation Sunday. Packets of material were distributed to women who requested them. (b) Women's Growth Groups were held in a number of churches in the Conference upon request by that local church.

Beth Collier, Chairperson

COMMISSION ON THE STATUS AND ROLE OF WOMEN

Part of the General Conference mandate to the Commission on the Status and Role of Women is "... a continuing commitment to the full and equal responsible participation of women in the total life and mission of the church, sharing in power and in the policy making at all levels of the Church's life." (Paragraph 1501, Book of Discipline, 1979)

The Commission on the Status and Role of Women of the South Carolina Annual Conference designed a monitoring instrument to determine to what extent this goal is being accomplished.

The monitoring instrument was mailed to 41 boards, commissions and committees; 37 boards, commissions and committees returning the instrument for one or more of their meetings.

From the twenty-one that were returned, the following statistics were obtained:

	Male	Female
Membership on Conference Boards, Commissions and Committees	431 (69%)	193 (31%)*
Members attending meetings	336 (78%)	159 (82%)*
Participating in meetings by direct address to the chair	380 (61%)	240 (39%)

NOTE: When the U.M.W. Executive Committee is removed from the figures, female membership decreases from 31% to 24%; female members in attendance decreases from 82% to 76%.

Using the information on the monitoring instruments, all groups used inclusive language most of the time.

Using the 1981 *Journal of the South Carolina Annual Conference*, elected leaders of the Conference Boards, Commissions, and Committees is:

	Male	Female
Persons elected President	87 (78%)	5 (13%)
Persons elected Vice-President	33 (92%)	3 (8%)
Persons elected Secretary	21 (55%)	17 (45%)
TOTAL ELECTED OFFICERS	141 (85%)	25 (15%)

THE COMMISSION ON WORSHIP

What a year of opportunities to share with persons throughout our conference in matters pertaining to worship! With the many new Supplemental Worship Resources from the Board of Discipleship, we have been able to present models of worship that re-size biblical and theological foundations from which our present worship practices have derived — and deviated. We thank especially the Florence District for sponsoring workshops on the new resources. The Services of CHRISTIAN MARRIAGE, and BIRTH AND RESURRECTION; SEASONS OF THE GOSPEL; Worship through the Year; and FROM ASHES TO FIRE — worship from Ash Wednesday through Pentecost. Other supplemental workshops were held in the Walterboro and Greenwood Districts. Because of the increasing number of these resources, including the newly published SONGS OF ZION and SUPPLEMENT TO THE HYMNAL, we are glad to be authorized by the Conference Council on Ministries to continue these workshops upon request.

Function Workshops continue to be a major way for us to share with laity and clergy in the conference. We have been a part of these workshops in the Anderson, Rock Hill, Hartsville, Marion and Columbia Districts. And we have tried also to be available to individual local churches upon request.

As a result of the Supplemental Resources and Job Function Workshops, the Commission is now planning a set of resources that deal with practical questions and needs most often asked and sought by local church worship leaders: organizing an altar guild, training of acolytes, the placing and use of chancel equipment and furnishings, the use of flowers and other visuals, etc. Many resources are available; our aim is to collate the best and most accurate in light of the needs and traditions expressed by South Carolina churches!

Also as a result of Job Function Workshops, and in light of the new Administrative Council Structure and Plan Discipleship, our Commission is reviewing its own document, "Toward More Meaningful Worship", as a resource to be used especially among Nurture sections of local churches of small membership.

The Fellowship of United Methodists in Worship, Music and Other Arts, formerly the Fellowship of United Methodist Musicians, sponsors an annual winter convocation which presents top leaders and resources in areas of church music and worship. Beginning this past February, worship has been given a priority in the convocation. Not only musicians such as Allen Pote and Don Hinshaw, but persons such as Robert Eslinger from the Board of Discipleship, and Bishop Roy Clark, as well as musicians from around our conference, presented worship experiences and workshops of various interest: worship planning, biblical preaching, psalmody, children's and youth opportunities, staff relations, and music in the small membership church. Already, planning has begun on next year's convocation! We are grateful to be a part of this conference program by our church musicians!

With not only the quadrennial emphasis on the Ethnic Minority Local Church before us; but with the 1984 Bi-Centennial just ahead, our Commission has begun to plan resources for use in our South Carolina churches which will recall some of the Wesleyan traditions — the Service of Convenanting, the lovefeast — as well as our distinctive place in the history of Methodism in America, with emphasis on racial pluralism and inclusiveness.

Our Commission continues to plan and resource the worship at the Annual Conference; we are also becoming more integrated into programs with other boards and agencies of the conference. We count ourselves fortunate to have in Bishop Roy Clark an advocate of good worship. He has done much to promote our best intentions, not only by his ideas, but by his example! Mr. Fletcher Carter, our Council on Ministries, and his staff, have been tremendous advocates and coordinators for our work.

And most important, the people of our churches in the South Carolina Conference have been the strongest encouragement for us, not only by their interest in what we are about, but also by their rich gifts and graces which they gladly offer up as worship in the best sense!

Bruce A. Sayre, Chairperson

COMMITTEE ON CAREER PLANNING AND COUNSELING

The Committee on Career Planning and Counseling have begun:

- (1) Resourcing Claflin College with Career information dealing with the Christian understanding of vocation as a calling and general career information
- (2) Supplying materials helpful to youth and adults seeking to make career decisions about careers.

In addition, we plan to continue resourcing local districts and Wesleyan churches regarding church related occupations. This material would be sent upon request.

The Committee has aided financially in the training of EMLC personnel.

We were successful in achieving the goals set in 1981. The Discovery Weekend at Clemson and Seneca United Methodist Churches was held at Camp Hope. The weekend for the Discovery Weekend required two churches (black - white) to join in partnership across racial lines and have our resource team come and do a career workshop.

COMMITTEE ON CAREER PLANNING AND COUNSELING

RECOMMENDATIONS

The two new programs proposals are:
(1) Continuing of the resource shelf at Claflin College and also to District requests.

- 2 Also, to extend the Discovery Weekend to two (2) additional districts. The Programs funding would cost approximately \$975.
- Our liaison relations with the Board of Higher Education and Campus Ministry has been very helpful.

THE COMMITTEE ON THE ETHNIC MINORITY LOCAL CHURCH

The Committee on the Ethnic Minority Local Church continues to be involved in attempting to see that the Ethnic Minority Churches benefit from the single Missional Priority of the General Church.

The committee worked along with the Commission on Religion and Race in planning the consultation on Racial Inclusiveness which was held in Orangeburg, September 1981. As a follow-up to this event the committee has requested the Conference Council on Ministries to establish a process for receiving progress reports from the Conference boards and commissions showing how their programs address the Missional Priority.

The members of the committee were led in a workshop on its work which was initiated by Mr. Leonard Miller of the General Council on Ministries. This proved very helpful to the committee as well as to the District EMLC Coordinators who were present.

The committee recommended and the Conference Council adopted the following priorities for funding from the 30% of the Missional Priority Fund which is retained in the conference:

A Salary Supplement:

Salary supplement for local churches or clusters of churches to assist in the hiring of Directors of Christian Education, Associate Ministers and Youth Directors. The three categories are:

1. Station Church with 40 or more members
2. Three to five church charge
3. Cluster of charges churches

B Church Extension:

To provide financial assistance to Bluff Road and New Congregations being organized this quadrennium that are seeking to purchase property and/or buildings

C Recruitment:

1. Ordained Ministry

- a. Development of a media presentation to acquaint persons with possibilities in the ordained ministry.
- b. Identify and enlist five to six persons each year
- c. Encourage persons, male or female, choosing second careers to consider the ordained ministry as a career

2. Lay Leadership

- a. Recruit and train Ethnic Leadership for ministry
- b. Provide scholarship assistance to Conference, Jurisdictional, and General Church meetings.

D Ethnic Learning Resource Center:

To establish a Learning Resource Center to house Ethnic Historical Data and Resources

Also, the committee is working with representatives from the Board of Global Ministries Staff toward the development of a comprehensive strategy for strengthening and developing EMLC.

The committee is in the process of planning a Leadership Development Program for Black pastors which we hope to schedule in June or August of 1982. This experience is designed to offer pastors tools and/or resources that will enable them to offer effective ministry. Also, an orientation session is planned after the Annual Conference for pastors who are elected to Conference boards and agencies.

We are working to update the Talent Bank to supply the Conference Nominations Committee information about Blacks who are willing to serve on Conference agencies.

THE COMMITTEE ON PASTORAL CARE AND COUNSELING RECOMMENDATIONS

The report of Dr. Iverson Graham documents services rendered to the Conference by the Committee on Pastoral Care and Counseling during 1981. It was a good year in terms of services rendered and in terms of strengthening the operating procedures of the Committee. For 1983 we propose:

1. That the Committee on Pastoral Care and Counseling continue to provide a ministry of counseling to clergy members and their families and to full time lay employees of the churches and church related institutions of this Conference.
2. That the Committee continue on behalf of the Conference and through its Directors maintain supervisory relationships with the existing Comprehensive Pastoral Counseling Services both to assure continued excellence and to maintain a strong connectional emphasis.
3. That the Committee continue its efforts to establish a Comprehensive Pastoral Counseling Service in Charleston and in other locations where a counseling ministry is needed.
4. That the Committee continue its emphasis upon Family Life Education and make available to all churches a listing of resource persons and materials for such programs.
5. That the Committee conduct one or more seminars on Pastoral Care and Counseling for clergy persons to be held on the district level.

BOARD OF DIRECTORS OF ASBURY HILLS UNITED METHODIST CAMP

The Camp continued to serve in two areas of ministry to United Methodists of South Carolina. A summer camping program provided opportunities for Christian growth for youth in elementary through senior high age groups. Facilities were provided for weekend retreats and other small group meetings serving 70 groups including 2162 persons. Both these ministries are operating near capacity for our facilities and staff at the current stage of development.

At the 1981 session of the South Carolina Annual Conference, the motion to rename the Camp "Asbury Hills United Methodist Camp" was approved. During the year, the Board of Directors has proceeded to legally enact the change of the name. In 1982, the summer session will use as a theme "Francis Asbury" with the intention of making campers more aware of their relationship to Methodism and especially the part that Francis Asbury played in South Carolina.

In the past year, high priority deferred maintenance completed included repair and upgrading on the Dam at the Camp lake as well as upgrading of our sewage treatment plant. Lower priority maintenance, such as interior painting, is proceeding as staff time permits. We appreciate greatly the gifts and efforts of many individuals and groups and special projects that improve our facilities and help to extend program effectiveness.

Income from the "line-item", contributions and other sources was good. As indicated in the brief financial resume at the end of this section, income exceeded expenditures by more than \$25,000. At the present time, these funds serve as the beginning of a maintenance and replacement reserve, which we hope will continue to grow within set bounds. We will attempt to develop and maintain an operating reserve adequate to carry operations through the annual income cycle. The Camp has one outstanding 10 year loan from the Conference Board of Trustees for \$14,400.

Because of the uncertainty of the financial situation throughout most of 1981, the Board of Directors did not designate funds for expansion or development of new facilities. We believe moderate development is warranted in light of current facility use and need to seek authorization from CCOM in 1982 to initiate an active development program.

UNITED METHODIST WOMEN

The PURPOSE of United Methodist Women involves this community of women in a variety of challenging programs and projects.

PURPOSE

To know God and to experience freedom as whole persons through Jesus Christ; to develop a creative supportive fellowship; and to expand concepts of mission through participation in the global ministries of the church.

To fulfill our PURPOSE we have some tried and true programs each year.

The SCHOOL OF CHRISTIAN MISSIONS at Columbia College July 30 to August 2, 1981 was well attended. The 370 people present studied Isaiah 40-55, Europe, and Partners in Pluralism: Cultural Differences and Christian Responsibility. It was a special joy to see the increased participation by younger women. Over fifty under 45 women were present. It is the hope of United Methodist Women that this event will become a truly cooperative School of Christian Missions with the Chairmen of the Women's Area on Missions in the local churches participating.

The CONFERENCE ANNUAL MEETING OF UNITED METHODIST WOMEN at Cayce United Methodist Church on October 9 and 10, 1981 took a look at the accomplishments and presented a new concern as we considered "The Family: The Christian's Concern" in the Interest Groups and at the general sessions of the Annual Meeting.

Special events in 1981 presented opportunities to try new avenues of fulfilling our Purpose.

On March 7, 1981 the Legislative Training Day at the Washington Street United Methodist Church gave the district representatives present a model for the District Legislative Training events that have been held in 1981 and 1982. These programs seek to challenge women to be involved in the legislative process.

A "Vigil of Faith for the Equal Rights Amendment" was observed at the close of the regular Friday evening session of the Annual Meeting on October 9, 1981.

The United Methodist Women's Conference Executive Committee and selected district participants gathered at the Springmaid Beach Center for a "Christian Discipleship Workshop" in November. This event was designed and presented by members of the Women's Division.

WHERE THE MONEY GOES is always news. In 1981 a total of \$276,675.61 was sent to the Women's Division for use in Mission. "Love Offerings" totaling \$6,700 were given to the Bethlehem Centers in Columbia and Spartanburg, Boylan-Hart Mather Academy, Rural Missions, Johns Island, Killingsworth, Spartanburg Methodist College, Wallace Family Life Center and the Lake Junaluska Advancement Fund.

Two projects in South Carolina received funds from the 1980 "Call to Prayer and Self-Denial Offering." These were the Occupational and Reproductive Health Project, Southerners for Economic Justice and Pathways, a program of Women's Advocacy and Support, at the Bethlehem Centers in Columbia and Spartanburg.

Two young people, Brian Hooks and Angelia Jefferies, were given scholarships to the "Youth in Mission Conference" at Lake Junaluska in July.

S. C. Conference United Methodist Women was given 8.9 acres of land in Marion County by Cecil and Annie Bowman. It is our hope that this property can be used to expand the Wallace Family Life Center. The Wallace Family Life Center is our newest mission project.

Child Advocacy is a continuing project. In a new facet of this project the Conference and District Mission Coordinators of Christian Social Involvement have received the Alston Wilkes Society's Bulletin, "Legislative Update," which lists current legislation relating to children in the S. C. Legislature and the United States Congress.

The Women's Concerns Committee of the Conference UMW Executive Committee prepared a suggested program outline on "Women Within Families." This outline was included in the February issue of the *Mission Echo*.

The first meeting of the 1982 year was the Conference District Officers' Training Day on January 9. Over 200 women representing conference and district officers from all 12 districts were present. The day's theme, "Widen Your World," was designed to launch the 1982 Conference United Methodist Women's emphasis on World Development.

The February 20th World Development Day highlighted the 1982 theme, WORLD DEVELOPMENT AS OUR MISSION. Various aspects of this theme will be explored during district and conference events throughout the year, including the S. C. Conference School of Christian Missions, July 29-August 1, 1982 and the Annual Meeting, October 8 and 9, 1982 at Central United Methodist Church in Florence.

It has been a busy and productive year. We look forward to sharing some VISIONS for the future at the Annual Conference in June.

REPORT OF THE BOARD OF DIACONAL MINISTRY

The Board of Diaconal Ministry was created by the 1976 General Conference. The S. C. Board of Diaconal Ministry is thus in its second quadrennium of service. Entrance and candidacy procedures and academic requirements for diaconal ministers are available through the board. The board also is responsible for the certification of persons as professional workers in the United Methodist Church. The board has information on certification studies in ministry careers and the foundational course of study for diaconal ministry.

Visibility of diaconal ministers in S. C. is an issue of concern. A display at Annual Conference highlighted the work of local diaconal ministers. Diaconal ministers were part of program and worship events at Annual Conference. The board has approved the preparation of a brochure which will combine diaconal ministry in S. C. with a description of steps into diaconal ministry. Diaconal ministers were invited to attend a board meeting and luncheon in 1981 and will be invited again in 1982.

The board is concerned about the implementation of its 1980 recommendations to Annual Conference in the areas of base salary, travel, housing, hospitalization, pension, professional dues and continuing education for diaconal ministers.

The Board of Higher Education and Ministry's study committee charged with preparing to the 1984 General Conference recommendations including "specific reference to a permanent diaconate in the UMC including orders, function, annual conference membership and itineracy" is of particular interest to the board. Our board has written that committee expressing our desire that diaconal ministers be given full membership with vote at annual conference.

The board wishes to thank Bishop Clark and others who have helped the S. C. Conference Board of Diaconal Ministry carry out its responsibilities.

The Board of Diaconal Ministry has adopted the following goals for 1983:

1. To do intentional recruitment, giving special emphasis to ethnic minorities. Personal contact will be made with United Methodist colleges in S. C., Wesley Foundations, and district superintendents. Brochures on diaconal ministry will be mailed to each local church. Brochures will also be available for Annual Conference, high school counselors, summer youth activities, and events at Lake Junaluska.
2. To promote visibility of diaconal ministry through articles in the *Advocate* and a display at Annual Conference.
3. To provide encouragement for diaconal ministers through regular communication, sending minutes of board meetings, letters from the evaluation committee, and sponsoring an annual gathering for the board members and all diaconal ministers in the conference.

THE COMMITTEE ON DEACONESS AND HOME MISSIONARY SERVICE

In response to the request of interested persons for the formation of a Committee on Deaconess and Home Missionary Service in accord with P. 721.6, 1980 Book of the Discipline the Conference voted in 1981 to establish this committee as a part of the Annual Conference structure.

Cabinet representative, Mr. James S. Gadsden, District Superintendent of the Greenwood District, presided at the organizational meeting which was held July 28, 1981. Subsequent meetings were held September, 1981 and February, 1982 for the purpose of electing officers, clarifying the committee's responsibility and developing strategies for responding to this responsibility.

Elected officers and other committee members are: Chairperson, Jonell Robinson; Vice Chairperson, W. Thomas Holroyd; Secretary, Betty Meyers; Resource Person, Olene Civils, Member, National Committee on Deaconesses; Clerical Members, Cyrus B. Dawsey, Jr., W. Thomas Holroyd, Jack C. Washington; Lay Members, Barbara Alley, Barbara Brooks, Betty Meyers, Mary L. Miller, Jonell Robinson, Doris Wilhite; Cabinet Representative, James S. Gadsden.

This committee is responsible for informing and educating South Carolina Methodists of the role identification, responsibilities, and service opportunities for Deaconesses and Home Missionaries. The committee is further responsible for recruiting South Carolina Methodists interested in becoming Deaconesses and Home Missionaries and maintaining a continuing relationship with both active and retired Deaconesses and Home Missionaries of the South Carolina Conference.

THE COMMISSION ON ARCHIVES AND HISTORY

Your Commission has been busy this year with two major tasks. One is the fact that by the 6th thru the 10th of this year we will be the hosts to the annual meeting of the Southeastern Jurisdictional Historical Society to be held at Wofford College. This meant a lot of work on our part since it is up to the hosts to plan, stage, and provide every aspect of this gathering in terms of programs, tours, workshops, and the like. We feel that we have put together a very good schedule and hope that many from South Carolina will come and be a part of this event. For more information please contact me or the Council on Ministries Office.

We have been busy, as well as making plans, for the Bicentennials of Methodism in America and South Carolina. The years 1984 and 1985 will be here before we know it. We want our State to celebrate proudly its heritage of Methodism as an early part in the faith. To do this our goals are:

1. Have presented in the context of morning worship at Annual Conference a service which celebrates an aspect of our heritage. This year we will have as our speaker Dr. A. V. Huff whose topic will be, "The Form and Power of Religion: The Crisis of Early Methodism in South Carolina." Dr. Huff continues to work on the first official history of South Carolina Methodism and it is to be ready by the Bicentennial.

2. The need to get Methodist Shrines better recognized and recorded within our State. A task force is working on this now.

3. The hope to instill a greater desire in local churches to keep a good historical record of themselves and to place these in both District and Conference archives files.

4. To try and be a group that helps us appreciate better who we are by better knowing who we have been. Any group that has lost touch with its past has no roots from which to grow.

ADDENDUM NO. 1

THE COMMISSION ON ARCHIVES AND HISTORY

Your Commission wishes to plan for you the finest of Bi-centennial celebrations one can possibly imagine. In order to do this we request that you keep us aware of what is being implemented in your local churches, areas, and districts. We also request that anyone who has some thoughts as to what should be included in Conference wide celebrations please make these known to us as soon as possible.

We offer the following information in the area of churches wishing to become National Sites. This action must be approved by the local annual conference upon the completion of a great amount of historical proofing on the part of one applying. After we have declared a site then you may apply for shrine or landmark status through the National Commission on Archives of the United Methodist Church. We respectfully request that every church we have is dear to many good people but we emphasize that it is better to have a select few sites of deep historical significance noted than to cause distrust on the part of the masses by designating every old building or former location something which we have in our state.

The Commission points out that efforts to have locations or structures declared National United Methodist Historic Sites are not to be entered into lightly and should be pressed to consummation until the case for historicity, maintenance, and use has been well established. We intend to make our granting of such status as thorough and complete as the requirements established by the National Register of Historic Places. In other words, if we were Episcopalian, and a certain well known church in Charleston came to us with an application our reply would be: "Ok, so you say you're St. James. Now prove it and show us why you're historically important."

Many places and persons (see enclosed list) have written us requesting forms for status and information. We encourage everyone who is interested to apply. Please, do not assume that we will automatically include you just because your church is known in an historical area. You **must** apply. We are requesting everyone who is interested in applying to do so by September the 15th of this year. If you must have more time please note that you must apply by the end of the present year to stand any chance to make national bi-centennial publications if your application is approved.

Your Commission recommends the following:

1. The recommendation to the Editor of our "Advocate" that the text of Dr. Hight's message be included in a later issue of that publication.
2. We realize that waiting until next year to get Annual Conference approval of those showing sufficient cause to become sites would be too late for them to be included in national publications if they are offered. Therefore we ask that the Annual Conference extend to this Commission the right to act for it in finally approving or disapproving the applications for site status and that those approved be given to the Bishop and Conference Secretary for their signatures thus indicating the approval of the Conference as a whole for these places to be designated as official historical sites of the church.

REPORT OF THE COMMITTEE ON ANNUAL CONFERENCE STRUCTURE

The Committee on Annual Conference Structure submits the following recommendations:

RECOMMENDATION 1. (This recommendation is an amendment to **Standing Rules 68H and 68I.**) That each District have a Nominating Committee to be composed of District Superintendent, Chairperson; District Lay Leader; Representative from the District Council on Ministries; the two Conference Nominating Committee Members who represent the District; two representatives from the District United Methodist Women (one of which shall be from an ethnic minority); two representatives from the District United Methodist Men (one of which shall be from an ethnic minority); two representatives from the United Methodist Youth (one male, one female, one of which shall be from an ethnic minority). If no District Youth Council exists, the District Superintendent is to appoint the youth members.

The District Committee is to request from each local church, well in advance, the names of persons to be recommended. Requests for recommendations are to be made **JUST TO THE PASTOR** but to the Lay Leader, Council on Ministries Chairperson, District Methodist Women, United Methodist Men, and United Methodist Youth. Forms issued by the Conference Nominating Committee are to be made available. The forms must include biographical information, qualifications for position, local church, home address, local church positions, district, and the recommended person's willingness to serve. The same form is to be used by all Districts. The names of those to be recommended are to be taken to the Conference Nominating Committee by the two District Representatives. (The District Committee will consider and pass on those recommended by the local churches, and will forward its recommendation through the District Representatives to the Conference Nominating Committee.)

The Annual Conference Secretary will notify the Director of the Conference Council on Ministries within ten days following Annual Conference of the names, addresses, local church, and District of those elected. Within ten days of notification the Director of the Conference Council on Ministries will notify the individuals of their election. The Secretary of the Board or Agency will also be notified by the Director of the Conference Council on Ministries. The Conference Nominating Committee members of each District will notify elected persons of their District prior to the official notification from the Annual Conference.

RECOMMENDATION 2. We recommend the establishment of a Board of Directors of the Macamaw Retreat Center. We further recommend that for a period of six years, beginning with the next quadrennium, this Board and the Board of Asbury Hills function as separate entities, and at the end of the 1984-1988 quadrennium, they be merged into the South Carolina Annual Conference Board of Camps and Retreats, with each Camp or Retreat Center having a subcommittee for program planning.

RECOMMENDATION 3. In the continued interest of inclusiveness, we recommend that all agencies of the South Carolina Annual Conference give strong consideration to weekend meetings, with a preference of Saturday, out of consideration to our laity, especially our youth and ethnic minorities.

Carl D. Clary, Chairperson
William K. Coble, Secretary

THE COMMITTEE ON THE CONFERENCE JOURNAL

The Committee on the Conference JOURNAL is pleased to report that last year we accomplished our task for producing the record of the 1981 Annual Conference Session with as few problems as we have experienced in a number of years. Preparation and printing of the JOURNAL proceeded with few delays, and the production work was completed in November, with mailing accomplished in early December. We are continuing our efforts to achieve an October delivery date and believe that 1982 is the year!

A contract for the printing of the JOURNAL for 1982 has been awarded State Printing Company, which during 1981 completed its move to a new printing plant and brought on line new computerized typesetting and printing equipment. Much of the type-setting for the PRE-CONFERENCE REPORT you are now using was prepared by State Printing as a contribution to our effort to make the October delivery of the JOURNAL an attainable goal.

We continue to work with the PRE-CONFERENCE REPORT with a goal of making this material genuinely helpful to the members of the Annual Conference who must, in the span of a four day meeting, review the work of the previous year and plan the work of a year or two ahead. We welcome your suggestions in this regard.

The Reverend and Mrs. David Arant, co-editors of the next edition of United Methodist Ministers in South Carolina, are laying the ground-work for the editorial and photographic tasks related to this publication. Dr. A. V. Huff, Jr., who will present the Historical Address at the 1982 Conference Session, is preparing the historical section that is to be included in the Ministers book. We believe that South Carolina is going to be able to celebrate the bi-centennial of Methodism in our State with some notable accomplishments, thanks to the efforts of these talented persons!

THE COMMITTEE ON THE EPISCOPACY

The Committee on Episcopacy takes this opportunity to commend Bishop Roy Clark on the addresses he delivered and the discussions he moderated on the appointment process in this area at meetings in each of the twelve districts attended by pastors and their spouses and members of the Pastor-Parish Relations Committees. In these gatherings he has rendered valuable service for the life of the Conference.

Among the duties of the committee directed to it by the General Conference is to engage in annual consultation and appraisal of the work of the bishop including concern for the inclusiveness of the Church and its ministry with respect to sex, race, and national origin, and understanding and implementation of the consultation process in appointment making. A subcommittee is establishing a plan for an objective and comprehensive evaluation.

Also, another subcommittee is studying the advisability of an administrative assistant to the bishop and a report of the study is expected to be ready for the 1982 session of the Conference.

The Council of Bishops has assigned Bishop Clark to an Episcopal Visitation in Brazil for a two weeks period in the Fall of 1982. We pray for God's blessing upon him and Mrs. Clark as they step forth into this important service.

From very early life James Samuel Colter was a churchman, serving where needed in Saint John United Methodist Church on the Orangeburg Circuit. His burning zeal for self-development, and his care for his family led him continuously in preparation for life. After many attempts at several forms of business, he became interested in giving service to the people and to the church. His intellectual achievement was enhanced by attendance in the schools of Calhoun County, Claflin High School, Claflin College, The Interdenominational Theological Center, The Universal Bible Institute, Alamo, Tennessee, and the Institute of Experienced Pastoral Counselors, Birmingham, Alabama. PIERCE EMBREE COOK August 3, 1911 — June 24, 1981

A son of the Reverend John Edward and Emily Cox Cook, Pierce was born in Chesterfield, SC, August 3, 1911. He attended public schools in places served by his father and later was a graduate of Brevard Institute, Wofford College, and Duke Divinity School. Wofford College conferred upon him the degree of Doctor of Divinity in 1953. He married Lillian Morrison, of Marion, Virginia, January 17, 1939. They have two children: the Reverend Pierce E. Cook, Jr., of Lancaster, SC, and Mrs. Kevin Carl Duggan, of Columbia, SC.

Licensed to preach in 1932, Pierce was admitted on trial into the South Carolina Conference in 1935, into full connection in 1937, ordained a Deacon in 1937 and an Elder in 1939.

During his active ministry he served the following appointments: Associate Pastor, Conway; Waccamaw; Director of Wesley Foundation and teacher at Columbia College, Columbia; Myrtle Beach; Main Street, Dillon; Trinity, Charleston; St. John's, Rock Hill; Superintendent, Orangeburg District; Buncombe Street, Greenville; Shandon, Columbia; St. Paul's Orangeburg; and Leesville. He served as Conference Missionary Secretary; Chairman, Inter-Board Council; member of the Conference Board of Education; World Service and Finance; Advance Committee; and Commission on Higher Education. He also served as a member of the Board of Trustees of Columbia College, Wofford College, and The Methodist Home. Three times he was a delegate to The World Methodist Conference and once to the Southeastern Jurisdictional Conference. He was active in the Lion's Club, Kiwanis, and Masons. During World War II he served as a

chaplain in the State Guard with the rank of Captain. He is listed in Who's Who in South Carolina, 1974. After retirement he made his home in Columbia and attended Tremholm Road United Methodist Church.

Pierce was an eager student throughout his life. He loved good books. An early habit he spent the first hours of the day in study and prayer. He disciplined himself with self-preparation that is necessary for communicating the gospel effectively. He believed that one should love the Lord with his whole mind as well as with his whole heart. His sermons were prepared carefully and delivered with enthusiasm.

As a minister, Pierce was wholly dedicated. He loved people genuinely, especially those who were committed to his care in his pastoral appointments. He shared their joys and sorrows, identifying with each need brought to his attention. He knew how to listen and how to guide and advise those who came to him with their problems and concerns. He loved them.

Pierce delighted in the friendship of his fellow-ministers. He was genuinely interested in their well being. As District Superintendent, he encouraged churches to support their ministers with adequate salaries. In the Cabinet he worked diligently to support each minister in the appointment that offered the best opportunities for service and the happiness of the minister's family. As a pastor and as an administrator, he tried conscientiously to serve to the very best of his ability. He succeeded.

Just three and a half months after Lillian's death, Pierce was re-united with her in the renewed Spiritual Home where there are no more cancerous tissues nor diseased persons. Surviving in addition to Pierce Embree, Jr. and Carol, are a brother, William A. Cook, of Washington; and three sisters, Eulalia Cook, of Costa Rica; Susan Cook, of Charleston, SC; and Mrs. Rupert (Betty) Gaddy, of Dillon, SC.

Pierce's funeral was conducted at Tremholm Road Church June 27, 1981, by the Reverend William R. Bouknight, III, and Bishop Roy C. Clark. He was buried beside Lillian in Elmwood Cemetery.

RICHARD ODELL FRIERSON May 18, 1895 — December 13, 1981

As the year 1981 was ebbing toward its close, the long and fruitful life of one of our choice servants took on the dimension of eternity. His last appointment had come due to his Methodist spirit, he was ready to go to higher services.

He was married to the late Mrs. Sarah Fulwood Frierson. To this union were born two children (one deceased daughter, Mrs. Ella Mae Frierson Monroe).

Reverend Frierson attended the public schools of Sumter County, S. C. At an early age he was converted and joined the St. John United Methodist Church. He served as assistant pastor of St. John United Methodist Church for a number of years before being appointed pastor of the Mt. Beulah United Methodist Church, Hartsville, and later to the Lake United Methodist Church in Florence County.

He was a member of the Home Reform Society and served as its president until his death. Reverend Frierson was one of St. John's most prominent community leaders. He organized and established the St. John Day Care Center and he owned and operated the Frierson Community Store for years.

Reverend Frierson had a fruitful ministry in the service of his Lord Jesus, whom he loved and gave the full measure of devotion to his churches. He gave of himself freely, counting the cost as he followed the heavenly vision wherever it led — never faltering.

Richard had a passion to preach the Gospel and was permitted to do so until he died for health reasons.

No person ever achieves absolute completion and fulfillment in this life. No man is perfect. But the real measure of a man's life is the degree of his devotion to God in loving service. To stand alone facing the unknown is the ultimate test of one's faith.

Richard had walked in step with Christ through the years he was able to face adversity in confident faith and with Christian hope born out of the furnace of affliction. In his declining health the last years of his life he did not complain, but rather showed deep concern about other people.

It seems that we can hear the voice of God saying, "Behold, I have refined thee, but not with silver; I have chosen thee in the furnace of affliction." (Isaiah 48: 10). His was a triumph, and he could say with the poet:

Within the maddening maze of things
And toss'd by storms and flood
To one fixed trust my spirit clings,
I know that God is good.

I know not what the future hath
Of marvel or surprise:
Assured alone that life and death
His mercy underlies.

I know not where His islands lift
Their fronded palms in air,
I only know I cannot drift
Beyond His love and care.

And Thou, O Lord, by whom are seen
Thy creatures as they be,
Forgive me if too close I lean
My human heart on Thee.

ANDREW VANDIVER HARBIN October 12, 1907 — April 5, 1982

Andrew Vandiver Harbin (known to his friends as "Van") was the son of a South Carolina Methodist preacher, the Rev. A. V. Harbin, Sr., who served for a while in Texas where Van was born in LaGrange on October 12, 1907. After that his father took his family to California for a few years before returning to his native South Carolina, where Van grew up. He graduated from Wofford College and took theological training at Duke University. Not long after graduating, he received an urgent invitation from his friend Weyman C. Huckabee, a Methodist missionary in Hiroshima, Japan, to join him in work with students. Van went out to Japan on his own, and from 1935 to 1939 he lived and taught in the city of Hiroshima.

Van spent the school year, 1939-40, studying at Union Theological Seminary, and during that year he and Winnie Lee Davis were married; the ceremony taking place in the chapel of Scarritt College in Nashville, Tenn. They went out to Japan in the fall of 1940 and began language study in Tokyo, but the war was threatening and they had to return to the United States after just seven months. They stopped in Hawaii where Van was pastor of the Methodist Church at Kailua for about a year and a half.

In 1941 they moved to New York City where during the war years Van was employed in a ministry for service men, supported by 32 churches of the area. At the same time he was pastor of the Union Methodist Church. Later he was appointed to the Windham Methodist Church in New York state.

In response to urgent requests for missionaries, the Methodist Board asked the Harbins to go back to Japan. Van went out in 1948 and was assigned work at Kwansai Gakuin University in Nishinomiya. It was about two years before Winnie and their two little girls could join him there. From that time until their retirement in 1972, they gave themselves whole-heartedly to the work for young people in Japan. Van's teaching was in the Senior High School and in the Department of Economics of the University. They were active in the work of the Kobe Union Church, the church for English-speaking people in the area. Indeed for a time, before the church could get a full-time pastor Van served as pastor in addition to carrying all of his regular responsibilities at the university.

Although assigned to educational work, Van had a deep interest in the work of the Japanese church and was active in supporting it. He helped especially in the Jais Church in the city of Osaka.

Van's work for students was recognized by the government of Japan which bestowed on him a decoration, The Fourth Class of the Order of the Sacred Treasure.

The Harbins retired from their work in Japan in 1972, and went to live in Tallahassee, Florida, but they were far from being ready to stop work. They threw themselves actively into the work of a newly organized congregation, the Killebrew United Methodist Church and saw it develop into a flourishing church.

In 1981, the Harbins moved to Pilgrim Place, a retirement community for Christian elders in Claremont, California and immediately began taking part in its many activities.

Van was asked to become Minister of Visitation at the Trinity United Methodist Church in nearby Pomona, and in January 1982, enthusiastically began this new work. Three months later during the morning service on Palm Sunday, April 4th, he suffered a severe heart attack and died fourteen hours later. He is survived by his wife and two daughters, Mrs. Ann Pate and Mrs. Margaret Dodd, and one grandson, Jesse Lee.

— Mrs. Winnie Lee Harbin

ANDREW LUTHER JOHNSON June 30, 1903 — March 23, 1982

It has been said, "A person lives as long as he or she is remembered, one only dies and is forgotten." Andrew Luther Johnson will never die, not only because of the many lives which he touched during his many years of ministry in the church, but also because the many lives which are being touched through the ministry of two sons who were loved by their father.

Brother Andrew L. Johnson will be remembered with constant love by his family which includes one daughter, Mrs. Annabell J. Brown; four sons, Andrew, Jr., Clyde M., Sam, and Charles L.; two adopted daughters — Mrs. Dorothy Washington and Mrs. Elizabeth Powell; four sisters; many other relatives and a multitude who were privileged to call him a friend.

Brother Johnson's church activities began at an early age when he joined the Jerusalem Methodist Protestant Church in Berkeley County, his service as a minister beginning in 1928, at which time he was licensed to preach in the Methodist Protestant Church through the Union of the Methodist Episcopal Church, the Methodist Episcopal Church, South and the Methodist Protestant Church in 1939, until the time of his death, March 23, 1982.

Our church has not known a more dedicated servant than Andrew Luther Johnson. Truly called to the Christian ministry as it touched the entire person—physical, mental, social, and spiritual. He counted it his highest joy to "be about his Father's business."

Before retirement in 1976 he served the following appointments: Green Hill — St. Paul, 1930-1940; Mt. Carmel — Green Hill, 1940-1943; Mt. Carmel, 1943-1953; Francis Brown — St. Paul, 1953-54; Francis Brown — Calvary, 1954-1959; Francis Brown, 1959-1960. He served with distinction on several quadrennial boards of the Annual Conference: they were Board of Evangelism, the Committee on Resolutions and Rules, the Board of Ministerial Training and Qualifications and as assistant Treasurer.

Funeral services were held at Wesley United Methodist Church, Charleston, South Carolina, March 27, 1982.

The warm friendship, quiet attitude, constant service and love of Brother Johnson will serve as an inspiration to all who knew him.

JOHN WILLIAM LEWIS July 7, 1885 — February 14, 1982

John William Lewis was born in Red Cloud, Nebraska, on July 7, 1885, son of William and Elizabeth Ellen Smith Lewis. Little did these parents realize their son would one day make such an indelible impression upon South Carolina Methodism. He completed his undergraduate studies at Clemson University and it was while he was there he heard the call of God and, like Isaiah, John Lewis answered, "Here I am Lord, send me." In 1908 he entered the Vanderbilt School of Theology. Upon being graduated from Vanderbilt, he returned to South Carolina to begin a long and meaningful ministry in the South Carolina Methodist Churches. It was while he was serving one of these churches he met the sweetheart of his life — Ruth Lawrence, whom he married on February 4, 1913. They shared married life together for more than sixty-seven years. He preceded him in death on May 28, 1980.

John and Ruth Lewis were parents of one child, Elizabeth Edwards, and one grandchild the Reverend Mr. Lewis Edwards who is an ordained minister in the Wesleyan Church.

In a ministry which spanned more than fifty years, he served Shandon-Way, North Columbia, Summerville, Inman-Gramling, Union-Sardis, Westminster, St. Iva, Hickory Grove, Lancaster Circuit, Emma Gray (Woodruff) Lexington, Whitmire, Central, St. Paul (Ninety Six) Duncan-Woods Chapel, Van Wyck, and Lane. For fifteen years he served on the conference Commission on World Service and Finance, serving as Commission Chairman for five years.

His earthly life spanned almost ninety-seven years, ending on February 14, 1982. His favorite hymn was "God of Grace and God of Glory", which was sung by the congregation at his funeral service. The last verse of that hymn sums up his reason for being:

"Save us from weak resignation
To the evils we deplore
Let the search for thy salvation
Be our glory evermore.
Grant us wisdom, grant us courage
Serving Thee whom we adore
Serving Thee whom we adore."

Surely as we close this chapter in the life of John William Lewis, we are reminded of the words of the Psalmist, "Precious in the sight of the Lord is the death of his saint."

OMEGA FRANKLIN NEWMAN November 8, 1930 — January 4, 1982

Omega Franklin Newman was born November 8, 1930 in the parsonage of the Lane Charge (Andrews Chapel-St. Phillips) Latta, South Carolina. He was the son of the Reverend Mellon C. and Serena Hamilton Jones.

Omega served as a Sgt. 1st Class in the U.S. Army from 1950-1953 and was a Veteran of the Korean War. He was the recipient of the U.N. Peace Medal, Korean Service Medal, two Bronze Stars and Campaign Ribbon.

The Reverend Dr. Newman was a graduate of Alston High School in Summerville, Claflin College and Gammon Theological Seminary. The degree of Doctor of Divinity was conferred upon him by the Teamer School of Religion in 1966, and he pursued graduate studies at South Carolina State College.

He was married to Louise Vermelle Williams in 1955. In addition to his widow, he was survived by four daughters: Cynthia, Cheryl Lynette, Michelle and Karen Rene.

He answered the call to the Christian ministry while a student at Claflin College and was licensed to preach and admitted to the South Carolina Conference on March 1, 1956. He was ordained an Elder and received into full connection in 1962. He served with distinction the following ministerial appointments: Sellers, Springfield, Grace, York-St. James, a Conference Director of Christian Education, and New Francis Brown and Enoch Chapel. He was the first Black minister to serve as a District Superintendent of the Charleston District after the merger of the Black and White South Carolina Conferences. The handsome and churchly edifice which presently houses the New Francis Brown congregation in Charleston Heights stands as a monument to his memory.

This our promoted fellow worker served on many Conference Boards, Agencies and Institutions with equal distinction. He served as Chairman of the Committee on Merger and Chairman of Enlistment and Church Occupation. Other areas of service included the Continuing Committee on Merger, the Board of the Ministry, Commission on Religion and Race, and Trustee of Columbia College.

Omega's civil involvement included the NAACP, Southern Christian Leaders' Conference, Operation PUSH, Coastal Carolina Boy Scouts of America, and the Charleston County Substance Abuse Commission. At the time of his death he was President of the Interdenominational Ministerial Alliance of the Greater Charleston Area, President of the Charleston County Democratic Breakfast Club, and a Commissioner of the Trident Technical College.

Omega's fraternal affiliations were as extensive as his civic involvements. They included Alpha Phi Alpha, Inc., Free and Accepted Masons, Royal Arch Masons, George Washington Consistory (32 degree), Arabian Temple #139 (Shriners), Past Exalted Ruler IBPOE of W., Patron of Poinsetta Chapter #129, Order of Eastern Star, and Prime Mover for Organizing Alpha Lodge #11773, and Grand United Order of Odd Fellows.

On the occasion of his death on January 4, 1982, a full life and a full ministry had been consummated. No stones were left unturned. Although he died in the prime of life at 51, the fullness of his ministry would have been a compliment to one many years his age.

If he could speak for himself concerning the end of his earthly pilgrimage, he would be first to agree with Paul Lawrence Dunbar's philosophy of death as expressed in a poem titled, "When All is Done."

"When all is done, say not my day is o'er,
And that thro' night I seek a dimmer shore;
Say rather that my morn has just begun,
I greet the dawn and not a setting sun,
When all is done."

— I. DeQuincey Newman

CLARENCE CLIFFORD NORTON July 2, 1896 — November 12, 1981

Ben in Benton, Mississippi, Clarence Clifford Norton was the son of Henry L. and Mary Began Norton. Surviving are his wife, the former Mable Binning, two children, Alice Norton, a teacher in Okinawa, Dr. Howard Binning Norton, a family physician in Mills River Valley, North Carolina and five grandchildren.

From the 41st edition, 1980-81, volume 2 of *Who's Who in America* we are fortunate to learn Norton's own words his life's goal.

"Early in my preparation for a career I was guided by the ideals of a constructive and creative contribution to society. I deliberately chose the field of higher education as a medium for my life's work. I definitely desired to relate myself to youth in their most formative period of life. Allied with a scholarly quest for truth has been an emphasis on character. I am grateful for the privilege of having a share in the development of young men and women toward meaningful and constructive goals in life."

He prepared himself well for that lofty goal by earning a B.S. degree at Millsaps College in 1919, a M.A. from Emory University in 1920 and a Ph.D. from the University of North Carolina in 1927. In appreciation for a lifetime of effective and distinguished service Wofford College conferred an honorary LL.D. on him in 1953. He was licensed to preach in 1917 in Mississippi, received into full connection in the S.C. Conference in 1925 and maintained this relationship until his death.

Prior to accepting a professorship in political science and sociology at Wofford College in 1925, he was dean and professor of social science at Lon Morris College from 1923-24. A measure of the esteem and respect the officials at Wofford College had for his ability and character is demonstrated by the titles which marked his 41 years of service to that institution: Professor and Departmental Chairman of Political Science and Sociology, John M. Reeves Professor of Sociology, Dean of the College for 11 years, and President for the academic year 1952-53. At the time of his retirement from Wofford in 1966, the word *Emeritus* was added to title of John M. Reeves Professor of Sociology.

While rendering consistently effective service to Wofford for a life time he also was a man of many talents without reservation in church, civic, community as well as state and national service. Such activities included delegate to the World Methodist Conference in London in 1966, terms on the S.C. State Planning Board, Spartanburg County Chest president, trustee for 12 years of Lake Junaluska Assembly, S.C., and Teacher Education and Governor of District 775 of Rotary International.

Another example of his diversity of talents and interest is revealed in his publications which include *The Democratic Party in Ante-Bellum North Carolina*, 1930; *My Family Life*, 1945; *The Art of Caricature*, 1951; *A Cartoon Commentary on the Folks*, 1967; *Little Church Folks in Cartoons*, 1969.

Mr. Norton held memberships in Phi Beta Kappa, Sigma Upsilon, Alpha Psi Delta, Alpha Alpha, Blue Key, Mason, Rotary Club. A world traveler, he made a total of 22 trips abroad in his life time with England being his favored spot across the seas.

The most remarkable thing about C.C. Norton was the broad range of his versatility, a competency which was, indeed, rare in so many fields. Here was a carpenter, a writer, a cartoonist, a preacher, a college professor, a world traveler, a college administrator, a civic leader, in short, a renaissance man. And in each of these areas he was not just good, he was superior. He wore many masks and not a single one was false.

Surprisingly enough, the one talent that perhaps brought the most pleasure to others was his role as an actor. His rendition of Dickens immortal *A Christmas Carol* was brilliant. His interpretation of Scrooge as he was overwhelmed by the spirit of Christmas never failed to transform the audience into a unified outpouring of Christmas good will and joy to the world.

A clue to the remarkable Christian testimony Clarence Clifford Norton consistently lived is to be found in his choice of a life companion. Mable Norton enthusiastically encouraged and sustained her husband in his service to others. Her confidence in him and her unqualified endorsement of his projects and travels are a large reason for his remarkable contribution to the thousands whose lives are better because of him.

One of his life time colleagues, Professor Emeritus J.L. Salmon of Wofford College perhaps said it best at the time of Dr. Norton's death when he said in one of his sentences, "Norton was a good man, a very good man."

The Latin motto of the college which Clarence Clifford Norton served so well, *Intaminatis Fulget Honoribus*. Translated this reads, "She Shines with Untarnished Honors." The extent to which this motto is still valid has to be credit to men like Dr. Norton whose life on the campus deepened the gleam of this seal for fifty-six years, 1925-1981.

RICHARD EDWARD OLIVER June 20, 1915 — April 30, 1982

Richard Edward Oliver, son of the late Richard G. and Leila B. Oliver, was born in Horry County, South Carolina, on June 20, 1915. Two children, Richard, Jr. and Rhonda Oliver McClure, were born to Richard and Melwood Eatmon of Moncks Corner who were united in marriage on August 26, 1950.

He served the Lebanon Charge, 1964-68; Bethel-Duncan Chapel, 1968-72; St. Matthew Charge, Bishopville, 1972-76, and Brown Swamp 1976-80. He retired from full time service in 1980 and made his home in Moncks Corner, serving as retired support at Rehoboth in The Charleston District until God called him home.

Richard received the call to full time ministry in the middle years of his life. He answered the call and prepared himself intellectually by attending the Citadel Theological College of Charleston, and completing The Conference Course of Study at Duke Divinity School. Considerable financial sacrifice was necessary for him to accept an appointment in The South Carolina Conference, however, he always thought of it as gain.

His love of God and loyalty to The United Methodist Church was evident in his ministry. He genuinely loved people and appreciated the opportunity to serve. Pastors of this conference and former parishioners testify to this man's love, faith, and integrity.

Richard made the transition from the earthly to the heavenly early on the morning of April 30, 1982, at The Veteran's Administration Hospital in Charleston, where he had been a patient for several weeks. The Memorial Service was held at 3:00 PM on Sunday, May 2, 1982, in The Moncks Corner United Methodist Church, conducted by Rev. James Hood, Rev. Roy Stockman, Rev. William Kinnett, and Rev. Dewey Dean.

"Blessed are the dead who die in the Lord from henceforth; Yea, saith The Lord, that they may rest from their labors; and their works do follow them."

— Dewey L. Dean

LLEWELLYN E. POPE, JR. September 5, 1893 — August 17, 1981

The Rev. Llewellyn E. Pope was born in Georgetown County on September 5, 1893, to Llewellyn and Mary Jane Williams Pope. He died August 17, 1981, in Walterboro after several years of declining health. His wife, Frances, had preceded him in death eighteen months before, but he is survived by two children: Mrs. John C. Bellamy Moylan, Jr., of Walterboro and William Llewellyn of Columbia, seven grandchildren, and a great-grandchild.

After graduation from Wofford College in 1921, Mr. Pope taught in the public schools in Johnsonville and Greeleyville for twelve years as he wrestled with God's call to the Christian ministry. He offered himself to the church and was an effective minister of the gospel from his first appointment in the South Carolina Conference in 1924 until his retirement in 1964. During those thirty years he served: South Aynor, Oconee,

Walterboro, Bethlehem — Bishopville, Macedonia — Mullins, Trinity — Marion, and First — Winnsboro.

His churches prospered under his leadership and his large circle of friends across the state was a living witness to his goodness and influence as a pastor. Beyond the local church he served the annual conference as trustee, member of the Board of Ministerial Training and Qualifications, and of the Board of Education.

A memorial worship service was held August 19, 1981, in Bethel Church, Walterboro, by his pastor, John M. Younginer, Jr., and the host pastor, J. Richard McAlister. Burial followed in Walterboro's Live Oak Cemetery.

The highest tribute to the dead is not grief but gratitude. That was the mood of the memorial service, and that mood was expressed in this tribute to the deceased:

"He loved the church, and gave a remarkable measure of devotion through all of his years and was keenly interested even after that in the affairs of the church. As I remember him for his life of service, we say 'Well done, good and faithful servant.' We thank God who has given us this victory through our Lord Jesus Christ."

— John M. Younginer, Jr.

WOODROW WARD November 21, 1896 — May 17, 1982

Woodrow Ward was born on November 21, 1896, in Darlington, S.C., son of Thomas Evans and Catherine Woodrow Ward. He graduated from Wofford College with the A.B. Degree. He was licensed to preach on recommendation of the Trinity Church, Darlington, S.C. on November 26, 1920. He was admitted to the S.C. Annual Conference on trial and received into full connection December 2, 1922.

His marriage to Ruth Schumpert of Newberry on July 12, 1923, was a beautiful example of the love and devotion of two grand people. Their home was one of harmony, peace, and love. They had one daughter, Mrs. Margaret W. Pace of Columbia.

During his long and distinguished career he served Trinity (Clio), El Bethel (Spartanburg), Whitney, Central (Florence), Kershaw, Allendale, Latta, Barnwell, Bennettsville, Charleston District, Executive Secretary of Board of Education, Bamberg, Beaufort, Tranquil (Greenwood), Trinity (Andrews). He also served with distinction on the Board of Trustees, Conference Board of Trustees, and Chairman of Standing Committee. He was a delegate to the Historic United Conference on Methodism in 1939. He served in the Army Training Corps in 1918.

As a preacher he was a master of the English language. He knew the Bible and had a way of speaking to young and old with enthusiasm and edification. People heard him with attention and joy. His whole manner in and out of the pulpit was of being a gentleman in every respect. He loved young people and they responded to him enthusiastically. He was a sports enthusiast. This is demonstrated by ball fields, tennis courts and play grounds built during his pastorates. Many young people were changed by his ministry and several went into full time ministry under his guidance.

Woodrow Ward retired in 1966 and lived in Newberry where he was a willing member of Central Church. He was a superb servant of God, a Christian in every respect, a good friend, a good pastor — well done!

CELLIS LEECESTER WOODARD February 8, 1910 — March 19, 1982

In the summer of 1949, I was asked to attend and help with Youth Assembly at Wofford College. Cellis Woodard was Dean of the Assembly and I was assigned to assist him with the paper work. We spent a considerable amount of time in conversation. I remember that I planned to ask to be appointed to a church as a lay pastor at the next Annual Conference in October. Little did we know in June that in October he would be appointed District Superintendent of Charleston District and I would be appointed to a church in that district.

It was such a beginning of one of the most meaningful relationships with a man I have ever had. Friend, counselor, and confidant, Cellis Woodard enriched my life with his open attitude, his love of the ministry and the church, his sparkling sense of humor, and the depth of his faith and commitment to God.

This man, the Reverend Cellis Leecester Woodard who made such an imprint upon the church in South Carolina, was born February 8, 1910, in Smoaks, S.C., a son of

William L. and Maud Kinsey Woodard. He graduated from Smoaks High School and received the B.A. degree from Wofford College in 1933.

His appointment to the West Kershaw Circuit in 1935 marked the beginning of a committed and dedicated ministry in the South Carolina Conference. The work he did and the leadership he provided as a pastor, as a district superintendent, as a trustee of Wofford and Columbia Colleges, as a member or officer of many boards and agencies including President of the Council on Finance and Administration, and last, but by no means least, as the Administrator of the Methodist Home at Orangeburg for fourteen years, left its imprint on South Carolina Methodism.

Cellis Woodard was a beloved pastor. He had compassion for his people, preached with authority, and administered a program of involvement for the congregation. He was always active in civic and community affairs in the places where he lived.

As a district superintendent, he had the love and support of ministers and laity. His ability to handle controversy in an even-handed manner, his willingness to listen, and his fairness, all of which came out of his integrity of character, gave him the temperament to be an effective district superintendent.

Perhaps, Cellis Woodard's greatest contribution to South Carolina Methodism came from his assignment to be the Administrator of The Methodist Home. Under his leadership, the monetary support of the Home grew, the facilities were up-graded and additional services provided, a successful Capital Funds drive was completed, and the Home truly became one of the respected institutions of the conference.

Cellis Woodard was married to Sarah Josephine Cottingham on June 15, 1937. They had three children: James Cellis (deceased), Sarah Ann Crenshaw, and William L., both of Spartanburg. Jo was truly a co-minister with her husband. Her helpfulness was always in evidence and especially as she did so much of his duties which poor eye-sight prevented him from doing.

When the terminal nature of his illness was determined, it was most appropriate that he should go to The Methodist Home to be cared for until the end, which came on March 19, 1982.

Funeral services, conducted by the Rev. T. H. Walter and the Rev. C.D. Williams, were held on March 21, at Trinity United Methodist Church, Spartanburg, S.C., where he had served as pastor from 1956-61. Trinity honored him in 1981 by naming him "Pastor Emeritus."

Cellis Woodard made a lasting impression upon many lives and his contribution to Methodism in South Carolina will long be remembered. Thanks be to God for the life and work of this devoted servant of the Gospel!

LARRY FRANKLIN WILSON July 18, 1939 — December 17, 1981

Larry, the son of Frank and Geraldine Snipes Wilson, was born July 18, 1939, in Poplar Bluff, Missouri. He married Patricia Thompson, whom he met while serving as a summer Associate at Bethel United Methodist Church in Chester. They have one son, Shannon Dwayne.

Larry graduated from Central Methodist College in 1962 and Candler School of Theology in 1966. He was ordained Deacon in 1964 and Elder in 1966. His ministry spanned 16 years, serving Seneca Charge, Bath, Zion (Easley), Iva-Bethel, Lakeside Charge (Bennettsville), Mullins Circuit, St. Mark (Spartanburg), and he was serving Lando Charge when he died. He had for many years worked with TRAFICO and during Annual Conference he manned the telephone, giving news releases to radio stations across the state. He was a Mason and a member of Kiwanis.

On December 20, 1981, a celebration of his graduation to the next life was held at Bethel United Methodist Church in Chester. The following was part of the eulogy that was given at that time by his District Superintendent, the Reverend M. Eugene Mullikin, Rock Hill District.

Larry Franklin Wilson was
—a devoted son
—a caring brother
—a loving husband
—a sensitive and supportive father
—a true friend
—a faithful servant of Jesus Christ,
—a minister of the Church

For almost a year now, this one to whom we pay tribute, has been ill. Hospitalized numerous times, he had surgery twice, underwent a series of radiation treatments, had long and laborious bouts with physical therapy in an effort to regain his strength and to compensate for his partial paralysis. His attempted recuperation was lengthy and required a zest for living.

Not once throughout this extensive struggle to hold on, to make it back, did he complain. He was courageous, his attitude was positive, his spirit magnanimous, his determination unmatched. To be sure, he was an inspiration to all who visited with him and more often than not, he did more for those who stood at his bedside than we were able to do for him.

These weeks and months were not easy ones, but those who knew him best and loved him most were steadfast in their desire to be patient and understanding, to give him what he needed, to assure him they cared. His dear wife and devoted son were his closest friends, his congregations sustained him with their love and concern, his colleagues undergirded him with prayer. He knew he was not alone for, most of all, he was keenly conscious of the presence of God — he told me so.

This afternoon, we do not mourn; his wife insists upon that! We rejoice and we celebrate the life of one who lived among us. And, now, unto the God and Father of us all, we eternally commit this loved one and friend. Our finest tribute to his memory will be a new or renewed commitment to so live ourselves that we, too, when summoned by the Creator and Sustainer of life, will be able to follow and to inherit, as this one already has, the sacred promises that await us all in Christ Jesus.

Larry Wilson has fought the good fight. He has finished the course. He has kept the faith. God grant that we may do no less.

Thanks be to God. Amen.

— John M. Williams, Jr.

MRS. CARLISLE SESSIONS FLOYD
March 10, 1905 — July 29, 1981

When the writer was pastor at Latta, there was a young couple who lived and ministered under the shadow of the Church. Their names were Carlisle and Ida Floyd.

The husband was an employee of the local bank; both were good lay workers in the Church.

But the time came when "Jack," as he was commonly known, felt called to the ministry. He rightly interpreted this not to preach at once, but to get ready for it. With the full consent and cooperation of his wife, they took up residence on the College campus.

Later in the itinerant ministry, Mrs. Floyd was a decided asset to her husband as hostess and director of the parsonage, church worker and musician.

She was a woman of much vitality when in good health, but crippling disease overtook her in her last days. But even then, ones who knew her best said, "She was the most patient and gracious person I have ever known."

She is survived by her husband, two children, Carlisle, Jr. and Mrs. J.W. Matney, sister, Mrs. Yates Gamble, and four grandchildren and a great-grand daughter.

Interment was in Holly Hill. Officiating ministers were the Reverend E.W. Harris, D.D., Orangeburg District Superintendent, and the Reverend George B. Wilson, pastor of Holly Hill United Methodist Church.

SARAH FULWOOD FRIERSON
December 25, 1897 — March 6, 1974

We honor our loved ones because in suffering, as in joy, in pain as in pleasure, in the way of the Cross, they found in death the fulfillment of their Christian hopes and endeavors. So it was with Sarah Fulwood Frierson, March 6, 1974.

The eldest daughter of William and Mary Ann Fulwood, Sarah was born in Sumter County, December 25, 1897. She was married to the Reverend Richard O. Frierson, who was a faithful member of St. John United Methodist Church, serving in many capacities until her health failed.

Her record, for the most part, was that of a Methodist Minister's wife. She made the home for her husband and freeing him as much as possible for his work. In itself that was a task. Then, seven boys and two girls to care for, and let no one deny what that meant for any mother. Her church work of necessity limited, and yet she did her part.

We will remember her in the very remembrance of this helpmate, we will remember her in the cleansing and renewal.

Time cannot steal the treasures
That we carry in our hearts
Nor ever dim the shining thoughts
Our cherished past imparts
And memories of the one we love
Still cast their gentle glow
To grace our days and light our paths
Wherever we may go.

LEILAH SMITH JOHNSON
July 30, 1896 — January 28, 1982

In the beginning was God. All things were made by him. And all things were made better and more wonderful. And God created and caused to be born in the flesh, James Smith and Lula Murchison Smith, a daughter, Leilah Smith. And she was fulfilled in Kershaw County, South Carolina, July 30, 1896 in the year of our Lord Jesus Christ.

And it came to pass in those days that the Reverend James Ross Johnson, minister of worship at Trinity United Methodist Church, Sumter, South Carolina, there met Leilah Smith; there, they were married January 2, 1922.

And God blessed their marriage and home and gave them two children, James, Jr. and Jacqueline.

Through the kind and gracious providence of God, Leilah Smith Johnson, with God, loved her family and was the queen of the parsonages of the Methodist churches at Cades, Andrews, Timmons, Allendale, Hartsville, the Sumter area.

Anderson, Lake City, Florence and returned to the church of their birth for retirement. Their children grew up and called them blessed, and her children continue to praise her. The Reverend and Mrs. Johnson moved to the Kingswood Methodist Home during the year of 1980 and rested there until she was taken up by her Heavenly Father, January 29, 1982. Her funeral service was held by her pastor, Reuben B. Marlowe, at the same church where she met and married her husband.

She fulfilled the description of a virtuous woman as described in Proverbs 31:1-31. In fulfilling the admonition of our Lord, her life was like a light and her witness was given because she was indeed a blessed part of God's salt of the earth.

— Reuben B. Marlowe

MARY ELIZA POGUE NELSON
April 14, 1918 — January 21, 1982

A wife of noble character to Rev. O.J. Nelson; a blessed mother to Otis, Jr., Maggie, and Dwight; a loving grandmother of seven, ended her labors here and entered her Heavenly home on Thursday, January 21, 1982.

Mrs. Nelson was more than supportive to her husband, children and grandchildren. She was the only mother one granddaughter ever knew. She never forsook her family in any times were rugged.

Her children arise and call her blessed because she was always there. A woman of patience, love, strength, courage, gentleness, kindness, self-control and being a woman of her traits.

Even though our hearts are heavy by her passing, we find comfort in God by the life she exemplified. She was a friend who loved at all times. A dedicated church worker, a warm and sincere active church worker who gave strength and encouragement to all whose lives she touched. She was instrumental in the organization of the Day Care Center and the Senior Citizens (Golden Circle) at Faith United Methodist Church, Kingstree, South Carolina.

Funeral services were conducted on Monday afternoon, January 25, 1982, at 3:00 p.m. at the Kingswood United Presbyterian Church. Dr. George W. Watson, District Superintendent of the Florence District of the United Methodist Church, delivered the eulogy. Burial was held at Walker Cemetery, Sumter, South Carolina.

May her the reward she has earned, and let her works bring her praise at the City of the Living.

ANNIE BRADLEY PURVIS
February 25, 1904 — October 28, 1981

On October 28, 1981, God called to Annie B. Purvis and her spirit left this earthly home to dwell in everlasting life with God. Her pilgrimage in this land was one of long faithful service to His Kingdom. She will always be remembered by those who knew her because she inscribed upon their hearts the love of the Saviour whom she knew so well.

Mrs. Annie B. Purvis, daughter of the late Mr. James and Mrs. Annie Bradley, was born February 25, 1904, in Williamsburg County, S.C.

She was united in marriage with Reverend Dottie A. Purvis, September 15, 1926. They had 18 children, five of whom preceded her to the grave.

She served as President of the United Methodist Women, Organizer of the first Sunday School, and as a teacher of the Sunday School.

She served the community as a member of the Clemson Extension Demonstration Organization, President of the Blakely Community Christmas Savings Club, and President of the Blakely Community Improvement Club.

Thoughtful, capable, and with a sense of humor, Annie Purvis was an ideal mother and homemaker, and was very active in the churches to which her husband was called as Pastor.

Survivors are her husband, the Reverend Dottie A. Purvis, four sons, nine daughters and adopted children.

Funeral services were held at Jerusalem United Methodist Church in Salters, South Carolina, on Monday, November 2, 1981, at 2:00 p.m. The Reverend A.L. Wilson, minister of the Kingstree Parish, Mrs. Purvis was laid to rest in the church cemetery.

GERTRUDE LLOYD CLARK
July 4, 1891 — May 10, 1982

Gertrude Lloyd Clark was born July 4, 1891 in Manning, S.C., daughter of Dan and Irene Ivey Lloyd. On June 11, 1911 she married Julius Edel Clark, who five and a half years later was licensed to preach in the South Carolina Conference of the Methodist Episcopal Church, South. He was "called"; she responded with him and together they served God's people in eleven different South Carolina communities.

Halford Luccock, Yale Seminary Professor, used to say, "Blessed is the minister who has a good wife". The Rev. Julius E. Clark had a *good* wife, and he knew it! Across 30 years she touched many lives for Christ and His Church as she worked in ministry at her husband's side for nearly four decades.

And yet, Mrs. Clark (or "Too-Too", as her grandchildren and great-grandchildren affectionately called her) was not JUST a minister's wife; she had gifts and graces of her own: she could do things with a needle and a paintbrush that were far beyond the capability of the average person — she even taught art for a time.

She not only meant much to churches and congregations, she was especially beloved by her family. In fact, "her children rise up and call her blessed".

Mrs. Clark was a member of Central UMC, Florence, and her funeral was conducted by her pastor, the Rev. Robert C. Faulkner; associate pastor, the Rev. J. Herbert Thomas and former pastor, Dr. C. LeGrande Moody, Jr.

She is survived by a daughter, Mrs. Vivian Clark Montgomery; a son, Lt. Col. R. Julius E. Clark, Jr.; and several grandchildren and great-grandchildren.

ANNIE LAURIE PINSON PETTUS
February 22, 1903 — August 20, 1981

It is an honor for me to write the memorial for such a dear and lovely lady as Annie Laurie Pinson Pettus, who loved the United Methodist Church.

She was the eighth generation of one of the oldest families of the area being born February 22, 1903, in Honea Path, South Carolina, to James Abner Pinson and Emma Elizabeth Shirley. Her forefathers were responsible for the founding of two churches. Her great-grandfather, Obediah Shirley, was one of the founders of The Honea Path Baptist Church. Her grandfather, Joseph Dunklin Pinson, was one of the founders of Latimer Memorial United Methodist Church of Belton.

She was a graduate of Furman University and also completed graduate work at Peabody University in Nashville, Tennessee. While teaching in Piedmont, S.C., in South Carolina, she met and married the Rev. Robert Campbell Pettus who was serving his first pastorate in The Methodist Conference. For the next 32 years they served pastorates in the South Carolina Conference until his death in 1958. To this union, three sons and two daughters were born: Robert Dwight of Asheville, North Carolina; Edgar (Mrs. Carl P. Russell, Jr.) of Okemos, Michigan; and Ann Shirley (Mrs. James D. Chaffin) of Lawrence, Kansas. She was also blessed with seven grandchildren.

After the untimely death of her husband, she continued her active role in the Christian Ministry becoming the Executive Secretary of the Winthrop Christian Association of Winthrop College. She remained active in many historical organizations and societies: The Society of Mayflower Descendants, The Daughters of the American Revolution, The American Legion Auxiliary and The Honea Path Senior Citizens.

As her minister, I found her very active in the ministry of Trinity United Methodist Church. Her visitation of new people enabled our church to receive many new members. Her active and engaging witness was a blessing to many lives. All who knew her were blessed for she had the unique gift of enriching life. I treasure the relationship that we had and I enjoyed.

During her illness she was the picture of faith as she rested all in the Father's keeping. On August 20, 1981, The Heavenly Father called her home to live in His eternal presence. The funeral service was held on August 23, 1981, at Trinity and was conducted by the Rev. Randy M. Taylor and the Rev. James A. Merchant, District Superintendent. The services of Committal and Interment were held at Eastview Cemetery in Honea Path.

MARY ETHEL SUMMERFORD SMALLWOOD
December 9, 1888 — March 26, 1982

Born in Falkville, Alabama, she was one of the eleven children of Thomas and Edna Summerford.

On October 8, 1905, she and Titus Smallwood were married in Pulaski, Tennessee. Their first child, William Walter, was born March 12, 1907 and a daughter, Mary Edna, October 8, 1909. Walter died of pneumonia on August 23, 1910.

A second daughter, Edna, was born June 11, 1912. Five years later, Titus entered the ministry in the Alabama Conference. A son, Paul Edward, was born May 4, 1919. A daughter, Evelyn Juanita, February 12, 1931.

Reverend Smallwood served in the North Mississippi Conference from 1925 - 1948. At that time, Mrs. Smallwood moved her family again as he transferred to the South Carolina Conference. They served the Smoaks Charge, 1949-1953, and the Henderson Charge, 1954-1957. Upon retirement, they resided in the Glover Home in Walterboro. Rev. Smallwood died in 1963.

Following the eldest daughter's death in 1970, Mrs. Smallwood spent the rest of her life in the homes of Edna (Mrs. T. K. Campbell) and Juanita (Mrs. Lester Johns).

Although the crippling effect of rheumatoid arthritis restrained her in the latter years of her husband's active ministry, the early years found her active in the choir and many work of the churches they served. Handy with a needle, she enjoyed quilting, embroidery, crochet, knitting, and tatting. Perhaps her greatest contribution was in understanding, encouraging and supporting her husband in his ministry.

Death came to Mrs. Smallwood on Friday, March 26, 1982, in Walterboro, South Carolina. Graveside services were conducted on Sunday, March 29, by Rev. Ben Herlong and Rev. Richard McAlister. Interment was in Greenlawn Memorial Gardens, Walterboro.

She is survived by a son, two daughters, a sister, fourteen grandchildren, twenty great-grandchildren, and five great-great-grandchildren.

She was a member of Bethel United Methodist Church in Walterboro.

DONNA HEARD SUMMERS
November 23, 1885 — April 10, 1982

Donna Heard Summers lived abundant, eternal life up to the very last day of her earthly sojourn. Increasingly feeble, but alert and happy in her ninety-sixth year, she attended worship on the Sunday morning before she died from a fatal stroke on April 10, 1982. We who were blessed by her vital faith were denied that vibrant witness a few hours before it was confirmed and glorified in God's very presence.

Mrs. Summers grew up in Ohio and Florida. While a secretary at Auburn University, she met a young professor of horticulture, Welborne Summers. They were married on April 22, 1913. A few years later, she accompanied him to Candler School of Theology, as both responded to the call to Christian ministry. Mrs. Summers graced the stages throughout the South Carolina Annual Conference, serving faithfully in various appointments and bringing an unmistakable dignity to her role as a minister's wife. Her quiet strength, undergirded by prayer, encouraged and affirmed many persons, especially her family. In later years her regular presence at worship in Ellore United Methodist Church bore eloquent and enduring testimony to the steadfast love of God.

Three daughters survive: Donna Mae Montgomery, of Ellore; Mary Heard Coskrey, of Ellore; and Ada Stillwell, of North Augusta.

She was stricken on Good Friday. On Saturday, she died. And on Monday, those who gathered in Ellore United Methodist Church celebrated the resurrection of Jesus Christ. Her funeral, led by her pastor, Rev. Joe N. Long, and by her grandson, Rev. Robert E. Stillwell. By that same power of God to make all things new, Donna Heard Summers lived.

HISTORICAL RECORD OF SESSIONS OF THE SOUTH CAROLINA CONFERENCE

A detailed history of the South Carolina Conference has been published in *The History of the South Carolina Methodism* by Albert D. Betts (Columbia: The Advocate Press, 1952), and the following chronology is based on the information contained in Dr. Betts' history. When John Wesley called his lay preachers together in London on June 25, 1744, to confer on the work of the growing Methodist Societies, the die for the annual Conference was cast. The practice was brought to the American shore as the Methodist Societies grew in the Colonies.

In colonial times Conferences were not neatly divided by the geographic divisions of today, and, correspondingly, it is difficult to trace precisely a lineage that would make it possible to identify "the first Conference." Dr. Betts refers to "the first American Annual Conference" (p. 34) as the one held in George's Church, Philadelphia, July 14, 1740, on the call of John Rankin who had been sent to America by John Wesley. The South Carolina Conference was organized in 1785, when a "section" of the Annual Conference was called at Louisburg, North Carolina, on April 20, 1785, the first Annual Conference which Francis Asbury presided. About two years later, on March 22, 1787, the first session of the South Carolina Conference was held in Charleston, with both Bishops Francis Asbury and Thomas Coke sharing responsibilities as the presiding officers. From the beginning, the Sessions are delineated as shown in the tables which follow.
